

The South Carolina Court of Appeals

The State, Respondent,

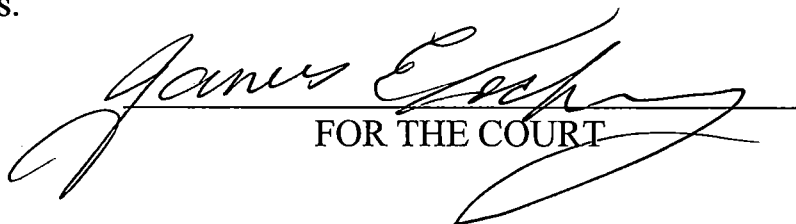

v.

David Harold Campbell, Appellant.

Appellate Case No. 2017-001229

ORDER

After careful consideration, the consent motion to hold the appellate deadlines in abeyance and remand for the court of general sessions to rule on the "completeness and accuracy of the trial transcript" is granted. This appeal will continue to be held in abeyance for sixty days from the date of this order. Appellant shall provide a status update in sixty days.
