RE: Trey Williams v. State
Appellate Case No.: 2016-001553

RECEIVED

SC Court of Appeals

I just got A copy of the court of Appeals letter directed to Mr. Darren S. Harky Esquire on 10-23-18, postmarked 10-22-18 arriving At this Institution.

The contents of the document Requests that counsel of Record Address A motion to Relieve counsel Received by the court October 2, 2018 from Mr. Williams. I never Received such A letter nor Reply from the counsel of Record nor the State Attorney General office Regarding the motion to Relieve counsel that was denied on September 22, 2018. I have not been allowed the opportunities to Reply to the State or Counsel Regarding this matter and I Am preparing A Frivolous Brief on the Ruling AS to me Being Forced to Keep counsel From prior motions Being Denied the Right to Self Representation while Facing procedural smoke screens and UN DUE DELAY proceedings. I put the Court of Appeals on notice with Due Diligence that counsel of Record has Refused to correct the Appendix in this case by supplementing the Record Adding/correcting the Record with my Amended PCR Application that was erroneously not included as well as the Filing of extraordinary writs to correct other errors in this case. When it is time for me to file transfer of case motions etc, please Inform me as well, I have colorable claims that dont prejudice any party but me if it goes not Addressed Regarding this case and in the "intrest of justice I ASK to be heard on the Record... *Darryl Williams*
