SC Court of Appeals

To: Whom this may concern,

I recieved a

Remiter while in Kirkland in approx. Dec
Jan after my sentence on Nov 15? Lol. Please
if you could send me some kind of date
for appierence assuming my appeal was granted
from what I read, and recieved

My appeal was because I an mental health
was just switched and double dosed to
dosly with new medication, and I know my decision
would have bin different. I deserve a chance
I was wrongfully accused with 1 charge, with
absolutly No Statement of Elements or circumstantial
evidence. I ndited for correct charge later
but charge caused humility, media I'm
not that kind of guy, I was switched Solicitor's
3 times and got council last few months
with my own Finances and was not able
to core to an agreement because I feel
considering the 1st accusation my Solicitor
was a woman and know she was bios
hope I spelt that right, please sincerely no
\$s get me a fair chance and I'll admit
my guilt to an Assault but Not Burg 1st
was Not my ententions. got stataments to prove
Thank

You
