

The South Carolina Court of Appeals

Vincent Rice #316178, Appellant,

v.

South Carolina Department of Corrections, Respondent.

Appellate Case No. 2017-001484

ORDER

Appellant's motion to dismiss order and make judgment on submitted evidence is denied. However, in light of Appellant's transfer to Tallahatchie County Correctional Facility in Mississippi, we extend the time for serving and filing Appellant's amended final brief, and we order Respondent to compile, serve, and file the supplemental record on appeal. Appellant's amended final brief and the supplemental record shall be served and filed within thirty days of this order. As set forth in this court's June 20, 2018 order, Appellant's final brief shall be identical to Appellant's initial brief, which was filed on August 28, 2017, except for the inclusion of references to the record and the correction of typographical errors.
