Appointed Counsel for the Petitioner filed and served the original and copies of the Brief of Petitioner on October 29, 2018, in accordance with the Order of the Court dated October 23, 2018. During the time Counsel for the Petitioner was preparing the Brief, he was notified of errors in the Appendix and Record on Appeal that required correction for compliance with the Order of the Court dated April 15, 2014. Counsel for the Petitioner has corrected the errors in the Appendix, however, Petitioner, hereby moves for an extension time of five days to allow the Commission on Indigent Defense time to print and file the revised copies of the Amended Appendix and Record on Appeal in this matter. This motion is made pursuant to Rule 240, SCACR.

A digital copy of the Amended Appendix and Record on Appeal is being served on opposing counsel on October 29, 2018. Counsel has communicated with opposing counsel about this request. Counsel for the Petitioner requests that the time for filing the copies of the Appendix and the time for Respondent to file its brief be held in abeyance until the court can rule on this motion. A prior extension of ten days was granted to Petitioner before the filing of the Petition for Writ of Certiorari and an extension of five days was granted prior to the filing of the Brief of Petitioner. Counsel asserts that this extension is not requested for the purpose of delay.

Respectfully Submitted,

D. Michael Mathison
