MOTION
FOR
ENLARGEMENT
CASE # 2018-000572

COMES NOW, William Coaxum the appellant in this matter before this Honorable Court pursuant to Rule 6, Section (b) of the South Carolina Rules of Civil Procedure requesting that this Court grant the appellant and extension of sixty (60) days in which to comply with submitting a pro se response to the Johnson Petition filed by Counsel.

The appellant submits attached Affidavit for the Court's consideration of this Motion for Enlargement of time.

Date: 10-22-18

AFFIDAVIT

The undersigned, Musa Ranshi, SCDC # 073461, personally appeared before me, deposes and says the following:

1. That on October 18, 2018, I meet Inmate William Coaxum SCDC # 327616 for the first time while sitting at a desk next to him in the Broad River Correctional Law Library.

2. Inmate Coaxum asked whether or not could I show him how to use the books, I stated I could because I had worked in various SCDC Law libraries as a Clerk.

3. Inmate Coaxum went on to explain that he was suppose to have been getting some assistance but the inmate had return his paperwork and the letter he had received informing him that he had forty-five (45) days in which to submit prose response to his Counsel's Johnson Petition.

4. Inmate Coaxum was in the Law Library that particular morning because the Inmate whom was suppose to have been assisting him just returned

returned his paperwork back that morning
of October 18, 2018.

5. I am willing to assist Senator William
Coaxum with his pro se response however,
I can only do so with my limited ability and
of knowledge I've obtained over the years
in assisting other inmates as a Law clerk.

6. Currently the situation inside of SASC changes
from day to day due to the unfortunate event
at the Lee Correctional Institution there's no
standard day to day operations.

Which means that there's no guarantee
or an having an opportunity to go to the Law
Library at any given time.

Therefore, if Senator Coaxum has any chance
of submitting a pro se response to Counsel's Johnson's
Petition, and because he doesn't have any ability
or knowledge of what is expected, and if I am going
to assist him by this Honorable Court's leave the
Enlargement of time is needed.
