In re: Hewitt v The Shaw Corporation d/b/a Shaw's Pharmacy, et al.
Case No. 2013CP2305424

Dear Mr. Merrell:

This is to follow up on the numerous transcript request forms, letters, and phone calls your office has sent concerning the transcript from proceedings held on February 10, 2015, before Judge Maddox in this matter. I am sorry that you had to send that many requests for this transcript. As you may know, when court reporters leave our employ, we are required to retain their records for a period of five years. Ms. Hiskell delivered some court records when she left, and I have checked those and every court reporter record stored here and at our warehouse in case hers were misplaced. I do not believe they were among the records delivered to Court Administration.

Therefore, I must report that Court Administration has exhausted all avenues in the search for the records to produce this transcript. Unfortunately, without the records, a transcript cannot be produced. I sincerely regret the inconvenience this causes you and all parties involved. If I can assist you further, do not hesitate to contact me.

Sincerely,

Desiree R. Allen
