

To Whom this may concern, I do not wish to annoy anyone or cause harm to my case. But, I do wish for my case to be prepared & delivered to the Appellate Judges.

As "An Innocent Man" by the standards of the Law & of Morality, I do not deserve to be here.

- 1) I stayed at the residence, And I never intended to commit a crime.
* Plus, every crime they "claim" I intended to commit was acquitted. *
- 2) There's no evidence to show I had possession of a weapon.
* No DNA, photo, or anything. *
- 3) It was said to happen at 1330 hrs in the daytime.
* Not at night time *
- 4) I have no prior criminal record.
* No previous burglaries *
