Re: Joe Larke Williams, # 266611, v. State  
Appellate Case No. 2013-000095  
Lower Court Case No. 2010-CP-02-01470

Dear Counsel:

Enclosed is a copy of the *pro se* notice of appeal that your client has served and filed. Since you were his counsel below, I remind you that under Rule 71.1, SCRCPP, that you remain his counsel of record before this Court.

For this matter to proceed, you will need to advise this office of the date on which you received written notice of the entry of the order of September 15, 2011. This is the order that denied the Rule 59 motion.<sup>1</sup> This information must be provided

---

<sup>1</sup> In the notice of appeal, your client refers to a decision dated December 11, 2012. This does not appear to be the date of the final order in this matter; instead, this is the date that the clerk of court certified copies of the order as being true copies. From the public case index for Aiken County, it appears that the order of September 15, 2011, which was filed with the clerk of the circuit court on September 19, 2011, is the final decision in this matter.

within ten (10) days of the date of this letter.

Very truly yours,

CLERK

Enclosure
