SC Court of Appeals

Dear Clerk,

I received the order denying my appeal at Evans Correctional Facility on October 22, 2018. (See Evans CI Mailroom records). I understand that I have 15 days from this date to file my petition for rehearing. I am respectfully requesting an extension/ enlargement of time to complete the Petition. S.C.D.C. has been on statewide lockdown with all institutional departments closing leave me no access to the law library/ law materials and resources. During my 15day time limit, specifically during the week of Halloween, S.C.D.C. was on a statewide lockdown. At Evans CI there was an additional security issue causing an institutional lockdown. The lockdown has left me without enough time to access law library/ law resources complete my petition. State wide institutional and security lockdowns are ongoing in S.C.D.C. Please take consideration of my ability or inability to have access to courts and all necessary resources. Can my Petition for Rehearing time limit please be extended/ enlarged?

With Kind Regards,

Ardon P. Cato.II # 316535
