Re: Cole Towing and Recovery v. City of Spartanburg  
Appellate Case No. 2017-002585

Dear Counsel:

The Court received your request for protection addressed to Chief Judge Lockemy. We do not typically grant broad protection of the type requested. Our records reflect your case is ready for consideration by the Court. At this time, we have already mailed out oral argument notifications for our December court dates, which did not include this case. Should we decide to set this case for oral argument, you will be notified of the possible dates for oral argument. At that time, you can send the Court a response to let us know the dates on which you have a conflict. Accordingly, we will not take any further action on your filing.

Very truly yours,
