Dear Ms. Kitchings,

SC Court of Appeals

I'm writing you also to find out who would I write to about having a order for the truck (2006 Ford F-350 vin-1FTWW31P86-ED61140) to be able to have pictures taken of the property. This property is still part of a criminal case in the Greenville County General sessions 13th Judicial Circuit (case #2017A2330206508, #2017A2330206510, #6102P0390254, and #6102P0390255) which is needed for evidence. The contents on the inside are needed to be photo graph for trial. It has to do with the Deputy's statements, ~~and~~ visibility, and the actual account of what was inside the vehicle. Which leads to his credibility. Now that the vehicle is in a higher court, i would like to know how I would be able to have this done. This should have been done by my lawyers I had on the criminal case, but was never done. The Solicitor in this case Howard Lawrence Steinburg knew that the vehicle should have been evidence in the criminal case. This is partly why they rush to push this through (the forfeiture case before trial). I'm waiting for the General Sessions court to remove criminal case Lawyer W. Benjamin McClain (S.C. Bar #003740) from the case. I had to file to release him and one other before him (was released) because I wasn't being properly defended by them or this Appeal nor criminal case would be happening. I had heard that the truck should not have been held for a forfeiture hearing in the first place being as it was to be part of evidence in a criminal hearing. Me myself am bio-polar and am not always capable of completing all that in front of me in my case. I can't afford a lawyer to handle my case, so i'm doing my best my-self with the / through the help of GOD. So anything /info about how this proceedings work please in from me. Thank you.

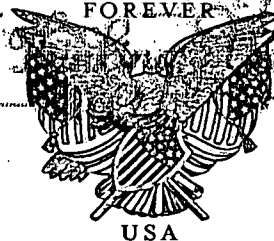

Your Truly,
David Green Jr
