SC Court of Appeals

To whom may this letter be given to with the court of appeal I don't know whether or not if the state of south Carolina court of appeal came up with a decision or starting my case yet I wrote a letter to this office about a pro se brief or a motion on lack of evidence and an a brief argument on the case dealing with the trial case on November 27, 2018 I would like to put a end to these briefs or pro se brief and go forward with filing a PCR / Posted conviction Release since this appeal has no legal matter or attorney with this standard to represent this appeal could one of the listed names from the court of appeal ma'am/sir give this letter a positive feedback on how could I get this process done that being given to your court office for this appeal do I have to wait for this appeal to have this PCR done or do I have to file with another court office with all due with respect and such appreciate have some agreement. I also wrote the appellate of the same matter.
