Re: Refund of filing fees improvidently accepted

Your Honors:

I received your 30 October 2018 letter returning my petition for rehearing to me unfiled. Though I do not agree with your decision to not file it, that decision implicitly admits that the filing fee was improvidently accepted. There is precedent for refunding a filing fee in such cases; and I spoke to Ms. Carter about that.

Per Ms. Carter's and my phone conversation last week, please accept this letter as my request for a refund of the improvidently-accepted filing fee and please execute that refund at your earliest convenience.

Thanks again for everything and God bless.

Gratefully Yours,  Marie Assa'ad-Faltas, MD, MPH
