I am informing you of the arguable basis for my appeal. These are the concerns I have that have become an issue to me after the plea:

- (1) Inadequate representation from my attorney,
- (2) Gross bias from the 7th Circuit to over prosecute me on this charge
- (3) Not showing a blind justice to me, as my peers that day with similar charges.

I thank you in this process and sending a response to and of this letter was received and filed.
