SC Court of Appeals

Dear Clerk:

I received your letter dated 10-10-2018 on 10-15-18 which was titled "Order."

You stated, "Appellant has failed to provide the notice of appeal filing fee and provide a proof of service showing that the notice of appeal was timely served on the Administrative Law Court [ALC], as required by Rule 203 of the South Carolina Appellate Court of Appeals Rules and this Court's letters dated August 24, 2018 and September 19, 2018. Accordingly, this appeal is dismissed. The remittitur will be sent as provided by Rule 221(b), SCACR."

I am assuming you made a mistake, because I have provided the filing fee; my pink copy is dated 09-27-18 and shows \$100 was sent to S.C. Ct. of App., P.O. Box 11629, Columbia, SC 29211. I sent a proof of service showing that my notice of appeal was timely served on the ALC in my letter dated 9-26-2018. I am waiting for a letter from you acknowledging my letter dated 9-26-2018 and an explanation for the dismissal of my case. If you have received my \$100 check, why are you keeping it rather than return it? Please let me know if I need to file a motion for rehearing/reconsideration or whether to proceed to the next highest state level or federal level.

Respectfully submitted,

Frank M. Gaster
