RE: State of South Carolina v. Jennifer Lynn Alexander
Appellate Case No. 2016-002145

Dear Mr. Shearouse:

The State received a request from the court seeking a transcription of an audio recording of the proceedings before the magistrate on February 11, 2014. The State has endeavored to locate a vendor to complete the transcription, but it does not appear that the transcription can be produced by the deadline of September 13, 2017 without the payment of fees for expedited processing.

The State would therefore request an extension of time until October 6, 2017 to deliver the transcript to the court.

Prior to filing this motion, opposing counsel was contacted by telephone and agreed to this extension.

Thank you for your consideration of this request. Please do not hesitate to contact me if there are any further questions. I look forward to your response.

Very truly yours,

Marcus K. Gore
