v.

Jennifer Lynn Alexander.....Respondent.

MOTION FOR EXTENSION OF TIME BY PETITIONER

NOW COMES Petitioner, by and through its undersigned counsel, who respectfully moves before this Honorable Court for an extension of time within which to provide the court with a transcript of the magistrate's proceedings held on February 11, 2014. This court has previously requested that the transcript be delivered to it by September 13, 2017. Petitioner has secured a vendor to transcribe the audio, but cannot meet the current deadline without the payment of expedited processing fees. Petitioner would therefore request an extension until October 6, 2017 to produce the transcription to the court. Following production, Respondent would then have ten days to object to any inaccuracies in the transcription.

Petitioner has contacted Respondent's counsel who has no objection to the requested extension of time.
