RE: State of South Carolina v. Jennifer L. Alexander
Appellate Case No. 2016-002145

S.C. SUPREME COURT

Dear Ms. Matthews:

Per your request, I am enclosing a CD containing the "Audio Recording of the Berkeley County Magistrates Court Proceedings of February 11, 2014" as originally designated on page 68 of the Appellant's Record on Appeal. The CD provided in the transmission to the court was apparently unplayable.

I am also enclosing another CD containing the FTR Player which is the software on which the recording was originally made. The recording is in a unique format, and this has been the only software on which my office has been able to access the audio.

Please do not hesitate to let me know if you should have any further questions.

Very truly yours,

Marcus K. Gore
General Counsel
