**Subject:** State v. General T. Little (Appellate Case No. 2018-000561)

Dear Clerk of Court:

As appointed lead counsel for Appellant General T. Little, I am writing to respectfully request that the Court extend the current November 19, 2018 deadline by which Appellant is to file the Initial Brief of Appellant and Designation of Matter in the above-referenced appeal.

This is the undersigned's second request to extend the initial brief deadline. Melody Brown of the Attorney General's Office, counsel of record for Respondent who is copied on this email, has graciously consented to this extension request.

The basis for this request is that, despite diligent efforts, the undersigned counsel still has not finished reviewing the approximately 1,200-page combined transcript from the pretrial hearing and trial of this matter. Therefore, the undersigned counsel needs additional time to complete review of the trial transcript, to effectively prepare an Initial Brief of Appellant, and to identify all pertinent matter to be included in the Record on Appeal.

Accordingly, for good cause shown, Appellant respectfully requests an extension of the deadline for filing the Initial Brief of Appellant and Designation of Matter. Given that a 30-day extension, exclusive of the Thanksgiving holidays, would put these matters due the week before Christmas, the undersigned respectfully requests an extension until January. As noted above, the Attorney General's office consents to this request.

Should you have any questions or concerns, please do not hesitate to contact me. Many thanks in advance for your consideration of this request. I hope everyone has a wonderful Thanksgiving.

Respectfully,

Lisle Traywick
