In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

TENTATIVE CORPORATION TAX RETURN AND CONDITIONAL EXTENSION

SC1120-T
(Rev. 7/13/05)
3096

INSTRUCTIONS FOR TENTATIVE CORPORATION TAX RETURN

If any corporate income tax or license fee is anticipated to be due, a request for an extension of time must be filed using SC1120-T, on or before the day that the tax return is due. No refund will be issued from a tentative return. Any amounts shown to be due on this form must be paid when the SC1120-T is filed. A penalty will be incurred for failure to pay at least ninety (90) percent of the total tax due by the original due date.

If no income tax or license fee is anticipated to be due, and the taxpayer has requested a federal extension of time to file a federal income tax return, the department will accept a copy of a properly filed federal extension if the corporate return is received within the time extended by the Internal Revenue Service.

A copy of the federal or South Carolina extension(s) must be attached to the return when filed. An additional extension may be requested by filing an additional federal extension or by letter to the Department. **Do not file a second SC1120-T.** If a date is not shown SC1120-T, the extension will be considered valid for only 180 days.

For consolidated return filers: File a **Single Tentative Return** and attach a schedule listing the corporations to be included in the return. The license fees are computed separately and then added. Fee cannot be less than $25 per taxpayer. **Failure to list members of the affiliated group may result in the group's inability to elect to file a consolidated return.** The license fee is not applicable to savings and loan associations or banks. A federal extension will be accepted if all corporations filing in South Carolina are included in one or more federal extensions.

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".
