Re: A & E Constructors/ Insurance

Sue, hopefully I have filled this application for insurance renewal out correctly. One area I am still confused with is the including of Arthur Vereen Const. as an additional insurer. This company has not entered into a contract or performed work for 3- 4 years. A&E has an unlimited General Contractor license and every contract we have performed since 2003 has been under A&E. I am concerned that due to the problems with Arthur Vereen Const. the incuding under the present insurance may confuse or muddy the situation.

I had asked James to insure only A&E and omit AVC. Should we look into this?

Also the reason our gross receipts are down from previous years is due to the fact we do not intend to build any condo's in the future. Our direction is in the direction of single family homes, remodeling, and light commercial buildings not to exceed two stories. We fully expect a reduction in our business during this transition but expect it to take off in about six months.

Any questions give me a call.

Wayne & Carrie **Re: Rewrite Offices**

As you know, both buildings on Robert Grissom Parkway are currently insured through Hartford (excluding wind) and ICAT (wind policy). Due to prior underwriting questions, ICAT had indicated they wouldn't renew, but we were able to get a quote after all. However, the wind premium alone was over $12,000, so I checked other markets for your insurance. We would propose the following:

1. Rewriting property and office premises liability with Lloyds of London, and cancelling the Hartford policy. Your property limits would be as we have recently discussed, and shown on the enclosed applications. Coverage would INCLUDE wind with a 5% wind deductible ($1,000 deductible for other perils). Liability limit is $1,000,000 and for office premises only. Your annual premium, including wind, would then be $7,208.

2. Your equipment that had been included on your Hartford policy would be added to your Hartford rental equipment policy for a premium of $2,422.

If you wish to proceed with the Lloyds policy, please review and complete the highlighted areas of the enclosed apps and terrorism form, signing where indicated. In order to bind coverage for the Lloyds policy, I need the signed forms with premium no later than October 30, 2006. Financing is available if you wish.

For the Hartford equipment, I would just need you to call and let me know to proceed with that rewrite as well.

I look forward to hearing back from you.

Sincerely,

Sue E. Ewald
