In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

In Case of Errors or Questions about Your Electronic Transfers

Telephone or write us at the telephone number or address below as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are not sure about and explain as clearly as you can why you believe there is an error or why you need information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account), we will credit your account the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation, which may take up to 45 days (90 days if the transfer involved a new account, a point of sale transaction or a foreign-initiated transfer).

In Case of Errors or Questions about Your Account Statement

Send your inquiry in writing on a separate sheet to the address shown below so that we receive it within 60 days after the statement was mailed to you. Your written inquiry must include the following:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error.
3. The dollar amount of the suspected error.

If you have authorized us to automatically charge your account, you can stop the payment on any amount you think is wrong by mailing your notice so that we receive it within 3 business days before the scheduled payment date. You remain obligated to pay the parts of your statement not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to any Account Statement error notice.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the number below to find out whether or not the deposit has been made.

Annual Fee Disclosure

If your account is subject to an Annual Fee, it will be billed to your billing statement. If you elect not to pay the Annual Fee, you have 30 days from the time the periodic statement is mailed to avoid paying the fee or to have the fee re-credited to your account if you terminate your credit availability under the account. To terminate your credit availability under the account, send a request in writing on a separate sheet to the address shown below.

Average Daily Balance Method (including current transactions)

We figure (a portion of) the finance charge on your account by applying the periodic rate to the "average daily balance" of your account (including current transactions.) To get the "average daily balance" we take the beginning balance of your account each day, add any new purchases/advances/loans, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".
