Re: Therese Emry v. Andrew M. Carpenter  
Appellate Case No. 2018-001040

Dear Ms. Encarnacion:

Our records reflect that the time for serving and filing the respondent's initial brief and designation of matter has expired. Within ten days of the date of this letter, you must file serve and file the respondent's initial brief and designation of matter, along with a motion requesting permission to serve and file the respondent's initial brief and designation of matter outside of the filing deadlines set by Rules 208 and 209 of the South Carolina Appellate Court Rules. Your respondent's brief will not be considered if no motion is made within ten days of the date of this letter.

Very truly yours,
