Petitioner Anthony Brooks' Appeals' the denial of the S9 E Motion to alter or amend judgment of summary judgment by Judge Letitia Verdin that ends the case attached. Petitioner does not have the order to state the date it was denied but believes it was received by him in the US Postal mail at McCormick upon information and belief October 20th 2018. Petitioner submits that his appeal is in within 30 days of receiving the denial and submits that the defendant in this case Charles Williams who is the warden now at McCormick Correctional has sent his staff to confiscate the Petitioner's documents to cease issue with the appeal by and through the direction of his counsel Samuel Arthur III and is the reason why Petitioner is unable to attach the order to this appeal.
