

The South Carolina Court of Appeals

Kevin C. Casey, Petitioner,

v.

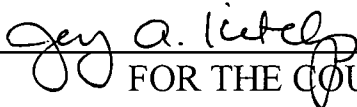

State of South Carolina, Respondent.

Appellate Case No. 2016-001686

ORDER

The State has moved for a remand of this matter to the circuit court for a new evidentiary hearing and the appointment of counsel for Petitioner. In lieu of a formal return, counsel for Petitioner advised this court by letter that Petitioner did not oppose the motion. Therefore, because the parties agree to the relief requested in the State's motion, the motion is granted.

Accordingly, we dispense with further briefing, vacate the order of the circuit court dismissing Petitioner's application for post-conviction relief, and remand this matter to the circuit court for a new evidentiary hearing and the appointment of counsel for Petitioner.
