Re: Your appeal

Dear Mr. Cribb:

Enclosed please find a copy of the Johnson Petition for Writ of Certiorari and a copy of the Appendix in your case, which I have filed with the South Carolina Supreme Court. The Court will write to you in the future eliciting any **written memorandum** you may want to submit for the Court's consideration of your appeal. That memorandum should be sent to the Supreme Court, and **not to me**. Please understand that the State does **not file a return** when a Johnson petition is filed. The petition to be relieved is a standard part of the Johnson procedure, it does not mean that I do not wish to represent you.

Please contact me if you have any questions.

Sincerely,

David Alexander
Appellate Defender

S.C. SUPREME COURT

Hello Your Honor,

I am the petitioner, Chadwich Cribb of, or in this matter. I am writing to you to give you a brief description of my current status and reason for asking for mercy and consideration in asking you to grant me the opportunity to have my 5yr. sentence to be ran concurrent with my 10yrs. sentence which I have been serving since March 10, 2015. Your Honor I do accept full responsibility for my wrong doings, I also do take into consideration that every man will be held accountable for his own actions. Since I've been incarcerated, I have taken some time to reflect on my previous way of thinking and living, as the honest man that I strive to become daily, I got the chance to look at all the damages my choices has cost me, but more so my family (my mother, my son, and my 6 grand-children. I also have a 15 year old son that my mother is raising because of my bad choices.

Your Honor since I have been incarcerated I have made my mind up to live my life as a better man; During my time of imprisonment I have not had any disciplinary write ups, I have not hung around negative people; Also my good behavior status has allowed me to become (Cont.)

The Vice-President on The Inmated
Representative Committee at Palmer-Pre
Release Center. In deed Sir, or Ma'am I
have learned several valuable lessons that
pertain to living life as a decent, pro-
fessional and productive man over the
years. Today my honor, integrity, and
reputation as the good man matter's
to me. My greatest concern here is
to be as any other person whom may
have made mistakes in life, we ask
for mercy. Your Honor I am asking
you to please take into consideration
running my sentence's concurrent
and granting me the opportunity
to continue on in my journey to
becoming a better man.

I gladly thank you
sincerely, yours truly,
Chadwick Cribb.
