RE: Pamela Cartee v. SCJD (Preston F. McDaniel)
Appellate Case No. 2018-001234

Dear Ms. Allen:

I hope this finds you doing well and looking forward to a Happy Thanksgiving.

In reference to the Initial Appellant's Brief and Designation of Matter, I assume that pursuant to the Court Rules since we have filed a Motion to Dismiss that that stays further action on the case pending a Return and decision on the Motion. We will therefore not be filing an Initial Brief and Designation of Matter at this time unless advised otherwise.

Also, I would appreciate a brief note to that effect and barring a favorable decision dismissing our Appeal without prejudice as being premature for a lack of jurisdiction, I would appreciate a brief note as to what the briefing schedule would be after a decision on the Motion to Dismiss again, assuming that the Appeal is not dismissed without prejudice.

We are coming into the Holiday Season. I do all of my research and briefing and I do not want to place anybody in a bind over the Holiday Season as it is a time that many lawyers and courts try to limit their schedules so that we can spend time with our family and friends.

I look forward to hearing from you and again I hope you have a Happy Thanksgiving and as always, I appreciate all of the courtesies and kindnesses shown to me by the Court.

Sincerely yours,
