SC Court of Appeals

I am asking that the court reconsider my request to waive the filing fee. At this time, I do not have any income and receive public assistance. I cannot pay this filing fee for a case that was presented to the right court, yet for some reason strange the court that issued an erroneous dismissal is stating it does not have the jurisdiction to correct its erroneous ruling. Further the issue of defective service was presented in the previous appeal that was ignored by this court.

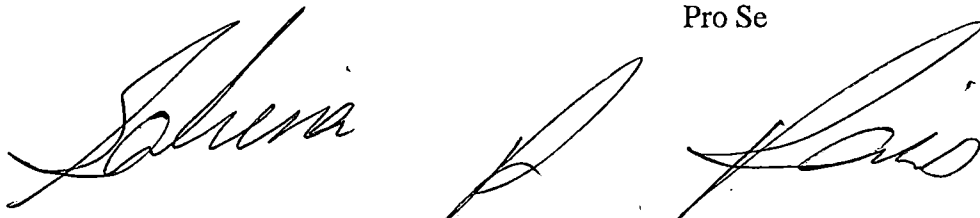

Due process and equal protection is guaranteed to all in the judicial system, but that was not the service I received in 2014 for case# 2014-001867. I would like to request a refund and have it applied to the current case with the hopes that this time the law and justice will prevail.

Respectfully submitted

Sabrina D Davis
