Re: Margaret Carr v. TW Graham and Company LLC
Appellate Case No. 2018-001738

Dear Counsel:

Upon reviewing your respondent's initial brief and designation of matter, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or your respondent's initial brief and designation of matter will not be considered:

- The document has not been timely filed. A motion to allow the late filing will have to be made. The appellant's initial brief and designation of matter were served on October 9, 2018, making the respondent's initial brief and designation of matter due to be served and filed by November 8, 2018.
- We have received a motion for an extension of 10 days with no fee attached and no proof of service. We are returning the motion to you.

- Please provide a motion to file out of time and the required \$50.00 motion fee. (If you have already mailed the motion fee for the extension request we will apply that motion fee to the motion to file out of time.)
- You must include Co-counsel Joshua Timothy Howle, Esquire's attorney information on the respondent's final brief.

Very truly yours,

A handwritten signature in cursive script, appearing to read "J. A. L. Howle".
