Dr. Chief Beatty

This is Edward Anthony and I'm writing you at this time, to show you my burden of proof. The prosecutor has used illegal obtained evidence against me on April 14-15, 2015. If there was no evidence on March 16, 2014, like the police report states. On May 21, 2014, the police officer returned back to obtain the evidence that has the time and date of May. At 1900 hours obtained the video of 3 discs and a store receipt. In turned the evidence in to the police department at 2100 hours. Chief Justice here is my proof that I have been deprived of my life.

The Fourth Amendment, Fifth Amendment, Eighth Amendment, 13th amendment, and the 14th amendment to the constitution of the United States have been violated. Solicitor **Jeffrey Slocum** of Aiken, **South Carolina**, prosecuted my case. In used the illegal evidence at trial that judge Lawton McIntosh overruled to the month of April 2015 at my trial.

Now every time I tell the attorneys and show them my proof from my trial transcript. They talk about a prior time, but if there was no evidence the case lacked probable cause to arrest. When there was no evidence looking at the pat-down search on the inside of the store to say, I committed the alleged crime of shoplifting. The chain of custody is proof, one the store receipt is not on the paper work as you can see and the other thing is when the cop entered the evidence in to the police department is different.

So now you see my proof can you please look at my case that is coming up? Because my conviction is VOID.

Please in thank you

Edward Anthony
