ORDER DENYING DEFENDANTS'
MOTION TO ALTER OR AMEND
JUDGMENT

RECEIVED

NOV 30 2018

SC Court of Appeals

THIS MATTER comes before the Court on Defendants' Motion to Alter or Amend Judgment, pursuant to Rule 59(e), SCRCP.

Having considered its original Order, the relevant law, and the memorandum of Defendants pursuant to SCRCP 59(f), the Court is not persuaded that it made any errors of law in its original ruling, or that the law or circumstances surrounding the case have changed over the past several weeks. To briefly address Defendants' arguments, most of the issues outlined in the motion were raised at the hearing and initially considered by the Court; however, these items were not addressed in the Order because the Court found no merit to those arguments, many of which amounted to mere allegations with no evidentiary basis. The Court would further note that Mrs. Porter's involvement in this matter had no impact on or relevance to the underlying foreclosure; therefore, her very limited involvement as a notary and as an agent of the Plaintiff at the judicial sale of the property was not improper and would not necessitate the recusal of Special Referee Porter. Finally, whether or not to take judicial notice of a fact lies within the discretion of the Court, and the Court did not find it necessary to take judicial notice of the items Defendants raised in their motion.

Therefore, Defendant's Motion to Alter or Amend is respectfully DENIED.
