Court of Appeal

To whom may this letter may be given to at the Court of Appeal, I had a recent conversation with my attorney at the South Carolina Division of Appellate Defense on whether to drop the direct appeal or go with filing a Post-conviction Relief. I consented with my attorney that we would continue with the direct Appeal on November 20 2018 phone call. I do not wish to drop this direct Appeal or move forward with a Post-conviction Relief. I would whether wait an continue with the direct Appeal until the final decision is made by the court of Appeal I misunderstood some of the whereabouts with my Direct appeal on certain occasion but if thing does not goes as or with the Appellate Defense conclusion then I'll go forward with filing a Post conviction Relief. I have written to the South Carolina Division of Appellate Defense Attorney the same letter that I am writing to you with such appreciation and with such Thanks.
