Dear Ms. Kitchings,

Thank you for responding to my letter about getting the pictures of the truck. Unfortunately the time frame you gave me to complete this task could not be fulfilled due to the lack of me receiving your letter/information sent to me in a timely manner. I just received your letter on Friday 16, 2018 that you wrote and sent on 11-8-18. This is 8 days afterwards. As I said before in Greenville County Detention Center, they move on their own time frame. There's no telling how long it will take to get a notary public to sign the proof of service. Also this letter as to me receiving on the date stated above (11-16-18). In this letter will be a proof of service stating that a copy of the request of pictures of the truck be take inside/outside also. I will also ask that 2006 Ford F-350 be accessable for trial in my criminal case do to it being evidence in the case. Also that it (truck F-350) be taped off as a evidence would be sealed off to protect the contents inside of vehicle (that they are not stolen out of vehicle). Being there wasn't done a proper inventory don't of the ~~find~~ things in the Ford F-350 truck at time of arrest. Thank You. I also hear that there is a booklet or packet that my help me with this appeal process (copy of forms, etc.). Please send me one as this detention center has not law form to help me file pros properly. Thank You once again!

Yours Truly,

David Green Jr.

Dear Appellate Court,

I writing to have a order put in for the Ford F-350 truck / vehicle as evidence in a criminal case be available for the process of pictures to be taken "inside and outside". As this pictures go to show the truths of the arresting Deputy. As other cases has arised that his accounts of untruthfulness has come forth. This acts are shown in dash cam videos, reports and his testimony / testimonies stated. I would also ask that the vehicle be accessible for my criminal case as evidence, because it's part of evidence in a criminal case. Ask that truck (Ford F-350) be sealed up after a inventory is done of the things that are inside the vehicle that nothing ~~is~~ inside is stolen out of the truck. A proper inventory was not done after arrest was made be Greenville Co. Sheriff's Deputy Cannon. These request was made, before the forfeiture was done, but do to a infective counsels (2) of them "Public Defender Chris Grubbs and paid lawyer W. Benjamin McClaim # Bar 003740 (who I # have a filing on with the Bar do to him not performing the task needed on my case)". Also which a relieve and release motion has been in ~~since~~ since 7/2018. Trial was put on hold until when I don't know. They give no date of court until that month or week before "if attorney's you know". Thank You for your consideration. Again I don't have the proper resources to write and file every thing needed ~~correct~~ correctly.

Yours Truly

Respectfully Submitted,

David Green.
