**SC Court of Appeals**

Re: Miriam H. Samuel V. Lynne N. Johnson  
Appellate Case No.: 2017-002289

Dear Judge Kitchings:

I am informing you of a very unfortunate situation that occurred to me during the preparation of my Designation of Matter to be Included in the Record on Appeal and the Initial Brief.

My computer was hijacked, therefore, I had to turn in a very bad initial brief. It had a lot of repetitive information and a lack of correct formatting. On my laptop, I had three different versions of the Initial Brief and The Designation of Matter to be Included in the Record on Appeal. This led to one reason of asking for an extension. This has led me to submit an incorrect page of The Designation of Matter.

The last page did not have the information I needed. In the area of Transcript of Proceeding, Request to Change, I intended for the jury's verdict to change, along with awarding actual damages and punitive damages.

Appellant's Exhibits should have included the following:

- the Itemized Statement of bills with the total cost from Blue Cross, Blue Shield Subrogation Statements.
- Lynne Johnson's (the defendant) ten-year driving record;
- police report citation;
- the traffic ticket she received from the accident on February 5, 2011 the ticket was giving to her on February 6, 2017
- the best evidence of original photographs of the scene.

I am requesting permission to correct these cosmetic errors in the Initial Brief, as well as permission to submit to the Court the last page of the Designation of Matter to be Included in the Record on Appeal.

Sincerely yours,

Miriam H. Samuel/s/
