Date/Time of Hearing:	**Monday, September 21, 2015, 1:30 p.m.**
Presiding Judge:	**Hon. Marvin H. Dukes, III**
Certified Court Reporter:	**Ceil Weser**
Plaintiffs' Counsel:	**Wm. Weston J. Newton, Esq.; Michael W. Mogil, Esq. F. Ward Borden, Esq.**
Defendant's Counsel:	**M. Dawes Cooke, Jr., Esq. and Michael Barfield, Esq.**

This matter came before me on the 21st day of September, 2015 at 1:30 p.m. on Plaintiff's Motion for Partial Summary Judgment (hereinafter "Plaintiff's Motion"), the Affidavit of William J. Eisenman in Support of Motion for Partial Summary Judgment (hereinafter "Eisenman Affidavit"), and Plaintiff's Memorandum of Points and Authorities in Support of Motion for Partial Summary Judgment (hereinafter "Plaintiff's Memo"), at which time counsel for the respective parties presented oral arguments to the Court on the referenced motion and associated documents.

Having reviewed the pleadings, the evidence presented and considered the arguments of counsel, I find there to be, pursuant to Rule 56, South Carolina Rules of Civil Procedure and other applicable law, no genuine issues of material fact as to the relief considered and to be granted, and that partial summary judgment is merited as a matter of law. Accordingly, Plaintiff's Motion for Partial Summary Judgment is granted in part as follows:

a) There is no restrictive covenant that is controlling to, conflicts with, or prohibits Plaintiff from making improvements on the property of the Regime; any claim of the Defendant of a right to improve the 7.64-acre Regime is non-exclusive and is expressly limited to improvements "pertaining to The Edgewater on Broad Creek Horizontal Property Regime";

b) Plaintiff may construct a swimming pool and/or other common or recreational amenities on the common elements of the Regime, subject to the land use requirements imposed by the Town of Hilton Head Island Land Management Ordinance, but free from any prior approval or veto by the Defendant;

c) Plaintiff has the right to construct improvements on the unimproved portions of common elements of the Regime, to wit, the Plaintiff may construct or build upon, use, sell or encumber its remaining common elements subject to the land use requirements imposed by the Town of Hilton Head Island Land Management Ordinance, but free from any prior approval or veto by the Defendant;

d) Any claim of the Defendant as successor to the Declarant of a right to use the existing Clubhouse as a sales office is extinguished;

e) Any claim of the Defendant as successor to the Declarant of rights to relocate the Association's ingress and egress to Marshland Road, being located within the 7-64-acre Regime, is extinguished.

Findings Of Fact

1. Any Finding of Fact that should be more properly designated as a Conclusion of Law is so relabeled and any Conclusion of Law that might need to be a Finding of Fact is so amended in order to allow for the efficient implementation of these results.

2. This Court has jurisdiction of the parties before it, and over the subject matter raised in this case.

3. Plaintiff is a South Carolina non-profit corporation created by recordation with the S.C. Secretary of State on September 16, 2002 of Articles of Incorporation.[1] Plaintiff is the business entity established to be the incorporated "council of co-owners"[2] of Edgewater on Broad Creek Horizontal Property Regime (hereinafter "Regime"). The "declarant" of the Regime was Broad Creek Edgewater, L.P., a South Carolina limited partnership. The Regime came into existence by recordation of a Master Deed dated December 19, 2002 which, with exhibits, was recorded on December 31, 2002, in the Office of the Beaufort County Register of Deeds in Book 1689 at Page 0574.[3]

4. Phase I of the Regime consists of 7.64 acres. Construction of 23 units in addition to common elements associated therewith occurred. An additional 16.01 adjacent acres were designated to possibly be added/"phased into" the Regime ("Additional Land"). (Plaintiff's Memo, Exhibit 2, Exhibit A-1 therein)

5. As initially described, the Regime, were it to have included all Additional Land, would have had a maximum of 147 units, plus multiple amenities. (Plaintiff's Memo, Exhibit 2, Section 6(b)(1)) Pursuant to the Master Deed, the declarant had until December 31, 2010 to

submit Additional Land to the Regime. (Plaintiff's Memo, Exhibit 2, Section 6(b)(2)) Neither the Declarant, nor its successor Defendant Ephesian Ventures, LLC, added Additional Land to the initial 7.64-acre Regime in the time allotted in the Master Deed.[4]

6. By October 2006, all 23 units of Phase I of the Regime, which together with common elements constituted the entire Regime to that time, had been conveyed to *bona fide* purchasers for value.[5] Moreover, a court of competent jurisdiction on or about October 31, 2006, ruled, without limit, that a board of directors had been elected to, with its appointed officers, operate Plaintiff Association to the extent of the 7.64 acres then constituting the Regime.[6]

7. Creditors caused filing of an Involuntary Petition putting Declarant Broad Creek Edgewater, L.P. into Chapter 7 bankruptcy on or about May 9, 2007 in the United States Bankruptcy Court, District of South Carolina. That Court, by Order entered May 28, 2008, approved the Chapter 7 Trustee's proposal to sell the 16.01 acres ("Edgewater Property") owned by the debtor to "Bear Properties, LLC, a Georgia Limited Liability Company, or its assigns (the Buyer)."[7]

8. Subsequently, the Chapter 7 Trustee entered with others into a "Bill of Sale and Instrument of Assignment and Assumption."[8] According to the recitals of the Bill of Sale and Instrument of Assignment and Assumption, Bear Properties, LLC entered into an Agreement of Purchase and Sale of Real Property dated May 6, 2008 and assigned all rights and interests in the Agreement to Appian Visions, LLC, a Georgia limited liability company. Appian Visions, LLC, according to the referenced recitals, assigned all of its rights and interests in the Agreement to the Defendant in this case, Ephesian Ventures, LLC, a Nevada limited liability company. (Plaintiff's Memo, Exhibit 6, Page 1) The Chapter 7 Trustee subsequently executed a Quit Claim Deed to Ephesian Ventures, LLC.[9] In addition to the 16.01 acres of property adjacent to, but never added to the Regime, the Bill of Sale and the Quit Claim Deed purported to transfer to Defendant Ephesian Ventures, LLC certain Declarant rights formerly held by Declarant Broad Creek Edgewater, L.P.

[4] The declarant Broad Creek Edgewater, L.P. only submitted the 7.64 acres of Phase I to the Regime.

[8] A true copy of the Bill of Sale and Instrument of Assignment and Assumption is attached and incorporated into Plaintiff's Memo as Exhibit 6.
[9] A certified copy of the Quit Claim Deed is attached and incorporated into Plaintiff's Memo as Exhibit 7.

9. As described in paragraphs 6 through 9 of Plaintiff's Complaint, a swimming pool had been constructed entirely upon part of the 16.01 acres to which Defendant Ephesian Ventures, LLC had become owner.

10. When Plaintiff began undertaking changes and improvements to the 7.64-acre Regime, disagreements with Defendant arose. In rough chronological order, Plaintiff, Defendant Ephesian Ventures, LLC and the Town of Hilton Head Island played out, without limit, the following events.

• March 2010 – Plaintiff sought a pool permit to construct on Regime (7.64 acres) common elements a swimming pool, and the Design Review Board for the Town of Hilton Head Island approved the proposal after an April 2010 merits hearing.[10]

• Plaintiff began constructing a tabby walk without permit and was stopped by the Town of Hilton Head Island.

• April 12, 2010 – Plaintiff submitted an XDPR permit application for tabby walk.[11]

• April 15, 2010 – The Town of Hilton Head Island issued a Notice of Action (approval) for sidewalk (tabby walk).[12]

• April 15, 2010 – Letter of Defendant Ephesian Ventures, LLC, by counsel, informed Nicole Dixon of the Town of Hilton Head Island that in addition to specific records relating to the Plaintiff, that Defendant desired "receiving copies of any applications submitted by the Edgewater HOA [Plaintiff] with respect to the sidewalk or other pathway installation which is underway last week, which we understand has been stopped by the Town."[13]

• April 20, 2010 – E-mail from Nicole Dixon to counsel for Ephesian Ventures, LLC informing that an applicant for the Plaintiff came in and got an XDPR for the tabby walk last week and it was approved and work completed. Ms. Dixon also said that when Plaintiff came in for the "DPR" for the pool, she would let Defendant's counsel know.[14]

• April 28, 2010 – Ephesian Ventures, LLC, by letter of its counsel demanded that the Notice of Action issued for the tabby walk be rescinded. It appears that only a portion of the statutory authority for the request was excerpted. Defendant also sought, without hearing, a rescission based upon Plaintiff allegedly having misrepresented itself concerning restrictive covenants in a manner violating the S.C. Code § 6-29-1145(B)(3) (1976 as amended)[15]

[15] A true copy of the April 28, 2010 letter of Defendant's counsel [unsigned] is attached and incorporated in Plaintiff's Memo as Exhibit 13.

• April 30, 2010 – Town of Hilton Head Island notified the Plaintiff its Notice of Action for the tabby walk was rescinded.[16]

• May 17, 2010 – Plaintiff appealed the rescission of the Notice of Action by the Town of Hilton Head Island.[17]

• June 25, 2010 – The Town of Hilton Head Island issued a letter which stated that granting Ephesian Ventures, LLC its requested relief of rescission of Plaintiff's Notice of Action had been error, since making a finding of a misrepresentation about a restrictive covenant required a public hearing to make such a finding. The Town determined to hold the April 30, 2010 Notice of Action in abeyance until the covenant issue was resolved.[18]

• July 8, 2010 – Ephesian Ventures, LLC wrote a letter to Town of Hilton Head Island official Teri B. Lewis informing her it was her duty to rescind Plaintiff's Notice of Action.[19]

• July 9, 2010 – Ephesian Ventures, LLC filed an appeal to the Planning Commission.

• July 26, 2010 – Teri B. Lewis of the Town of Hilton Head Island, by letter, informed Ephesian Ventures, LLC that she would not grant relief it requested without resolution of the covenant issue.

• August 9, 2010 – Ephesian Ventures, LLC appealed to the Board of Zoning Appeals and the Planning Commission.[20]

• August 19, 2010 – Teri B. Lewis decided that the Planning Commission was not the correct body to hear the Ephesian Ventures, LLC appeal.[21]

• September 7, 2010 – Ephesian Ventures, LLC appealed the latest ruling of Teri B. Lewis to the Board of Zoning Appeals and the Planning Commission for the Town of Hilton Head Island.

• September 8, 2010 – Teri B. Lewis decided that the Planning Commission was not the correct body to hear the Ephesian Ventures, LLC appeal.

• March 24, 2011 – Town of Hilton Head Island, by counsel, opined to the Board of Zoning Appeals that rescission by a Town official of Plaintiff's XDPR prior to resolution of the covenants issue would be error.[22]

• September 21, 2015 – There are four separate pending appeals by Ephesian Ventures, LLC with the Town of Hilton Head Island opposing a shell walkway and a small swimming pool proposed for the 7.64 acres owned by Plaintiff. Given the four referenced pending appeals at the Town of Hilton Head Island, the parties came to be before this Court now because of tolling on hearing the appeals at the Town of Hilton Head Island until this Court had made a determination on the existence and applicability of restrictive covenants being referenced.

11. In appeals by Defendant Ephesian Ventures, LLC to the Town of Hilton Head Island Board of Zoning Appeals, and the Planning Commission, the Defendant did not articulate specifics regarding how the Plaintiff's added sidewalk and/or Notice of Action for same, tangibly conflicted with a right or easement held by the Defendant.[23] The Defendant did not in writing assert that its easements or rights over the 7.64-acre Regime are exclusive.

12. The unit owners comprising Plaintiff Association were comparatively passive observers to the events that caused their neighbor to be Defendant Ephesian Ventures, LLC, and bear little if any responsibility for the basic circumstances. Ephesian Ventures, LLC was conveyed title to 16.01 acres and was assigned certain rights – said assignment being subject to existing vested rights of others and to the laws of the State of South Carolina. No one waived their rights simply because Defendant was assigned rights.

13. A review of the Master Deed of the Regime shows that: (a) the Regime is a horizontal property regime consisting of 7.64 acres in which there are 23 condominium units and common elements appurtenant thereto which were part of the conveyancing of the fee simple title to the units; (b) the common elements within the 7.64-acre Regime is owned *pro rata* as tenancy in common by the unit owners; (c) the time for a Declarant or the Defendant as assignee to Declarant rights to add land to the Regime thereby potentially diluting the interest of unit owners in common elements expired on December 31, 2010, and no such power remains for the declarant or the Defendant; (d) easements held by the Declarant and/or Defendant, with minor exception, are not held for exclusive use; and (e) some provisions of the Master Deed could be deemed to conflict with public policy.

14. While inquiring of its right to file a written response to the motion, affidavit and memorandum submitted by the Plaintiff, and having been granted the opportunity, the Defendant did not submit written opposition to Plaintiff's submissions now considered.

---

[22] Attached hereto and incorporated herein as Exhibit 20 of Plaintiff's Memo is a true copy of a March 24, 2011 Memorandum of Curtis L. Coltrane, of Alford, Wilkins & Coltrane, L.L.C., for the Town of Hilton Head Island, opining that under § 16-3-310, Code of the Town of Hilton Head Island (1983 as amended) the disputed covenant issue between Plaintiff and Defendant would, without limit, need to be resolved by declaratory judgment action brought in Circuit Court.

[23] Attached and incorporated in Plaintiff's Memo as Exhibit 21 is the Affidavit of William Eisenman.

Conclusions of Law

1. Plaintiff Association has made its Motion for Partial Summary Judgment pursuant to Rule 56, South Carolina Rules of Civil Procedure, and other applicable law, seeking a declaratory judgment. Law applicable to Plaintiff's request for relief includes the following. Rule 56 states in relevant part as follows:

> **(c) Motions and Proceedings Thereon.** ... The judgment sought shall be rendered forthwith *if the pleadings, depositions, answers to interrogatories, and admissions on file, together with the affidavits, if any, show that there is no genuine issue as to any material fact and that the moving party is entitled to a judgment as a matter of law*. A summary judgment, interlocutory in character, may be rendered on the issue of liability alone although there is a genuine issue as to the amount of damages.
>
> * * *
>
> **(e) Form of Affidavits; Further Testimony; Defense Required.** Supporting and *opposing affidavits shall be made on personal knowledge, shall set forth such facts as would be admissible in evidence*, and shall show affirmatively that the affiant is competent to testify to the matters stated therein. Sworn or certified copies of all papers or parts thereof referred to in an affidavit shall be attached thereto or served therewith. ... When a motion for summary judgment is made and supported as provided in this rule, an adverse party may not rest upon the mere allegations or denials of his pleading, but his response, *by affidavits or as otherwise provided in this rule, must set forth specific facts showing that there is a genuine issue for trial.* If he does not so respond, summary judgment, if appropriate, shall be entered against him. Rule 56(c) and (e), SCRCP (2014). (emphasis added)

2. In applying Rule 56, SCRCP, the Court must view the facts and inferences therefrom in the light most favorable to the nonmoving party. However, a party opposing a properly supported motion for summary judgment may not rest on the mere allegations or denials of his pleading. "'When determining if any triable issues of fact exist, the evidence and all reasonable inferences must be viewed in the light most favorable to the non-moving party." Turner v. Milliman, 392 S.C. 116, 122, 708 S.E.2d 766, 769 (2011), *quoting*, Fleming v. Rose, 350 S.C. 488, 493, 567 S.E.2d 857, 860 (2002). "In order to withstand a motion for summary judgment in cases applying the preponderance of the evidence burden of proof, the non-moving party is only required to submit a mere scintilla of evidence. ... In cases requiring a heightened burden of proof, the non-moving party must submit more than a mere scintilla of evidence to withstand a motion for summary judgment." Id., *citing*, Hancock v. Mid-South Management Co., Inc., 381 S.C. 326, 330-331, 673 S.E.2d 801, 803 (2009). Here, Defendant has submitted no evidence to avoid summary judgment.

3. Plaintiff has sought the approval of Town of Hilton Head Island authorities to build a swimming pool on a common element portion of the 7.64-acre Regime, and with a Notice of Action to an XDPR application that was briefly rescinded, to also build a tabby walk, again on common elements of the 7.64-acre Regime. Defendant has administratively opposed each. (Plaintiff's Memo, Exhibits 11, 13, 18 and 21) In this lawsuit, among other things, Defendant argues in defenses an alleged lack of standing of Plaintiff. (*See*, Paragraph 34 of Defendant's Answer and Counterclaims)

Upon best information, Defendant references Article VII, Section 15 of the Regime Bylaws, which are Exhibit D to the Master Deed attached as Exhibit 2 to Plaintiff's Memo as support for its position that the Plaintiff lacks standing to maintain this action without prior approval of its owners. First, by Court Order of October 31, 2006, the viability of a unit owner-constituted Board of Directors was recognized for administering Plaintiff Association. Second, Exhibit 21 of Plaintiff's Memo, the Affidavit of William Eisenman, makes clear that the Article VII, Section 15 member approval requirement was revoked after January 1, 2010 by the Board of Directors, as permitted. For the reasons stated, the standing argument of Defendant has no merit.

4. There is no basis to "turn back the clock" on the decision of Declarant Broad Creek Edgewater, L.P. to submit the 7.64-acre Phase I to the S.C. Horizontal Property Act. Accordingly, the Regime property's purpose and its density remain unchanged from that initially decided upon and marketed. As a *developer* on December 31, 2002, Declarant Broad Creek Edgewater, L.P. took *development action* of creating The Edgewater at Broad Creek Horizontal Property Regime by causing at that time the recording in the Office of the Beaufort County Register of Deeds a Master Deed prepared for the most part in accordance with the Act. Broad Creek Edgewater, L.P. was thus a developer and Declarant. That Master Deed dedicated 7.64 acres at that time to the Act. Before *Defendant* ever received an instrument assigning it property, rights or easements, the units together with appurtenant common elements of the 7.64 acres submitted to the Act had been conveyed for value to *bona fide* purchasers.

In paragraph 56 of its Answer and Counterclaim, Defendant claims not only to be assignee of separate and distinct developer rights versus Declarant rights, but seems to imply that since development rights preceded Declarant rights, that Defendant possesses some power that purportedly *relates back* to pre-condominium days; despite the fact that no such reservation of rights existed at the time of submission of the 7.64 acres to the Act, and the conveyance of units to *bona fide* purchasers.

An assignee such as the Defendant generally can obtain no more than that held by the assignor. "Whether Washington's role in the present litigation is that of assignee or equitable subrogee is, we think, relatively unimportant. In either event Washington stands in the shoes of the receiver, who in turn stood in the shoes of Hamlet. If Washington be regarded as an assignee, it can, by virtue of code section 10-706, have no higher right against Kirkland than did Hamlet." W.M. Kirkland, Inc. v. Providence Washington Insurance Co., 264 S.C. 573, 579, 216 S.E.2d 518, 520-521 (1975). "An assignee of a chose in action can claim no higher rights than his assignor had at the time of the assignment." Singletary v. Aetna Casualty & Surety Co., 316 S.C. 199, 202, 447 S.E.2d 869, 870 (Ct. App. 1994).

In looking at an assignment of development rights, the appellate court in Cullen v. McNeal, 390 S.C. 470, 702 S.E.2d 378 (Ct. App. 2010), was guided largely by the applicable "Declarations," i.e., a document equivalent to the Master Deed here. The court approvingly noted the ruling of the circuit court, stating in part, "§ 1.12 of the Declarations provides for a successor-in-title or successor-in-interest to the Developer of Wright's Point. ... In June 2007, Anthony Porter and Jimmy Porter assigned their development rights in Wright's Point to McNeal Partnership, L.P. ... The circuit court noted the conveyance met the requirements of § 1.12 by expressly identifying Anthony Porter and Jimmy Porter 'collectively as developer.'" Id. at 486, 702 S.E.2d at 386.

Unlike the Cullen case, *supra.*, in this case the "Phase I" referenced is Phase I of a horizontal property regime, a creature of statute unlike the Cullen phased development (Wright's Point). "The term *condominium* refers to *a form of ownership* in which a buyer owns a *unit* with an additional ownership interest in the development 'common property'. (In common parlance, however, ... a condominium is a 'thing' that is sold to individuals.) This unit may be an air space or a platted lot." Wayne S. Hyatt, Condominium and Homeowner Association Practice: Community Association Law, 3rd Edition, § 1.06(a)(1), pp. 13-14 (2000).

Accordingly, any assigned developer interest of Ephesian Ventures, LLC in Phase I property is subject to the Master Deed and the Act. Cullen. Any interest claimed by Ephesian Ventures, LLC in the Phase I property, regardless of origin, must have been reserved prior to submission of the 7.64 acres to the Act, and conveyance to individual owners. While under the Master Deed at Section 6(b)(2), certain Additional Land could be added to the Regime, those rights expired on December 31, 2010. Whatever its assigned rights, Defendant acquired them in May 2008, and took no action thereafter, to submit any Additional Land to the Regime.

5. With respect to rights and easements concerning the 7.64-acre Regime, Defendant asserts a pre-emptive capacity to approve or disapprove, in advance, actions

undertaken by the Plaintiff to improve common elements of the Regime. Defendant's rights and easements as to the 7.64-acre Regime are, with a single exception[24], shared with Plaintiff and not exclusive. Defendant does not possess veto power over actions of Plaintiff. If Defendant claims that a right or easement it possesses in the 7.64-acre Regime has been violated by the Plaintiff, it must show with particularity the encroachment or injury to its rights. Defendant merely having rights and easements in the Regime does not make acts of Plaintiff presumptively injurious to Defendant. Further, Defendant's assertion of a statutory obligation (S.C. Code § 6-29-1145) to notify the Town of restrictive covenants is a misrepresentation of that statute. While Defendant has asserted, based upon its rights and easements, that Plaintiff must get permission to undertake improvements, Defendant has no basis for objection unless a right is being expressly violated and/or an easement encroached.

The Master Deed, the Quit Claim Deed to the Defendant of 16.01 acres plus other identified rights, the Bill of Sale and Instrument of Assignment and Assumption of which Defendant is a party, and the U.S. Bankruptcy Court Order entered May 28, 2008 all contain reference to reservations, rights and easements pertaining to Broad Creek Edgewater, L.P., as well as to development rights of Broad Creek Edgewater, L.P. As stated in the Master Deed, the reservations, rights and easements are the following:

> **Master Deed, Exhibit A, pp. 38-39**
>
> **1. The right of ingress and egress unto the Declarant herein, its successors, assigns, and Grantees.**
>
> **2. The right of ingress and egress over and across all roads and walkways within the said Phase I Property shown on the above-described plat of Edgewater on Broad Creek.**
>
> **Said reservation being unto the Declarant herein, its successors and assigns and Grantees; said reserved easement expressly for, but not limited to, the purpose of construction and all construction related activities on the Phase I Property and on the Additional Property described at Exhibit "A-1".**
>
> **3, [Further save and except from the above described property] title to the ownership of all water and sewer lines located on said Parcels or hereafter installed thereon, together with all pipes, pumps, pumping stations, or other equipment or facilities located thereon, together with an easement to such lines, equipment or facilities to allow for the maintenance repair or replacement of such lines, facilities or equipment or for the purpose of installing additional lines, equipment or facilities thereon from time to time.**

[24] Plaintiff's Memo, Exhibit 2, Page 38 states, "title to the ownership of all water and sewer lines located on said Parcels, or hereafter installed thereon, together with all pipes, pumps, pumping stations, or other equipment or facilities located thereon, together with an easement to such lines... ."

4. The Declarant expressly reserves the right to improve the aforementioned property by clearing, tree pruning, constructing additional parking and common facilities, including, but not necessarily limited to recreational facilities, lagoons, and the like, pertaining to The Edgewater on Broad Creek Horizontal Property Regime.

5. Declarant expressly reserves the right to install lines, equipment and facilities for utility and drainage purposes and to grant easements over the property for the installation of additional lines, equipment or facilities for utility and drainage purposes from time to time.

Additionally, the Declarant reserved the right to "Phase In" additional property as subsequent phases described in Exhibit A-1 to the Master Deed; however, such rights expressly expired on December 31, 2010. (*See*, Master Deed, Section 6(b))

Furthermore, the reservation for the Declarant to utilize the Phase I Clubhouse as a sales office has expired as a consequence of Phase In.[25] Also, any claim of the Declarant and/or the Defendant (as successor to the Declarant) to relocate the Association's ingress and egress to Marshland Road, being within the 7.64-acre Regime, is extinguished.

Of the above rights and easements, exclusive ownership and/or control only apply to that described in the paragraph numbered 3.

Plaintiff has sought in its motion the right to engage in certain activities on its own land and confirmation that certain claims of Defendant have expired: to-wit

a) Plaintiff may construct a swimming pool and other common or recreational amenities on its land, subject to the land use requirements imposed by the Town of Hilton Head Island Land Management Ordinance, but free from interference, supervision or veto by the Defendant;

b) Plaintiff has the right to construct improvements on the unimproved portions of common elements of the Regime, to wit, the Plaintiff may construct or build upon, use, sell or encumber its remaining common elements subject to the land use requirements imposed by the Town of Hilton Head Island Land Management Ordinance, but free from any prior approval or veto by the Defendant;

c) The Defendant's claim as successor to the Declarant of rights to use the existing Clubhouse as a sales office has extinguished;

---

[25] As the Master Deed, Section 6(b)(2) provides that the period to elect to add phases to the horizontal property regime expires on December 31, 2010; there was no determination to add property to the Regime beyond Phase I by the "Phase In" date; and as of the Phase In date all Phase I lots had been sold (*see*, Plaintiff's Memo, Exhibit 3); it follows that there is no purpose for a sales office in the Clubhouse beyond December 31, 2010.

d) The Defendant's claim as successor to the Declarant of the right to relocate the Association's ingress and egress to Marshland Road, being within the 7.64-acre Regime, is extinguished; and

Notwithstanding Defendant's substantially non-exclusive rights and easements to the Regime, it asserts that the following provision of the Master Deed is a basis for Defendant to pre-empt Plaintiff acts and to exercise veto power over improvements planned by the Plaintiff:

> **"(9) Any additional amenities or recreational facilities, which may or may not be in the additional Phases, are solely at the option of Declarant. The description in any sales or promotion literature of Declarant of any potential additional amenities or recreational facilities shall not, of itself, oblige the Declarant to construct such or to convey them to the Regime as Common Elements." Master Deed, § 6(b)(9). (Emphasis added)**

The Defendant's reliance on Master Deed § 6(b)(9) for authority over the Plaintiff is misplaced. In the above-quoted provision, the Declarant reserved its discretion as to what, if any, additional amenities might be built by it. The Declarant essentially left itself a way out of any amenity shown in any sales or promotional literature, by disclaiming any obligation to so construct such an amenity. Furthermore, nothing in the referenced provision provides the Declarant or assignee Defendant the exclusive right to construct, approve, authorize, interfere with, supervise or veto amenities in Phase I. In fact, the Bylaws at Article IV, § 3 and Article VII, §7 expressly charge the Board of Directors of the Plaintiff Association to be responsible for repairs, additions, improvements to or alterations of Regime common elements.

Moreover, Master Deed § 6(b)(9) refers to the *additional* Phases. It does not mention Phase I, and its plain meaning would not include Phase I. That is the only Declarant right assigned to the Defendant in that section.

"'Restrictive covenants are contractual in nature,' so that the paramount rule of construction is to ascertain and give effect to the intent of the parties as determined from the whole document." Taylor v. Lindsey, 332 S.C. 1, 4, 498 S.E.2d 862, 863 (1998), *quoting* Palmetto Dunes Resort v. Brown, 287 S.C. 1, 336 S.E.2d 15 (1985). "Restrictive covenants are to be construed most strictly against the grantor and persons seeking of enforce them, and liberally in favor of the grantee, all doubts being resolved in favor of a free use of property and against restrictions." Sprouse v. Winston, 212 S.C. 176, 184, 46 S.E.2d 874, 878 (1948) *citing* C.J.S. Deeds § 163. *See also*, Sea Pines Plantation Co. v. Wells, 294 S.C. 266, 270, 363 S.E. 2d 891, 893-894 (1987). Master Deed § 6(b)(9) does not bestow veto power on the Defendant as to the 7.64-acre Regime, or the *exclusive* right to make improvements to the same. Moreover, any claim of the Defendant of a right to improve the 7.64-acre Regime is expressly

limited to improvements "pertaining to The Edgewater on Broad Creek Horizontal Property Regime."

6. Also, in objecting to Plaintiff's actions, the Defendant has before the Town of Hilton Head Island asserted an incorrect application to S.C. Code § 6-29-1145(B)(3) (1976 as amended). Defendant advanced the proposition that Plaintiff purportedly wrongfully failed to disclose its proposed acts being allegedly in conflict *with a restrictive covenant*, and that *notice of the restrictive covenant* from the Defendant should result in rejection or rescission of permits sought by Plaintiff. (*See*, Plaintiff's Memo, Exhibits 13 and 18) First and foremost there is no restrictive covenant prohibiting the Plaintiff's walkway or proposed swimming pool, or any other improvement on the property of the Regime. Defendant cited to the Town of Hilton Head Island a materially incomplete excerpt from the statute. The omitted portion of the statute, herein below, does not support the objection about which it was raised. It additionally states,

> "(C) As used in this Section: ... (2) "permit" does not mean an authorization to build or place a structure on a tract or parcel of land; and (3) "restrictive covenant" does not mean a restriction concerning a type of structure that may be built or placed on a tract or parcel of land." S.C. Code § 6-29-1145(C)(2) and (C)(3) (1976 as amended).

The definitions set forth in S.C. Code § 6-29-1145(C)(2) and (C)(3) *exclude* from their description the type *permit* being sought by the Plaintiff, and the *building of structures* for which the Plaintiff was seeking permission. Furthermore, there is no "restrictive covenant" that is contrary to, conflicts with, or prohibits the improvements to the Regime property. Therefore, there was no requirement of Plaintiff to give notice to the Town of Hilton Head Island of "restrictive covenant" as it is defined by statute, and no act by Plaintiff meriting rescission by the Town of Hilton Head Island of Plaintiff's permission to erect structures.

7. Defendant's assertion of rights contravenes the Horizontal Property Act and might thus be considered to violate public policy in some instances. "The general rule, well established in South Carolina, is that courts will not enforce a contract when the subject matter of the contract or an act required for performance violates public policy as expressed in constitutional provisions, statutory law, or judicial decisions." White v. J.M. Brown Amusement Co., Inc., 360 S.C. 366, 371, 601 S.E.2d 342, 345 (2004). Particularly relevant to the Regime Master Deed are S.C. Code §§ 27-31-100 and 27-31-150.

> "The master deed or lease creating and establishing the horizontal property regime shall be executed by the owner or owners of the real property making up the regime and shall be recorded with the register of mesne conveyance or clerk of court of the county where such property is located. The master deed or lease shall express the following particulars: ... (f) **A description of the full legal rights and obligations, both currently existing and which may occur, of the**

> **apartment owner, the co-owners, and the person establishing the regime.** The master deed of any horizontal property regime developed under the provisions of this chapter that contains any submerged land shall contain a notice of restriction stating that all activities on or over and all uses of the submerged land or other critical areas are subject to the jurisdiction of the South Carolina Department of Health and Environmental Control, including, but not limited to, the requirement that any activity or use must be authorized by the South Carolina Department of Health and Environmental Control. The notice shall further state that any owner is liable to the extent of his ownership for any damages to, any inappropriate or unpermitted uses of, and any duties or responsibilities concerning any submerged land, coastal waters, or any other critical area.
> (g) In the event the owner of property submitting it for establishment of a horizontal property regime proposes to develop the property as a single regime but in two or more states or proposes to annex additional property to the property described in the master deed, the master deed shall also contain a general description of the plan of development, including: (1) The maximum number of units in each proposed stage of development; (2) The dates by which the owner submitting such property to condominium ownership will elect whether or not he will proceed with each stage of development; (3) **A general description of the nature and proposed use of any additional common elements which the owner submitting property to condominium ownership proposes to annex to the property described in the master deed, if such common elements might substantially increase the proportionate amount of the common expenses payable by existing unit owners ... .**" S.C. Code § 27-31-100 (1976 as amended). (emphasis added)
>
> * * *
>
> "**The administration of the property constituted into horizontal property, whether incorporated or unincorporated, shall be governed by bylaws which shall be inserted in or appended to and recorded with the master deed or lease.**" S.C. Code § 27-31-150 (1976 as amended). (emphasis added)

The Plaintiff has a Board of Directors that prepares a budget, levies assessments consistent therewith, and which is tasked to fulfill the Board's obligations to operate the Regime. Having to potentially honor and bear the expense of Indeterminate improvements to Regime common elements made by Defendant, Defendant initiated ingress and egress, and Defendant tree pruning and planting on the Regime common elements could make it virtually impossible for Plaintiff's Board to plan, budget and operate in an informed manner. (Plaintiff's Memo, Exhibit 21) In the list of reservations, *supra., page 11,* reservation numbers 4 and 5 may be considered to contravene, without limit, S.C. Code §§ 27-31-100 and 27-31-150 (1976 as amended). The verbiage set forth at Master Deed, Section 15, Subparagraph 15.14 contravenes common law rules of application, enforcement and interpretation as to covenants. However, these issues are not ripe for determination in Plaintiff's Motion for Partial Summary Judgment.

8. In South Carolina, unconscionability is defined as the absence of meaningful choice on the part of one party due to one-sided contract provisions, together with terms that are so oppressive that no reasonable person would make them and no fair and honest person would accept them. Carolina Care Plan, Inc. v. United HealthCare Servs., Inc., 361 S.C. 544, 606 S.E.2d 752, 757 (2004). If a court as a matter of law finds any clause of a contract to have been unconscionable at the time it was made, the court may refuse to enforce the unconscionable clause, or so limit its application so as to avoid any unconscionable result. Simpson v. MSA of Myrtle Beach, Inc., 373 S.C. 14, 644 S.E.2d 663 (2007). In this instance, purchasers for value acquired from the initial Declarant condominium units with appurtenant common elements relying upon a scheme of development that they rightly expected was an upscale condominium development. Despite the contents of the Master Deed, there was no notice to purchasers of units at the Regime of the type of eventualities that have occurred. To indiscriminately subject the owners of the 7.64 acres of the Regime to all of the claims of veto and exclusive powers of Defendant to have been assigned from the Chapter 7 bankruptcy trustee reflects absence of meaningful choice and fundamental fairness for the Plaintiff and its constituent members. That could form a basis for finding some reservations of rights of the Master Deed unconscionable and unenforceable. As with questions of public policy, this issue is not ripe for determination in Plaintiff's Motion for Partial Summary Judgment heard and considered. Accordingly, Plaintiff's Motion for Partial Summary Judgment is granted in part as follows:

IT IS ORDERED AND DECLARED THAT:

a) There is no restrictive covenant that is controlling to, conflicts with, or prohibits Plaintiff from making improvements on the property of the Regime; any claim of the Defendant of a right to improve the 7.64-acre Regime is non-exclusive and is expressly limited to improvements "pertaining to The Edgewater on Broad Creek Horizontal Property Regime";

b) Plaintiff may construct a swimming pool and other common or recreational amenities on the common elements of the Regime, subject to the land use requirements imposed by the Town of Hilton Head Island Land Management Ordinance, but free from any prior approval or veto by the Defendant;

c) Plaintiff has the right to construct improvements on the unimproved portions of common elements of the Regime, to wit, the Plaintiff may construct or build upon, use, sell or encumber its remaining common elements subject to the land use requirements imposed by the Town of Hilton Head Island Land Management Ordinance, but free from any prior approval or veto by the Defendant;

d) Any claim of the Defendant as successor to the Declarant of a right to use the existing Clubhouse as a sales office is extinguished; and

e) Any claim of the Defendant as successor to the Declarant of rights to relocate the Association's ingress and egress to Marshland Road, being within the 7.64-acre Regime, is extinguished.

IT IS SO ORDERED. THIS CASE SHALL CONTINUE.

JEAN ANN ROSEMEAU
BEAUFORT COUNTY, S.C.
CLERK OF COURT

TO: EPHESIAN VENTURES, LLC AND THE HONORABLE COURT:

Plaintiffs Edgewater on Broad Creek Owners Association, Inc. and the Council of Co-owners of the Edgewater on Broad Creek Horizontal Property Regime Phase I (hereinafter "Plaintiffs"), through their undersigned counsel, respectfully assert their Complaint in this matter as follows:

1. Plaintiff Edgewater on Broad Creek Owners Association, Inc. (hereinafter the "Association") is a South Carolina not for profit corporation formed pursuant to the "By Laws of the Edgewater on Broad Creek Horizontal Property Regime and Edgewater on Broad Creek Owners Association" recorded within the Master Deed Establishing the Edgewater on Broad Creek Horizontal Property Regime Phase I that was recorded December 31, 2002 in the Register of Deeds for Beaufort County in Book 1689 at Page 574 et seq. (the "Master Deed"). The Association was and more formally constituted by Order of the Court of Common Pleas for Beaufort County, South Carolina dated and entered October 30, 2006 in Case No. 2006-CP-07-2556. A copy of the of the

Master Deed and By Laws is attached as **Exhibit A** and a copy of the Court Order is attached as **Exhibit B,** hereto. The Association has operated as an independent property owners' association since October 30, 2006.

2. Plaintiff Co-owners of the Edgewater on Broad Creek Horizontal Property Regime Phase I are the 23 unit Co-owners within Phase I of the Horizontal Property Regime formed by the Master Deed (the "Regime").

3. The Co-Owners own 23 apartment units situate on 7.64 acres within the Broad Creek Edgewater development on Marshland Road, proximate to the Cross Island Expressway interchange, on Hilton Head Island. The 7.64 acres is referred to in the vesting documents as Phase I and was intended by the original developer, Broad Creek Edgewater, LLC, to be the first completed Phase in a six building luxury condominium development on a combined 23 acres, to be referred to as "Edgewater". The development as planned and sold to the Co-Owners contemplated a common pool, waterfront, club house, tennis courts, recreational amenities and security shared by a total of no more than 147 units. Prior to October, 2006 the Co-Owners at Phase I had unrestricted use of the swimming pool and waterfront which are situate on land outside of Phase I, accessed by common walkways.

4. In or about October, 2006 the original developer, Broad Creek Edgewater, LLC, defaulted on its ongoing obligations and abandoned the project.

5. On or about May 9, 2007, Broad Creek Edgewater was placed into an involuntary Chapter 7 bankruptcy proceeding by its creditors and insiders. The case was filed as In Re Broad Creek Edgewater, LLC in the District of South Carolina, 07-2546. Ultimately a Chapter 7 trustee, Kevin Campbell, was appointed by the Court to manage and sell its assets.

6. From October, 2006 through the term of the bankruptcy case, the Co-owners enjoyed continued unrestricted use and access to the swimming pool, waterfront amenities and other common amenities at Edgewater.

7. Defendant Ephesian Ventures, LLC is a South Carolina limited liability company which purchased 16.01 acres from the Chapter 7 bankruptcy trustee on July 7, 2008. The 16.01 acres is directly adjacent to the Plaintiffs' property and consists of the remaining developer interest and land at Edgewater, exclusive of the 7.64 acres already deeded into Phase I. Presently, the 16.01 uses a common entrance and gate maintained by the Plaintiffs.

8. Shortly after acquiring the 16.01 acre tract, Ephesian proposed to the Plaintiffs a month to month license agreement whereby Ephesian would permit the Co-owners continued access to the swimming pool and other amenities on the Ephesian property in exchange for a monthly fee. Reserving any rights that they might possess regarding the swimming pool, other amenities, or challenges to the necessity of a license agreement, the Co-owners entered into a license with Ephesian for three months. Thereafter, from October, 2008 through July, 2009 Ephesian and the Co-owners engaged in discussions relating to the future land use plan and relationship between the parties at Edgewater. Specifically, Ephesian proposed a plan whereby the remainder of Edgewater would be converted from the luxury condominium development contemplated by the Master Deed into a higher density, eight building interval ownership project with a larger common pool and other amenities. During this period, the Co-owners continued to use the pool.

9. On July 1, 2009, a day before the commencement of the July 4th holiday weekend, Ephesian unilaterally closed the swimming pool and removed the attendant furniture. The pool has not been opened since.

10. The Co-owners did not have use of the pool for the remainder of 2009, in 2010, or in 2011.

11. In late 2009 the Co-owners voted to fund and build a pool on undeveloped property on Phase I. In March, 2010, an application for Design Review was filed with the Town of Hilton Head Island by Year Round Pool, Inc. on behalf of the Plaintiffs, seeking a permit to build a pool (the "Pool Permit") on Phase I property.

12. The Pool Permit received Design Review approval from the Town, without objection, after a merits hearing in April, 2010. Thereafter, Ephesian issued a letter to the Town, through its attorney Chester Williams, dated April 28, 2010, opposing the issuance of a development permit for a tabby walk project, discussed herein in the following paragraph, on the grounds that in its view, development on Phase I required approval by Ephesian due to its asserted Declarant Rights under the Master Deed. A copy of Williams' letter of April 28, 2010 is attached as **Exhibit C** hereto. Ultimately, the Town rescinded the Design Approval for the pool, by letter from Terri Lewis dated April 30, 2010, as set forth below, and the Pool Permit project was and is frozen until the issue of the restrictive covenants is resolved. A copy of Ms. Lewis' letter of April 30, 2010 is attached hereto as **Exhibit D.**

13. During the same time period, in or about April, 2010, the Plaintiffs constructed a simple tabby walk path (the "Tabby Walk") on their land, connecting the parking lot of their building with their clubhouse and exercise facility. The Plaintiffs deemed the Tabby Walk necessary to allow unrestricted access to the clubhouse without traveling on the main road, and without need to walk through wooded ground in accessible to those handicapped residents. The Tabby Walk did not encroach on any land owned by Ephesian and at the time, the Plaintiffs did not believe that a project

of this minimal scope and impact required a formal permit. However, a representative from Ephesian noticed the work on the Tabby Walk and notified the appropriate Town of Hilton Head Island official(s), who then notified Plaintiffs' agent that the Town believed that the construction of such a path required a formal permit.

14. Thereafter, the property manager for the Plaintiffs, IMC Resort Management Services, Inc., applied for a formal permit for the Tabby Walk, which was initially issued by the Town as XDPR10013. Ephesian objected to the permit by letter from its attorney, Chet Williams dated April 28, 2010, asserting that the permit was improper because the application itself did not reference Ephesian's Declarant rights or the alleged restrictive burdening the property.

15. The Town rescinded the Tabby Walk permit by letter dated April 30, 2010, acknowledging that Mr. Williams raised issues that the Town believed needed formal resolution. In the same letter, the Town voided the Design Approval for the swimming pool, citing the same issue regarding covenants raised by Mr. Williams in his April 28 letter. The Tabby Walk permit and its issuance and rescission are pending matters before the Town Planning Commission and Board of Zoning Appeals.

16. As a result of the Town's letter, the Pool Permit application terminated and the Co-owners have been unable to construct a pool, and thus reside on land without use of a pool, which they initially had use of when the purchased their property.

17. While the Tabby Walk matter is pending before the Planning Commission and Board of Zoning Appeals, the Town planning department has suggested that it cannot approve a pool development permit until the issues regarding the asserted restrictive covenants at Edgewater are resolved.

18. Ephesian's objections to the development on Phase I appear to rely on its interpretation of Section 6 (b) (9) of the Master Deed which states:

Any additional amenities or recreational facilities, which may or may not be in the additional Phases, are solely at the option of the Declarant.....

19. The restriction within the original Master Deed was a logical component of the Master Deed when the Owner still had the right and option to continue a common development, and intended to do so, but clearly any such restriction expired, by it terms, on December 31, 2010 when any remaining right owned by Ephesian, as successor to the Owner, expired. To wit, Section 6 (b) (2) within the same section of the Master Deed states:

The dates by which the Owner submitting such property to condominium ownership will elect whether or not he will proceed with each Phase. For all proposed Phases, the election whether or not each Phase will proceed shall be made by December 31, 2010.

20. To the extent that Ephesian, as successor in interest to the Owner, possessed any rights to exercise control over development on Phase I, and any development rights for Phase I, which the Plaintiffs dispute, any and all such development rights expired on December 31, 2010 because Ephesian did not before that date elect to proceed with any Phase of the project or to incorporate any of its land into the Horizontal Property Regime at Edgewater.

21. In April, 2011 Ephesian submitted a preliminary development application to construct eight additional buildings, comprising a total of 283 units, for an interval ownership development on its 16.01 acres. Pre Application Permit PAPP110007 resulted in a meeting at the Town in which both Ephesian, through Mr. Williams, and the Plaintiffs participated in exchange with the various Town departments responsible for different aspects of the proposed development. The Plaintiffs asserted preliminary objections to the Ephesian project. Ephesian's initial application presumes that it owns

the density rights allocated to the 7.4 acres in Phase I, a presumption which the Plaintiffs oppose. A copy of the April 25, 2011 meeting notice is attached as **Exhibit E** hereto.

For a First Cause of Action (Declaratory Judgment)

22. Plaintiffs re allege paragraphs 1 through 21 above as though fully set forth herein.

23. As a party to a Master Deed wherein the rights and obligations of the parties are unsettled. Plaintiffs have standing to seek a Declaratory Judgment from the Court of Common Pleas in this matter.

24. The South Carolina Declaratory Judgment Act, South Carolina Code Section 15-53-30 et seq. provides:

Determination of Questions Under Deed, Will , Written Contract, Statute, Municipal Ordinance, Contract or Franchise—

> Any person interested under a deed, will, written contract or other writings constituting a contract or whose rights, status, or other legal relations are effected by a statute, municipal ordinance, contract or franchise may have determined any question of construction or validity arising under the instrument, statute, ordinance, contract or franchise and obtain a declaration of rights, status, or other legal relations thereunder.

25. Ephesian has placed Plaintiffs' rights in dispute by objecting to its Tabby Walk Permit and Swimming Pool permit as set forth above.

26. Further, the Town of Hilton Head Island has suggested that it is unwilling to determine the legal construction of the Master Deed, rendering a Declaratory Judgment of the parties rights and obligations essential to the determination of the future relationships at Edgewater and use(s) of the land there.

27. Ephesian's rights to control development on Phase I or to use the development rights allocated to Phase I terminated, of necessity, on December 31, 2010 when it did not elect to phase

in or incorporate any of its land into the Horizontal Property Regime at Edgewater. Any contrary interpretation would result in an indefinite and undefined restriction on the Plaintiffs use of their own land, which is a restriction on alienation and use of property not favored in South Carolina.

28. Plaintiffs seek an Order in the form of a Declaratory Judgment from this Court as follows:

a. The Association has the right to construct improvements upon the unimproved portions of the Regime Phase I property.

b. Any rights Ephesian owned to add Phases to the Regime terminated on December 31, 2010.

c. The Declarant's rights in Section 6(a) of the Master Deed to relocate Regime owners' access to Marshland Road have extinguished.

d. The reserved right of ingress and egress across the Regime property reserved in Exhibit "A" to the Master Deed either terminated effective December 31, 2010 when Ephesian lost rights to add phases to the Regime, or is limited to the extent necessary to tie into existing utility infrastructure in connection with the development of Ephesian's property.

e. The right of ingress and egress across roads and walkways within the Regime property reserved in Exhibit "A" to the Master Deed terminated December 31, 2010 when Ephesian's rights to add phases to the Regime terminated.

f. Either title to the utility infrastructure located on the Regime property is vested in the Association, or if Ephesian has title to such utility infrastructure then Ephesian's ownership is subject to the Association's right to continued use of all utility infrastructure for the benefit of the Regime and its owners.

g. Any reserved utility installation and maintenance easements vested in Ephesian are limited only to those areas necessary to tap into existing utility infrastructure and do not burden all of the Regime

property, nor materially limit the Association's right to construct improvements on Regime property.

h. Ephesian does not have approval rights over the Association's improvement of Regime property, and Ephesian's objections to Association improvements are not grounds for the Town of Hilton Head to deny or revoke building permits or development permits.

i. Ephesian has no rights to approval, block or otherwise hinder any attempt by the Association or the Regime owners to sell portions of Regime property or develop the same.

j. Ephesian no longer has the right to use the Clubhouse for an office.

k. Ephesian has no claim or right to use the Regime's development rights or residential density allocations under the Town of Hilton Head Island's Land Management Ordinance.

l. Until such time as the Town of Hilton Head grants permission to the Plaintiffs to construct a swimming pool on their premises, Ephesian shall open its pool and permit the Plaintiffs use and access during the swimming season, being April1 through October 31.

For a Second Cause of Action (Nuisance)

29. There exists, on Ephesian's property, proximate to the building inhabited by the Plaintiffs, a partially constructed building consisting of five concrete framed floors, walls and associated structure with exposed interiors and wiring. The original developer, Broad Creek Edgewater, ceased construction on this building in early 2006 and no further construction has taken place since.

30. Ephesian has, upon information and belief, sold or given away the flooring, drywall and other supplies that Broad Creek Edgewater had purchased to complete the building, and has expressed its view that it has no plan to continue construction of the present structure.

31. Ephesian applied for and was granted an extension of the Town building permit for said structure, without notice to the Plaintiffs.

32. The continued existence of a large, abandoned building immediately proximate to the Plaintiffs' property diminishes the Plaintiffs' views, the aesthetics of Plaintiff's property and further diminishes Plaintiff's use and enjoyment of their own property.

33. Further, the existence of an abandoned building immediately proximate to Plaintiffs' property harms their ability to sell their land.

34. The abandoned building on Ephesian's property is a nuisance.

35. Plaintiffs request the Honorable Court to issue an Order declaring the abandoned building a nuisance and further ordering Ephesian to timely remove the building.

WHEREFORE, Plaintiffs Edgewater on Broad Creek Owners Association, Inc. and the Co-owners of Edgewater on Broad Creek Horizontal Property Regime request that the Honorable Court issue its Order as follows:

1) A Declaratory Judgment that states:

a. The Association has the right to construct improvements upon the unimproved portions of the Regime property.

b. Any rights Ephesian possessed to add Phases to the Regime terminated on December 31, 2010.

c. The Declarant's rights in Section 6(a) of the Master Deed to relocate Regime owners' access to Marshland Road have extinguished.

d. The reserved right of ingress and egress across the Regime property reserved in Exhibit "A" to the Master Deed either terminated effective December 31, 2010 when Ephesian lost rights to add phases to the Regime, or is limited to the extent necessary to tie into existing utility infrastructure in connection with the development of Ephesian's property.

e. The right of ingress and egress across roads and walkways within the Regime property reserved in Exhibit "A" to the Master Deed terminated December 31, 2010 when Ephesian's rights to add phases to the Regime terminated.

f. Either title to the utility infrastructure located on the Regime property is vested in the Association, or if Ephesian has title to such utility infrastructure then Ephesian's ownership is subject to the Association's right to continued use of all utility infrastructure for the benefit of the Regime and its owners.

g. Any reserved utility installation and maintenance easements vested in Ephesian are limited only to those areas necessary to tap into existing utility infrastructure and do not burden all of the Regime property, nor materially limit the Association's right to construct improvements on Regime property.

h. Ephesian does not have approval rights over the Association's improvement of Regime property, and Ephesian's objections to Association improvements are not grounds for the Town of Hilton Head to deny or revoke building permits or development permits.

i. Ephesian has no rights to approval, block or otherwise hinder any attempt by the Association or the Regime owners to sell portions of Regime property or develop the same.

j. Ephesian no longer has the right to use the Clubhouse for an office.

k. Ephesian has no claim or right to use the Regime's development rights or residential density allocations under the Town of Hilton Head Island's Land Management Ordinance.

l. Until such time as the Town of Hilton Head grants permission to the Plaintiffs to construct a swimming pool on their premises, Ephesian shall open its pool and permit the Plaintiffs use and access during the swimming season, being April1 through October 31.

2. For an Order declaring the abandoned building on Ephesian's property a nuisance which harms the use and enjoyment of Plaintiff's land, and further ordering that said nuisance be abated by removing the abandoned building.

3. For such other relief as the Honorable Court deems just and proper.

properly his obligations with respect to the maintenance cleaning, repair, or replacement of items for which he is responsible under this Master Deed, then the Association shall give such Owner written notice of the Association's intent to provide such necessary maintenance, cleaning, repair, or replacement, at such Owner's sole cost and expense, and setting forth with reasonable particularity the maintenance, cleaning, repair, or replacement deemed necessary. Reference is made to Section 14 infra regarding prohibition of time-sharing plans and reservation of rights regarding multiple ownership plans.

(c) No Unit Owner shall do, suffer, or permit to be done, anything in his Unit which would impair the soundness or safety of the Regime, or which would be noxious or offensive or an interference with the peaceful possession and proper use of other Units, or which would require any alteration of or addition to any of the Common Elements to be in compliance with any applicable law or regulation, or which would otherwise be in violation of law.

(d) In case of any emergency originating in or threatening any Unit, regardless of whether the Owner or his tenant, if any, is present at the time of

such emergency, the Association's Board of Directors and all managerial personnel shall have the right to enter such Unit for the purpose of remedying or abating the cause of such emergency, and such right of entry shall be immediate. (h) The Declarant hereby declares and affirms that the use restrictions described herein shall be deemed restrictive covenants running with the land and are imposed as a limitation and burden upon each Unit and upon the Declarant and upon all future Owners of Units.

5.08 DEEDS TO UNITS.

On the transfer of a Unit, a deed effecting that transfer conveys all the seller's interests in that Unit to the purchaser, including the seller's interest in the real and personal property of the Association, any reserve accounts applicable to that Unit, and in any cause of action or chose in action either of the Association or arising out of his ownership of that Unit, whether or not those interests are expressly described in the deed.

5.09 ASSESSMENTS FOR COMMON EXPENSES; RESPONSIBILITIES FOR MAINTENANCE.

The obligations of all Unit Owners with regard to assessments for Common Expenses and the maintenance and repair of the individual Units shall

be as provided in the By-Laws of the Association which are attached hereto as **Exhibit "D"**.

5.10 SUBDIVISION AND RELOCATION OF BOUNDARIES BETWEEN UNITS.

(a) Declarant intends to provide a flexible and certain method consistent with the Act in the best interest of the Association and all of its members by which individual Units may be subdivided into two or more Condominium Units (i.e. Units). Subject to the provisions of this Master Deed and other provisions of law, a Unit Owner may apply to subdivide a Unit subject to the conditions and procedures described below in Section 5.10 (b) et seq.

(b) The Owner of a Unit or Owners of adjoining Units may, at any time, deliver a letter to the President of the Association requesting approval from the Board to subdivide or relocate the boundaries between their Units, together with a plan of their Units which conforms with Sections 27-31-100, 27-31-110 and 27-31-120 of the Act, showing the proposed relocated boundaries of those Units. In such case, with respect to every proposed Unit which will result from the proposed subdivision or relocation:

(1) each Unit to be created must contain at least 950 square feet of Unit space as herein defined for a Type A Unit, 1050 square feet for a Type B Unit and 1150 square feet for a Type C Unit; and

(2) at least one boundary of each Unit to be created must be coterminous with a partitions wall, extending in one plane for at least 6 feet, which divides the Unit from a hallway constituting a Common Element in the Building; and

(3) each Unit must comply with all applicable laws, rules, regulations, codes and/or ordinances, including, but not limited to, those relating to health, fire, safety, and parking, and adequate provision must be made for any required fire and emergency exits, mechanical and support systems of the Building, utilities, as well as assurance that there is no impairment of the structural integrity of the Unit and/or Building or that there is no increase in any Owner's insurance costs; and

(4) the subdivision shall not result in an increase in the number of Units allocated or otherwise permitted to exist on the Property

under the existing permits, covenants of record, or applicable zoning ordinances; and

(5) all expenses of the Association, including legal fees, architectural, surveying and consultant's fees, shall be borne by the requesting Unit Owner(s).

(c) The President shall submit the above request for subdivision to the Board members upon receipt. If said subdivision is approved by a majority vote of the Board, either at a meeting thereof or by written consent and by the Declarant during the period the Declarant has reserved to add Future Phases to the Regime, the President shall:

(1) cause an Amendment to the Master Deed to be prepared which conforms to this Master Deed and the Act, together with a certified Amendment to the plans, which conforms to the requirements of the Act. The Amendment to the Master Deed shall reallocate the assigned appurtenant interests among all the Units resulting from the subdivisions or relocation of boundaries in proportion to the relative sizes of those Units, but shall not affect in any manner the percentage of interest appertaining to the other Units not otherwise redefined. The Amendment to Master Deed shall to the extent necessitated by the subdivision, take into consideration potential redefinition of boundaries of the newly constituted Unit(s) as compared to the definition above in Section 5.05. In the event that the subdivision of a Unit results in the creation of what would normally be a Common Element within the Building so subdivided (e.g. the roof, foundation, structural elements, mechanical systems, exterior walls) such Common Elements shall be a Limited Common Element to those resulting Units within said subdivided Unit; provided, in no event shall the Owner(s) of the other Units be responsible for the costs of operation, maintenance, repair or replacement of any such Limited Common Element appurtenant to such a subdivided Unit; and

(2) upon payment by the affected Unit owners of all permit, recording, legal, architectural, and other fees incurred by the Association, the President of the Association shall execute the Amendment to the Master Deed and record same, including the plats and plans subdividing or relocating the Unit(s) and showing the altered boundaries of the Units and their dimensions and identifying numbers.

(d) The Amendments to the Master Deed and plans to reallocate Units are only effective when executed in the manner required by this Section 5.10 and recorded. The consents to the Amendment by the mortgagees of the affected Units shall also be recorded.

(e) In the event of a subdivision per Section 5.10(b) above, and to further Declarant's intent of providing a flexible and certain method consistent with the Act and the best interests of the Association and all its members, by which the boundaries of or between Units may be adjusted to meet the needs of individual Unit owners, subject to the conditions and procedures described in Section 5.10(b), Unit Owners are entitled to relocate the boundaries between adjoining Units and reallocate the assigned appurtenant interests of those Units accordingly.

5.11 ALTERATIONS IN UNITS.

(a) A Unit Owner may make any improvements or alterations to his Unit that do not impair the structural integrity or mechanical systems, or lessen the support of, any portion of any other Unit.

(b) Subsequent to a subdivision of a Unit pursuant to Section 5.10 or in the situation where a Unit Owner already owns adjoining Units, after giving notice to the Association, a Unit Owner may alter a partition wall between such adjoining Units owned by him to create an opening in the wall. Such an alteration does not constitute a relocation of boundaries between Units as defined in Section 5.10 above.

(c) Any Unit Owner altering a Unit pursuant to this Section or Section 5.11 shall: (1) provide for waivers of all mechanics lien rights which may arise as a result of the alteration; (2) provide certificates of insurance insuring against all losses commonly insured against, arising out of the work naming the Association as an additional insured; (3) indemnify and hold the Association and other Unit Owners harmless from the effect of the work and the acts or omissions of anyone under such Unit Owner's direction or control; (4) minimize the disturbances of other Unit Owners and their business activities during the work; and (5) reimburse the Association for any expenses incurred by the Association, including but not limited to legal and other consulting fees.

(d) Any Owner, including Declarant, may remove all or a portion of any non-load bearing wall located within the perimeter walls bounding the Unit, provided the Owner obtains the advance written approval of the Association to

do so, which approval shall be given to the Owner upon the Association's satisfaction that the wall is in fact non-load bearing and non-structural and that its removal shall not cause any harm or damage to the Owner's Unit, the Building(s), or other Units contained in the Building(s), and upon the Owner agreeing to be solely responsible for all losses, costs, and liabilities which may arise on account of or in connection with the removal of the wall. The Association may impose reasonable conditions upon such approval, including, but not limited to the requirement for liability and/or property damage insurance, insuring the Association or other Owners. The removal of all or a portion of any wall shall not have the effect of changing the type of the Unit, the statutory value attributable to the Unit, or the Percentage Interest in the Common Elements and Limited Common Elements, attributable to the Unit.

(e) When any alterations approved by the Association are completed, the affected Unit Owners shall deliver to the Association a copy of the 'as built' plans and specifications certified to by an architect licensed to practice in South Carolina.

6. AREAS COMPRISING PROPERTY.

(a) Land. The lands which may be made subject to this Master Deed are those certain tracts or parcels described in **Exhibits "A," "A-1," and "B"** attached hereto and consisting of approximately 23.65 acres, which are owned by Declarant in fee simple subject to certain liens, encumbrances, rights-of-way, easements, covenants, and restrictions.

Hereafter, at one time, or from time to time, Declarant has constructed or may, in the future, construct roadways ("Roadways") providing ingress and egress to and from the Property. Declarant shall not be obliged to convey to the Association these Roadways as a Common Element (but may do so at Declarant's sole discretion). However, Declarant herewith conveys to each Owner of a Unit and to every permitted occupant of that Unit, a non-exclusive, temporary easement over, upon, and across such Roadways which are not included in the description of the Property at **Exhibit "A"**, if any, for ingress and egress to and from Marshland Road. These non-exclusive easements are temporary and shall automatically terminate and become null and void immediately upon merger by incorporation of any part of the Roadways into another Horizontal Property Regime, the Master Deed of which establishes or conveys a permanent, non-exclusive, unrestricted easement for passage over that portion of the Roadways by Owners of Units created by this Master Deed. Declarant reserves the right, in its sole discretion, to relocate these areas and the

temporary easements over them without notice to any Owner or occupant of a Unit. In such event, Declarant shall and is hereby especially empowered to prepare and record in the ROD Office for Beaufort County, South Carolina, an Amendment to this Master Deed, amending **Exhibit "A"** hereto, to show the areas and revised areas of these non-exclusive easements, without notice to or consent by Owners or occupants of Units. Such Amendment to be effective upon recordation of same in the ROD Office for Beaufort County, South Carolina.

(b) Incorporation of Additional Property. Hereafter, at one time or from time to time, Declarant, its successors and assigns hereby expressly reserves the right to be exercised in its sole discretion to submit one or more parcels of Additional Property to the provisions of the Act by incorporating them within this Master Deed. Additional Property shall be submitted to the Act subject to all recorded utility easements and other easements discussed in this Master Deed and any Amendments hereto. The maximum extent of additional land that the Declarant may submit to the provisions of this Master Deed is that property containing approximately 16.01acres of land, as described on **Exhibit "A-1,"** attached hereto and incorporated herein by reference.

A general description of the plan of development follows:

(1) The maximum number of Units in each proposed stage of development. There are six (6) proposed stages ("Phases") of development. Phase I consists of twenty-three (23) Units; subsequent Phases ("Future Phases"), if developed, will have together no more than one hundred twenty-four (124) additional Units.

(2) The dates by which the Owner submitting such property to Condominium ownership will elect whether or not he will proceed with Phase. For all proposed Phases, the election whether or not each Phase will proceed shall be made by December 31, 2010.

(3) A general description of the nature and proposed use of any additional Common Elements, which the Owner submitting Property to Condominium ownership proposes to annex to the Property described in the Master Deed, if such Common Elements might substantially increase the proportionate amount of the Common Expenses payable by the existing Unit Owners. There are no such additional Common Elements contemplated in the plan of development, which, reasonably considered, might substantially increase the proportionate amount of the

Common Expenses payable by existing Unit Owners. At present, it is contemplated that Future Phases may include a large waterfront pool and a community observation pier on Broad Creek.

(4) In Section 9.04 herein is a chart showing the Percentage Interest in the Common Elements of each original Unit Owner at each stage of development, if the Owner submitting property to Condominium ownership elected to proceed with all contemplated stages of development.

(5) Declarant, its successors and assigns may, in its sole discretion, incorporate one or more Future Phases into the Regime.

(6) Declarant may, in its sole discretion, vary the order of inclusion of any and all Future Phases, such that a Phase may be included out of numerical order.

(7) Declarant may, in its sole discretion, vary the design of each Phase and the design of Units within each Phase that may be incorporated or submitted to this Master Deed.

(8) If Declarant exercises its rights to incorporate any one or Future Phases, the ownership of Common Elements of the Association and voting rights attributable to any particular Unit shall be determined by the ratio of the statutory value of that particular Unit to the statutory value of all the Units in the Regime from time to time. It is understood that if and as Additional Property is brought into the Regime by Amendment of the Master Deed, the relative Percentage Interest of the Owners will change.

(9) Any additional amenities or recreational facilities, which may or may not be in the additional Phases, are solely at the option of Declarant. The description in any sales or promotion literature of the Declarant of any potential additional amenities or recreational facilities shall not, of itself, oblige the Declarant to construct such or to convey them to the Regime as Common Elements.

(10) If Declarant shall elect to incorporate one or more Future Phases into the Regime or to submit Additional Property to the Regime, such shall be accomplished by recordation of an Amendment, which shall include the revised Percentage Interest which each Owner owns, to

this Master Deed in ROD Office for Beaufort County, South Carolina, and such election shall be effective on the date of recordation.

(11) The Units which may be included in Additional Property, which may later be added to this Regime, include the Types A, B, and C Units herein described. Notwithstanding the foregoing, the Declarant reserves the right to include other types of Units in the Future Phases.

9.04 FUTURE PHASES.

In the event Declarant elects to expand the Regime as provided herein, all Units added to the Regime shall have the same statutory valuations as set forth above provided, however, that Declarant does reserve the right to modify floor plans for Future Phase Units, and in such event the statutory valuation may vary.

The following chart demonstrates the adjustment in the Percentage Interest assuming that Phase II-VI are added to the Regime comprising a total of one hundred twenty-four (124) Units in such Phases and assuming the same average statutory valuation of Units as Phase I. There are eighteen (18) A Units; eight (8) B Units; two (2) C Units contemplated in Phase II. The anticipated mix of Units for each Phase is slightly different and is subject to modification by Declarant. However, the exact adjustment of Percentage Interest is not subject to calculation until the exact number and size of all Units to be added to the Regime is established. There may be a fewer number of Units. In the event that addition of Units to the Regime results in a calculation of Percentage Interest in accordance with the above formula which does not

total one hundred (100%) percent; the amount necessary to bring such total to one hundred (100%) percent shall be allocated by the Board of Directors or its designated Management Agent.

Assigned Percentage Interests Future Phases II - VI

Unit Type	Estimated # of Units	Statutory Valuation	Phase I Percent	Projected Phase I-VI (147 Units) Percent

2. B	50	$462,194.00	4.60%	0.73%
3. C	8	$513,437.47	5.11%	0.81%

9.05 TOTAL VALUE.

The total statutory value of the Property in Phase I is Ten Million Forty Seven Thousand Seven Hundred and NO/100 ($10,047,700.00) Dollars. The total statutory value projected for Phase I through Phase VI combined is Sixty Three Million Seven Hundred Two Thousand Three Hundred Ninety Four and NO/100 ($63,702,394.00) Dollars. Subject to the overall limitations described in Section 6 of the Master Deed, Declarant will not exceed these estimated numbers for the Future Phase.

NOTE: THESE VALUATIONS ARE FOR PURPOSES OF THE SOUTH CAROLINA HORIZONTAL PROPERTY ACT.

9.06 NO ALTERATION.

The proportionate representation for voting purpose and the percentage of the undivided interest in the Common Elements (both General and Limited) provided in this Section 9 shall not be altered without the acquiescence of the Co-Owner representing all of the Units expressed in an Amendment to this Master Deed duly recorded as required by Section 8 hereof or except as provided in Sections 6, 8, and 9 with regard to the Amendment of the Master Deed to admit the Future Phases Units.

10. ADMINISTRATION AND BY-LAWS.

10.01 ASSOCIATION; BY-LAWS.

As noted in Section 2 hereof, Declarant has caused to be incorporated under the laws of the State of South Carolina a corporation known as The Edgewater on Broad Creek Owners' Association, Inc., which shall be an incorporated Council of Co-Owners to serve as the body by which the Unit Owners will manage the affairs of the Regime. Each Unit Owner shall have voting rights in said Association in the same percentage as the percentage of interest his Unit has in the Common Elements. The administration of the Regime, and consequently of the Association, consisting as aforesaid of the Property described above shall be in accordance with the provisions of the By-Laws which are incorporated herein, made a part hereof and are attached hereto as **Exhibit "D"**.

10.02 AUTOMATIC MEMBERSHIP IN ASSOCIATION.

Each Unit Owner shall automatically become and be a member of the Association so long as he continues to be a Unit Owner and shall exercise such percentage of vote in all matters as shown in Section 10 hereof. In the event that a Unit is owned by more than one Person, the Person entitled to cast the vote for the Unit shall be designated by a certificate signed by all the record Owners of the said Unit and filed with the Secretary of the Association. Further, should such Unit Owner be a corporation, the Person entitled to cast the vote for the Unit shall be designated by a certificate signed by the President or Vice President of the corporation and attested by the Secretary or Assistant Secretary of the corporation and filed with the Secretary of the Association. All such certificates shall be valid until revoked, superseded by a subsequent certificate, or until there has been a change in ownership of the Unit concerned.

11. HORIZONTAL PROPERTY REGIME CONSTITUTED.

As appears above, a Horizontal Property Regime is hereby constituted under and subject to the provisions of the Horizontal Property Act of the State of South Carolina, so that the Units may be conveyed and recorded as individual properties capable of independent use and each having its own exit to the Common Elements of the Property, and each Unit Co-Owner having an

exclusive and particular right over his respective Unit and, in addition, the specified undivided interest in the Common Elements of the Property.

12. DECLARANT SUBJECT TO MASTER DEED; DECLARANT USE.

12.01 DECLARANT USE; GENERAL.

So long as the Declarant owns one or more of the Units, it shall be subject to the provisions of this Master Deed and the Exhibits attached hereto and the Declarant covenants to take no action which will adversely affect the rights of the Regime with respect to the assurances against latent defects in the Property or other rights assigned to the Regime by reason of the establishment of said Regime; provided, however, that Declarant as in the case with any other Unit Owner, shall have the absolute right and privilege of leasing any or all of the Units owned by it on a short or long term basis for the uses permitted by this Master Deed , and that Declarant's lessees, invitees, guest, etc., shall be entitled to all of the privileges and rights, and be subject to the requirements hereunder, of a Co-Owner with respect to the use of the Property excluding voting rights which shall remain with the Declarant.

12.02 DECLARANT USE AS SALES MODEL.

Provided further, that Declarant, and its successors and assigns, shall be entitled to use one or more of the Units and/or the Clubhouse for purposes of a sales model and/or office until the entire project, to include the Future Phases have been sold, it being the intent of Declarant that said reserved rights do not conflict with the residential use restriction described herein above. The Declarant may reserve portions of the Clubhouse designated by the Declarant for use as a sales office and as an office for the Management Agent.

13. TIME-SHARING/INTERVAL AND FRACTIONAL OWNERSHIP.

The Declarant herein subjects the Phase I Property of the Regime to the further limitation and restriction that it shall be used and occupied for whole-time residential dwelling Units in the same manner as other Condominium Units constructed as such within the multi-family residential areas of Hilton Head

Island, and such dwelling Units shall not be utilized for purposes of time-sharing or interval ownership, time-sharing or interval licenses, time-sharing or interval leases, fractional interest or similar plans as those items are currently generally utilized in the real estate industry or as those or similar terms are expresses or defined in Chapter 32, Code of Laws of South Carolina, 1976, as amended, i.e. the South Carolina Vacation Time Sharing Act and the South Carolina Multiple Ownership Act.

14. PROVISIONS AND COVENANTS APPLICABLE TO UNITS.

Each Co-Owner shall comply with the provisions of this Master Deed and authorized Amendments thereto. Failure to comply with such provisions, decisions, or resolutions shall be grounds for an action to recover sums due for damages or for injunctive relief. The Units shall also be conveyed subject to the recorded plat and plans of the Property and Amendments thereto and those certain covenants, restrictions, easements and other matters of title as more particularly described at **Exhibit "A"** hereto.

15. GENERAL CONDITIONS/MISCELLANEOUS MATTERS.

15.01 COMMON ELEMENTS NOT PARTITIONED.

Except as provided herein, the Common Elements shall remain undivided and no Co-Owner shall bring any action for partitioning and/or division.

15.02 COMMON ELEMENTS NOT SEVERABLE FROM UNITS.

The undivided interest in the Common Elements shall not be separated from the Unit to which it appertains and shall be deemed conveyed or encumbered with the Unit even though such interest is not expressly mentioned or described in the conveyance or other instrument.

15.03 NONUSE NOT EXEMPTION OF LIABILITY FOR COMMON EXPENSES.

No Co-Owner of a Unit may exempt himself from liability for his contribution toward the Common Expenses by waiver of the use or

enjoyment of any of the Common Elements or by the abandonment of his Unit.

15.04 ALL USERS OF PROPERTY SUBJECT TO MASTER DEED.

All present or future Co-Owners, tenants, future tenants, or any other person that might use the facilities of the Property in any manner, including those who may lease from the Declarant, are subject to the provisions of this Master Deed and any authorized Amendments thereto, and that the mere acquisition or rental of any of the Units shall signify that the provisions of this Master Deed and any authorized Amendment thereto are accepted and ratified.

15.05 ASSESSMENTS SUBORDINATE TO MORTGAGEE TAKING TITLE.

Where a mortgagee or other purchaser of a Unit obtains title by reason of foreclosure or deed in lieu of foreclosure of a mortgage covering a Unit, such acquirer of title, his or its heirs, successors, assigns or grantees, shall not be liable for assessments by the Association which became due prior to the acquisition of title by such acquirer, it being understood, however, that the above shall not be construed to prevent the Association from filing and claiming liens for such assessments and enforcing same as provided by law, and that such assessment shall be subordinate to such mortgage.

15.06 INSURANCE.

The Board of Directors of the Association shall be required to obtain and maintain those types and forms of insurance as are required by ARTICLE VIII of the By-Laws set forth in **Exhibit "D"** attached hereto and made a part hereof.

15.07 RECONSTRUCTION AND REPAIRS.

In the event of casualty loss or damage to the Property the provisions of Article IX of the By-Laws as set forth in **Exhibit "D"** shall govern all matters pertaining to reconstruction and repair.

15.08 CONDEMNATION.

In the event of a condemnation of a portion of the Property which is subject to this Master Deed, no reallocation of interests in the Common Elements resulting from a partial condemnation may be effected without the prior approval of the Unit Owners and the eligible holders holding mortgages on all remaining Units, whether existing in whole or in part, and which have at least seventy-five (75%) percent of the votes of such remaining Units subject to eligible holder mortgages.

The Association shall represent the Unit Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Elements, or part thereof. Each Unit Owner appoints the Association as attorney-in-fact for such purposes. In the event of a taking or acquisition of part or all of the Common Elements by a condemning authority, the award or proceeds of settlement shall be payable to the Association, or the Insurance Trustee for the use and benefit of the Unit Owners and their mortgagees as their interests may appear.

15.09 EASEMENT FOR ENCROACHMENT.

If any portion of the Common Elements now encroaches upon any Unit or if any Unit now encroaches upon any other Unit or upon any portion of the Common Elements, or if any such encroachment shall occur hereafter as a result of: (a) settling of the Building or Buildings; (b) alteration or repair to the Common Elements made by or with consent of the Board or; (c) as a result of repair or restoration of any Building or any Unit necessitated by damage by fire other casualty; or (d) as a result of condemnation or eminent domain proceedings, a valid easement shall exist for such encroachment and for the maintenance of the same so long as the Building or Buildings stand.

15.10 OTHER REGIME EASEMENTS.

Each Unit Owner shall have an easement in common with the Owners of all other Units to use all pipes, wires, ducts, flues, cables, conduits, public utility lines and other Common Elements, if any, located in any of the other Units and serving his Unit. Each Unit shall be subject

to an easement in favor of the Owners of all other Units to use the pipes, wires, ducts, flues, cables, conduits, public utility lines and other Common Elements serving such other Units and located in such Unit. The Board shall have the right of access to each Unit to inspect the same to remove violations therefrom and to maintain repair or replace Common Elements contained therein or elsewhere in the building.

15.11 SEVERABILITY.

The provisions hereof shall be deemed independent and severable and the invalidity in whole or part of any sections, sub-section, sentence, clause, phrase, or word, or other provision of the Master Deed and the By-Laws or any authorized Amendment thereto shall not impair or affect in any manner the validity or enforceability of the remaining portions thereof and, in such event, all of the other provisions of this Master Deed shall continue in full force and effect as if such invalid provision had never been included therein.

15.12 NON-WAIVER.

No provision contained in this Master Deed shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

15.13 GENDER AND NUMBER.

The use of the masculine gender in this Master Deed shall be deemed to refer to the feminine and neuter gender, and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

15.14 APPLICABLE LAW/INTERPRETATION.

This Master Deed is set forth to comply with the requirements of the Act as presently constituted or as hereafter amended. In case any of the provisions stated above conflict with the provisions of said statue, the provisions of said statute shall control. On all cases, the provisions of this Master Deed shall be given that reasonable interpretation or construction which will best effect consummation of the general plan of

land use restrictions and affirmative obligations of the Property, which will carry out the intent of the Declarant as expressed herein and which will preserve the Property as a situs for an attractive, well maintained, retirement community.

Should any provision of this Master Deed or any section, paragraph, sentence, clause, phrase or term in this Master Deed be declared to be void, invalid, illegal, or unenforceable for any reason by the adjudication of the highest court or other tribunal which considers such matters and has jurisdiction over the parties hereto and the subject matter hereof such judgement shall in no way affect the other provisions hereof which are hereby declared to be severable.

Contrary to the restrictive common law rule of construction, this Master Deed shall by this covenant be interpreted broadly to touch and concern the Property with recognition of modern economic, land use planning and real estate finance and development principles, theories and practices. It is the Declarant's intent, and all Owners who take subject to the Master Deed, to covenant and agree, and are thereby estopped to deny, that any reserved right or function of the Declarant and/or Association, and any other covenant condition, restriction or obligation within this Master Deed is intended to promote the use and enjoyment of the Property, is intended to foster the creation, preservation or enhancement or economic or intangible values associated with the Property, and does touch and concern, benefit and burden and run with the Property.

15.15 CAPTIONS.

The captions herein are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Master Deed or the intent of any provisions hereof.

15.17 TRADEMARK USE.

Each Owner, by acceptance of a deed to any lands, tenements or hereditaments within the Property hereby acknowledges that "The Edgewater on Broad Creek" and designs are service marks and

trademarks of the Declarant. Each Owner agrees to refrain from misappropriating or infringing these service marks or trademarks.

Transfer of ownership and resignation or termination of a Co-Owner of the Association shall not relieve the Co-Owner from any obligations the Co-Owner may have to the Association as a result of obligations incurred or commitments made before resignation or termination.

Section 2. ASSESSMENTS TO REMAIN IN EFFECT UNTIL NEW ASSESSMENTS MADE. The omission by the Board of Directors before the expiration of any year, to fix the assessments hereunder for that or the next year, shall not be deemed a waiver or modification in any respect of the provisions of the Master Deed and By-Laws or a release of any Owner from the obligation to pay the assessments, or an installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed by the Board at a duly held Board meeting. Amendments to this paragraph shall be effective upon unanimous written consent of the Owners and their mortgagees. No Owner may exempt himself from liability for his contribution towards the Common Expenses by waiver of the use or enjoyment of any of the General or Limited Common Elements or by abandonment of his Unit.

Section 3. RECORDS. The Management Agent or Board of Directors shall keep detailed records of the receipts and expenditures affecting the General and Limited Common Elements and any other expenses incurred. Records and vouchers authorizing the payments involved shall be available for examination by the Owner during reasonable business hours.

Section 4. DEFAULT IN PAYMENT OF COMMON CHARGES. The Board shall take prompt action to collect any common charge due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date for payment thereof. In the event of default by any Unit Owner in paying to the Board the common charges as determined by the Board, such Unit Owner shall be obligated to pay a late charge of one and one-half (1½%) percent of the delinquent amount per month on such unpaid Common Charge from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board in any proceeding brought to collect such unpaid Common Charges. The Board shall have the right and duty to attempt to recover such Common Charges, together with interest thereon, and the expenses of the proceeding, including attorney's fees in action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 27-31-210, Code of Laws of South Carolina, 1976. With regard to the subordinate nature of such liens as it relates to mortgages recorded prior to the recording of any evidence of such lien, the provisions of Section 27-31-210, Code of Laws of South Carolina, 1976, as amended, shall be controlling. The Board shall, for a reasonable fee, promptly provide any purchaser, Unit Owner, mortgagee or prospective mortgagee of a Unit so requesting the same in writing, with a written statement of all unpaid Common Charges due from the Owner of that Unit and the purchaser's liability therefor shall be limited to the amount as set forth in the statement. Any mortgagee holding a lien on a Unit may pay any unpaid Common Charges payable with respect to such Unit and upon such payment such mortgagee shall have a lien on such Unit for the amounts paid of the same rank as the lien of his encumbrance. Such unpaid Association expenses, however, may be paid out of the proceeds from the sale of a Unit or by the

grantee. Upon the written request of an Owner or Owner' s prospective buyer, the Board or the Management Agent shall furnish a written statement of the unpaid charges due form such Owner which shall be conclusive evidence of the payment of amount assessed prior to the date of the statement, but unlisted thereon. Further, the Association shall undertake to provide copies of these By-Laws or other materials described by the Association upon the written request of a Co-Owner in connection with the sale or lease of their Unit. A reasonable charge may be made by the Board for the issuance of statements and other materials.

The provisions of this Section shall not apply to the acquisition of a Unit by a mortgagee who shall acquire title to such Unit by foreclosure or by deed in lieu of foreclosure. In such event, the unpaid assessments against the Unit which were assessed and became due prior to the acquisition of title to such Unit by such mortgagee shall be deemed waived by the Association and shall be charge to all other Co-Owners of the Association as a Common Expense. Such a provision shall not however apply to any assessments which are assessed and become due after the acquisition of title to such Unit by the mortgagee and to any purchaser to such mortgagee.

Section 7. MAINTENANCE AND REPAIR

(a) Each Co-Owner must perform work within his own Unit, which, if omitted, would affect the Property in its entirety or in a part belonging to another Co-Owner, being expressly responsible for the damages and liabilities that his failure to do so may engender.

(b) All the repairs of the Units and of those items described in Section 5.06 of the Master Deed, and of all other accessories and Limited Common Elements appertaining or belonging to the Unit shall be at the expense of the Co-Owner.

(c) All maintenance, repair and replacement to the Common Elements as defined in the Master Deed, unless otherwise provided in the Master Deed, shall be made by the Board or its agent and shall be charged to all the Unit Owners as a Common Expense, excepting to the extent that the same may be necessitated by the negligence, misuse or neglect of the Unit Owner, in which such case the expense shall be charged to such Unit Owner.

(c) CABLE TELEVISION/SATELLITE COMMUNICATIONS. Except with the prior written approval of the Board of Directors, its Management Agent, or a Board designated Committee, which approval shall not be unreasonably withheld, no outside television or radio aerial or antenna, satellite dish, or other device, for the reception or transmission of radio or television, or other electronic signals, shall be erected or maintained on any Unit or upon the exterior of any Unit, Common Element or the Limited Common Elements appurtenant to any Unit. The Board of Directors or its Management Agent or its designated Committee, may approve any applications for the installation if the installation is for the personal use of the Owner, and either (a) the device shall not be visible from neighboring Units, streets or common area; or (b) the Unit Owner, prior to installation, has received the written consent of all of the Owners of all Units who would have views of the installation from their Units; (c) and all other private and public approvals, as applicable, have been obtained. In approving such applications, the Board of Directors, its Management Agent, or its designated Committee shall have the power to require such specific forms of placement of the device as it deems appropriate in order to effectuate the intent of this Section 8(c) that such devices be as inoffensive as possible to other Owners and Residents. All installations must comply with local zoning requirements and building codes, of applicable. Any Owner requesting such a device may be required to pay a reasonable charge to the

Association for the reviewing of such Application by the board, its Management Agent, or its designated Committee. Further, the Owner shall be required to pay the installation costs for installing such device and to pay all bills associated with such Owner's use of the device.

The Board may approve the use of such devices to serve the Common Elements and the Board shall pay all costs of installation and bills for use of such devices in such portions of the Common Elements as a Common Expense.

Section 9. USE OF UNITS - INTERNAL OR EXTERNAL CHANGES

(a) A Co-Owner may make internal structural modifications or alterations in his Unit or installations located therein subject to Sections 5.10 and 5.11 of the Master Deed. As provided in Section 5.10 of the Master Deed, the Association shall have the obligation to answer within sixty (60) days from the actual receipt of such notice.

(b) A Co-Owner shall make no changes or additions whatsoever to the exterior of the Unit, any stairs or decks, appurtenant thereto, or to any of the Limited Common Elements without prior written approval of the Board. The Board may also approve minor additions to landscaping and other exterior minor changes or additions of this nature which in its sole discretion will not interfere or conflict with the overall scheme and appearance of the common areas. If any changes as described herein are approved by the Board, the Co-Owner requesting such change shall be totally financially responsible for the cost of such change and the incurred costs, if applicable, of the maintenance and repair of such change. The Board, through its agent, may include this additional maintenance cost in the periodic assessment for the Unit in question.

Section 10. USE OF COMMON ELEMENTS. Except as authorized by Section 9(b) a Co-Owner shall not place or cause to be placed in the passages, parking areas, roads, or other common areas any furniture, packages or obstructions of any kind. Such areas shall be held in common for the enjoyment of the Co-Owners and shall be used for no other purpose than for normal transit through or use of them and for normal vehicular parking.

Section 11. RIGHT OF ENTRY.

(a) A Co-Owner shall grant the right of entry to the Management Agent or to any person authorized by the Board in case of any emergency originating in or threatening his Unit, whether the Co-Owner is present at the time or not.

(b) A Co-Owner shall permit other Co-Owners, or their representatives, when so required, to enter his Unit for the purpose of performing installations, alterations, or repairs to the mechanical or electrical services, provided that such requests for entry are made in advance and that such entry is at a time convenient to the Co-Owner. In case of emergency, the right of entry shall be immediate.

Section 12. RULES OF CONDUCT. In order to assure the peaceful and orderly use and enjoyment of the Units and Common Elements of the Association, the Co-Owners may from time to time adopt, modify, and revoke in whole or in part by a vote of the Members present in person or represented by proxy whose aggregate interest in the Common Elements constitutes two-thirds of the total interest, at any meeting duly called for the purpose, such reasonable rules and regulations, to be called Rules of Conduct, governing the conduct of persons on said property of the Association as it may deem necessary. Such Rules of Conduct, upon adoption, and every Amendment, modification, and revocation thereof, shall be delivered promptly to each Owner by posting same with postage prepaid addresses to the Owner at the last registered address of the Owner and shall be binding upon all Unit Owners and the occupants of Units in the Regime. The following shall constitute the initial Rules of Conduct for the Regime:

(a) Residents shall exercise extreme care to avoid unnecessary noise or the use of musical instruments, radios, televisions and amplifiers that may disturb other residents.

(b) No Co-Owner shall:

(1) Post any advertisements or posters of any kind in or on the Property except as authorized by the Association;

(2) Hang garments, towels, rugs, or similar objects from the windows or balconies or from any of the facades of the Property;

(3) Clean dust mops, rugs or similar objects from the windows or balconies by beating on the exterior part of the Property;

(5) Act so as to interfere reasonably with the peace and enjoyment of the residents of the other Units in the Property;

(6) Maintain any pets which cause distress to Co-Owners through barking, biting, scratching or damaging of property or persons. No more than two (2) pets may be maintained in any Unit unless otherwise approved by the Board. Aggressive breeds as determined by the Board may be prohibited.

(7) Operate or utilize any charcoal or gas grills, either permanent or portable, on the decks or balconies or in the close proximity of the Units, it being understood that such use is a violation of local fire ordinances.

(8) Operate, park, or store on the Property any recreational vehicles, motor homes, motorcycles, mopeds, trucks, trailers, commercial vans or boats.

(9) Maintain on the property more than two (2) vehicles unless otherwise approved by the Board, all said vehicles being operational and properly registered under South Carolina law.

(c) No Co-Owner, resident, or lessee shall install wiring for electrical or telephone installations, televisions or radio antenna, air conditioning fixtures, or similar objects outside of his dwelling or which protrudes through the walls or the roof of his Unit except as authorized by the Board and where appropriate Subject to Section 8(c) of this Article VII.

(d) Until the Board is elected by the Co-Owners, the Declarant may amend, delete or add to the Rules of Conduct at its sole discretion. Thereafter

the Board shall have this right. Any amendment to the Rules of Conduct shall be effective upon distribution in writing to the Co-Owners.

Section 13. ABATEMENT AND ENJOINMENT OF VIOLATIONS BY UNIT OWNERS. The violation of any rules or regulations adopted by the Board or the breach of any By-Laws contained herein, or the breach of any provisions of the Master Deed, shall give the Board the right, in addition to any other rights set forth in these By-Laws: (a) to enter the Unit in which or as to which such violations or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition, that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach and to recover the cost of such enforcement, including attorney's fees, and until such expense is recovered it shall be a lien upon said Unit which lien shall be inferior to the lien of all prior mortgages; or (c) to impose fines for violations thereof in amounts determined by the Board, said five to be added to the assessments payable hereunder by the defaulting Unit Owner.

Section 14. FISCAL YEAR. The fiscal year for the Association shall begin on the 1st day of April of each year; provided, however, that the Board of Directors is expressly authorized to change to a different fiscal year in accordance with the provisions and regulations from time to time prescribed by the Internal Revenue Code of the United States of America, at such time as the Board of Directors deems it advisable.

Section 15. LITIGATION. No judicial proceeding shall be commenced or prosecuted by the Association unless approved by a vote of seventy-five percent (75%) of the votes eligible to be cast by the Owners and as long as Declarant owns not less than ten (10%) percent of the Units. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided herein; (c) proceedings involving taxation, including, e.g., challenges to ad valorem taxation; or (d) counterclaims brought by the Association in proceedings instituted against it. In the event any litigation is instituted, then the Association shall access all Owners for the costs of litigation, including, without limitation, attorney's fees incurred, and funds from regular assessments shall not be used for any such claim or litigation; provided, however, that this 75%

threshold requirements may be eliminated by the Board at any time after January 1, 2010.

ARTICLE VIII

INSURANCE

The Board of Directors shall be required to obtain and maintain, as set forth below, in forms and amounts as hereinafter prescribed and which are also satisfactory to any mortgagee holding mortgages on five or more Units, the following insurance, without prejudice of the right of the Co-Owner to obtain additional individual insurance at his own expense:

Section 1. HAZARD INSURANCE. The Board of Directors shall insure the Property, as it may be constituted from time to time, against loss or damage due to fire, windstorm, lightning, and flood, with extended coverage, in an amount not less than the maximum insurable replacement value of the Property as determined by the Board upon recommendation made by the Regime's insurer, it being understood that the Board, at its discretion may have an appraisal made of the Property for this purpose, or in the amount reasonably obtainable as it relates to the flood coverage. The Board of Directors shall have the Authority also to insure against other hazards and risks as it may deem desirable for protection of the Property. All hazard insurance shall cover the entire Property, exclusive only of the contents and furnishings of the individual Units.

(a) All hazard insurance policies obtained by the Board of Directors shall designate the Board of Directors as the named insured as Insurance Trustee for the benefit of all the Owners and their mortgagees collectively, as their respective interests may appear. In the event of loss or damage, all insurance proceeds shall be paid jointly to the Board of Directors as Insurance Trustee under the provisions of this Master Deed and to any mortgagee holding mortgages on five or more Units, it being understood and acknowledged that the distribution of such proceeds shall be controlled by the Horizontal Property Act and the provisions of this Master Deed.

(b) All hazard insurance policies obtained by the Board of Directors shall provide for the issuance of Certificates of Insurance to each Unit Owner. Each Certificate shall evidence the issuance of the Master Policy and shall indicate the amount of insurance covering the

building within which the respective Unit is located. If a Unit is mortgaged, a Certificate of Insurance shall be issued to the mortgagee bearing a standard mortgagee endorsement, if requested.

(c) If obtainable, all hazard insurance policies upon the Property shall include provisions waiving (i) any rights of the insurer to subrogation against the Association, its agents and employees, and against the individual Owners and their servants, agents, and guests; and (ii) any rights of the insurer to contribution from hazard insurance purchased by the Unit Owner upon the contents and furnishings of their Units.

(d) Each mortgagee of which the Board has notice as herein provided shall be entitled to receive upon request, a statement of the replacement value as determined herein this Section 1. If any such mortgagee disagrees with the values assigned to the Property by such determination and presents an appraisal prepared at such mortgagee's expense showing higher values which has been performed by a qualified appraiser, then the Board shall either adopt the higher value or shall cause a reappraisal to be made by a qualified appraiser approved by the Board and by the appraisers who conducted the prior appraisals and the findings of the third appraiser shall be conclusive to determining such value for insurance purposes.

(e) Each hazard insurance policy shall contain a loss payee provision designating the interest of the various mortgagees as to the various Units within the Regime which are covered by the Master Policy. Such policies shall also provide that they shall not be cancelled without giving thirty (30) days prior written notice to all such mortgagees about which the insurer has been given written notice.

Section 2. PUBLIC LIABILITY INSURANCE. The Board of Directors shall obtain comprehensive public liability insurance with limits and provisions as it deems desirable and as may be obtainable. All such policies shall contain severability of interest clauses or endorsements extending coverage to liabilities of the Association to an individual Unit Owner and to liabilities of one Unit Owner to another Unit Owner.

Section 3. WORKMEN'S COMPENSATION INSURANCE. The Board of Directors, as necessary, shall obtain Workmen's Compensation Insurance to meet the requirements of law.

Section 4. PREMIUMS. All premiums upon insurance policies purchased by the Board of Directors shall be assessed as Common Expenses to be paid by the Unit Owners through periodic assessment as herein provided.

Section 5. ADJUSTMENT. Each Unit Owner shall be deemed to have delegated to the Board of Directors his right to adjust with insurance companies all losses under policies purchased by the Association, subject to the rights of mortgagees of such Unit Owners.

Section 6. INSURANCE BY UNIT OWNERS. Each Unit Owner shall be responsible for obtaining, at his sole expense, insurance covering the personal property, wall coverings, decorations, and furnishings within his own Unit and the additions and improvements made by him to the Unit. Each Unit shall be responsible for obtaining, at his sole expense, insurance covering the personal property, wall coverings, decorations, and furnishings within his own Unit and the additions and improvements made by him to the Unit. Each Unit Owner shall also be responsible for obtaining at his own expense, insurance covering his liability for the safety of the premises within his Unit. All such insurance policies shall included, however, provisions waiving (i) any right of the insurer to subrogation claims against the Association and against individual Unit Owners, as well as their agents, servants, employees, and guests; and (ii) any right of the insurer to contribution or proration because of the master hazard policy.

As set forth in Section 5.06 of the Master Deed, the Co-Owner is responsible for any damage to his Unit or another Unit caused by his negligent action or inaction. If a claim is made against the Association's policy as a result of such negligence by a Co-Owner, then the Board may make a determination to assess any non-reimbursable expenses, such as the deductible, attorney's fees, and the like, against the negligent Co-Owner, and such assessment shall be collectible just as any other assessment described in Section 1 of Article VII.

Section 7. DISTINCTION ON OWNER'S COVERAGE AND REGIME COVERAGE. As reflected above, both the Association and the Co-Owner have certain insurers' responsibilities. The Board, acting through the Management Agent, shall have the discretion to balance competing interests of

said insurers, should such an occasion arise. Each Co-Owner shall, upon request, provide to the Management Agent, the name and address of his insurer.

Section 8. SUBSTITUTION OF INSURANCE TRUSTEE. The Board of Directors, in its discretion, may decline to serve as Insurance Trustee and may appoint in its place any financial institution which is qualified and willing to act as Trustee and which also has offices in Beaufort County, South Carolina. Any substitute Insurance Trustee appointed by the Board of Directors shall succeed to all of the powers and responsibilities vested in the Board as Insurance Trustee under the terms of this Master Deed.

ARTICLE IX

RECONSTRUCTION AND REPAIR

In the event of casualty loss or damage to the Property, the Board of Directors shall be responsible for applying the proceeds of all casualty insurance to the repair or reconstruction of the Property in accordance with the provisions of this ARTICLE IX. Reconstruction or repair shall be mandatory unless otherwise provided in the Act, as amended from time to time, or unless seventy-five (75%) percent or more of the Unit Owners vote, at a duly authorized meeting, not to reconstruct. In situations where reconstruction or repair is not to be undertaken, the insurance indemnity received by the Board of Directors shall be distributed pro-rate to the Unit Owners and their mortgagees jointly in proportion to their respective statutory interests. The remaining portion of the Property shall be subject to an action for partition at the suit of any Unit Owner or lien or as if owned in common. In the event of suit for partition, the net proceeds of sale, together with the net proceeds of insurance policies, shall be considered one fund and distributed pro-rate among all Unit Owners and their mortgagees jointly in proportion to their respective statutory interests. In the situation where reconstruction or repair is undertaken, then such Property shall be repaired in the following manner:

(1) Any reconstruction or repair must follow substantially the original plans and specifications of the Property (attached as Exhibit "C-1" to the Master Deed) unless the Unit Owners holding seventy-five percent (75%) or more of the total interest in Common Elements and their mortgagees, if any, vote to adopt different plans and specifications and all Owners whose Units are being reconstructed or repaired unanimously consent to the adoption of such different plans and specifications. The approval of such plans by Declarant as provided

by the covenants set forth in Section 16 of the Master Deed shall likewise be required.

(2) The Board of Directors shall promptly obtain estimates of the cost required to restore the damaged property to its condition before the casualty occurred. Such costs may include such professional fees and premiums for bids as the Board of Directors deems necessary.

(3) If the insurance proceeds paid to the Board are insufficient to cover the cost of reconstruction , the Association may use funds out of its reserve or replacement accounts, and, if still not sufficient, the Association shall levy and collect an assessment against all Owners in an Amount which shall provide the funds required to pay for the repair, replacement or reconstruction.

(4) The insurance proceeds received by the Board of Directors and the mortgagees, and any special assessments collected to cover a deficiency in insurance shall constitute a construction fund from which the Board of Director and the mortgagees, shall disburse payment of the costs of reconstruction and repair. The first disbursements from the construction fund shall be insurance proceeds; and if there is a balance in the fund after payment of all costs of reconstruction and repair, it shall be distributed to the Unit Owners who paid special assessments in proportion to their payments. Any balance remaining after such distribution shall be retained by the Association.

ARTICLE X

INSURANCE TRUST

In the event of casualty loss to the Property, all insurance proceeds indemnifying the loss or damage shall be paid jointly to the Board of Directors as Insurance Trustee and to any mortgagee holding mortgages on five or more Units. The Board of Directors, acting as Insurance Trustee, shall receive and hold all insurance proceeds in trust for the purposes stated in this ARTICLE X and the benefit of the Association, the Unit Owners, and their respective mortgagees in the following share:

(1) Insurance proceeds paid on account of loss or damage to the Common Elements only shall be held in the same proportion as the undivided interests in the Common Elements which are appurtenant to each of the Units.

This matter comes before me upon the Rule to Show Cause filed by Michael W. Mogil, Attorney for the Plaintiffs, and upon the pleadings and affidavits in this matter, and the findings of fact incorporated herein.

IT IS THEREFORE ORDERED that:

Phase I as described in the Master Deed and exhibits thereto, incorporates all of the real property presently conveyed and deeded into the within The Edgewater on Broad Creek Horizontal Property Regime.

2. At the meeting on October 30, 2006, the twenty two co-owners present in person or by proxy unanimously voted to establish a Board of Directors empowered to manage the Association pursuant to its By Laws and the aforementioned Master Deed. HAND DELIVERED

RE: Edgewater on Broad Creek; Tabby Pathway; Expedited Development Plan Review Application No. XDPR100013 – Our File No. 01505-005

Dear Teri:

We represent Ephesian Ventures, LLC ("Ephesian"), which owns a 16.01 acre tract adjacent to the Edgewater on Broad Creek Horizontal Property Regime (the "Regime"). The Regime was established by the Master Deed (the "Master Deed") recorded on December 31, 2002 in the Office of the Register of Deeds for Beaufort County, SC in Record Book 1689 at Page 574. A copy of the Master Deed is enclosed herewith.

The Master Deed submitted 7.64 acres of the Edgewater on Broad Creek property to the provisions of the South Carolina Horizontal Property Act, Section 27-31-10, *et. seq.* of the Code of Laws of South Carolina (1976), as amended (the "Act"). Ephesian is the owner of property at Edgewater on Broad Creek not submitted to the provisions of the Act by the Master Deed.

Ephesian is also the holder of the rights of the Declarant under the Master Deed by way of that certain Quitclaim Deed from the Trustee in Bankruptcy for Broad Creek Edgewater, LP, recorded on July 7, 2008 in Beaufort County Record Book 2742 at Page 2049 (the "Quitclaim Deed"). A copy of the Quitclaim Deed is enclosed herewith.

It has come to Ephesian's attention that Edgewater on Broad Creek Owners' Association, Inc. (the "Edgewater HOA") filed the above-referenced application for Expedited Development Plan Review (the "XDPR Application") on April 12, 2010 in connection with the construction of a tabby pathway and related recreational amenities on the Regime property. A Notice of Action on the XDPR Application was issued on April 15, 2010.

LAW OFFICE OF
CHESTER C. WILLIAMS, LLC

By way of our letter of April 15, 2010 to Nicole Dixon, we had asked that Nicole advise of us the filing of the XDPR Application, specifically for the purpose of reviewing the XDPR Application for compliance with applicable restrictive covenants. A copy of our April 15, 2010 letter to Nicole is enclosed. However, despite our written request, we were not advised by Nicole of the filing of the XDPR Application until we received her email of April 20, 2010, in which Nicole also advised us of the issuance of the Notice of Action on the XDPR Application. We obtained a copy of the XDPR Application on April 26, 2010 when we reviewed the Town's file on the XDPR Application.

Among the rights reserved under the Master Deed to the Declarant, as defined in the Master Deed, and held by Ephesian pursuant to the Quitclaim Deed, are the right to improve the Regime by clearing, tree pruning, constructing additional parking and common facilities, including, but not necessarily limited to recreational facilities, drainage facilities, lagoons, and the like. In addition, Ephesian holds rights of ingress and egress across the Regime property, the rights to install utility and drainage lines, equipment and facilities over the Regime property, and the right to grant easements over the Regime property. Further, Ephesian owns all water and sewer lines, pipes, pumps, pumping stations, and other equipment and facilities on the Regime property. We refer you to Exhibit A to the Master Deed.

Our review of the Town's file on the XDPR Application clearly indicates that the XDPR Application was incomplete when filed and when the Notice of Action was issued. The XDPR Application also represents that there are no recorded private covenants and/or restrictions that are contrary to, conflict with, or prohibit the proposed request. As you can readily ascertain from this letter, Ephesian believes this representation is clearly false, as the Edgewater HOA's tabby pathway and related recreational amenities are in conflict with, and prohibited by, the provisions of the Master Deed.

Section 6-29-1145(B)(3) of the Code of Laws of South Carolina (1976), as amended provides, in part,

> (B) If a local planning agency has actual notice of a restrictive covenant on a tract or parcel of land that is contrary to, conflicts with, or prohibits the permitted activity:
>
> (3) from any other source including, but not limited to, other property holders, the local planning agency must not issue the permit unless the local planning agency receives confirmation from the applicant that the restrictive covenant has been released for the tract or parcel of land by action of the appropriate authority or property holders or by court order.

Ephesian does not intend to relinquish any rights reserved to the Declarant under the Master Deed and the Quitclaim Deed, and is opposed to the project contemplated by the XDPR Application. Accordingly this letter provides the Town of Hilton Head Island with actual notice of a restrictive covenant on the Regime property that is contrary to, conflicts with, or prohibits the permitted activity.

We trust that the Town will take the appropriate action by rescinding the Notice of Action on the XDPR Application, and by not issuing any permit or other Notice of Action in connection with the XDPR Application until the XDPR Application is complete, and there is full compliance with the provisions of Section 1145(B)(3) of the South Carolina Code.

With best regards, we are

Very Truly Yours,

RE Edgewater on Broad Creek tabby walkway
XDPR10013

Dear Mr Bucko:

Town Staff has rescinded the Notice of Action issued to Edgewater on Broad Creek to construct a tabby walkway and brick areas at 50 Verbena Lane (Expedited Development Plan Review (XDPR10013) The Notice of Action has been rescinded and the project denied based on discovery that misinformation was provided by you as part of the application After further review by the Town's attorney the proposed project is in violation of the Master Deed Establishing the Edgewater on Broad Creek Horizontal Property Regime (Phase 1) According to information contained in the deed, Ephesian retains all rights that went with the property transfer as part of the bankruptcy South Carolina Code of Laws (Section 6-29-1145(B)(3)) prohibits the issuance of permits and approvals if they are contrary to the restrictive covenants Therefore prior to the review of any subsequent applications you must receive written approval from Ephesian based on requirements in the recorded covenants and submit it as part of your application

Please be aware that per Town Land Management Ordinance (LMO) Section 16-3-309 should you disagree with the denial of XDPR100013 you may appeal to the Town's Planning Commission

Additionally, the approval to install a new pool, Design Review Board application DR100017 has been voided by Town Staff for the reasons as described in the first paragraph above

STATE OF SOUTH CAROLINA COUNTY OF BEAUFORT	)	IN THE COURT OF COMMON PLEAS C/A: 2011-CP-07-02994
Edgewater on Broad Creek Owners Association, Inc. and the Council of Co-owners of the Edgewater on Broad Creek Horizontal Property Regime Phase I, Plaintiffs, -vs- Ephesian Ventures, LLC, Defendant.	)	**ANSWER, MOTIONS TO DISMISS AND COUNTER-CLAIM**

FILED
11 SEP 15 PM 3:18
BEAUFORT COUNTY, S.C.

Defendant, Ephesian Ventures, LLC, ("Ephesian") by and through its undersigned counsel, hereby answers the Complaint of the Plaintiffs dated July 19, 2011, as follows:

1. All allegations of the Plaintiffs' Complaint not specifically admitted herein are hereby denied.

2. The allegations of paragraph 1 of the Plaintiffs' Complaint are hereby admitted with the exception that Defendant is unclear as to the meaning of the statement that the Association has operated as an independent property owners' association since October 30, 2006, and therefore denies the same and demands a more definite statement.

3. Answering paragraph 2, Defendant denies that the Council of Co-owners of the Edgewater on Broad Creek Horizontal Property Regime Phase I is a legitimate entity; therefore, it would allege that it is not a proper party to this case and denies that it has the authority to represent the 23 Co-owners within Phase I of the Regime as alleged.

4. To the extent that the Co-owners referred to in paragraph 3 of Plaintiffs' Complaint is intended to be a reference of the improper entity, counsel of Co-owners, the allegations of paragraph 3 are hereby denied.

5. The allegations of paragraph 4 are hereby denied.

6. The allegations of paragraph 5 are admitted only insofar as on or about May 9, 2007, Broad Creek Edgewater was placed into Chapter 7 bankruptcy by its creditors and that the case was filed as *In Re: Broadcreek Edgewater, LP* (improperly identified as "Broadcreek Edgewater, LLC") in the District of South Carolina. It is further admitted that Kevin Campbell was appointed the Chapter 7 Trustee. All remaining allegations of paragraph 5 are hereby denied.

7. The allegations of paragraph 6 are hereby denied.

8. The allegations of paragraph 7 are admitted only insofar as said paragraph alleges that Defendant, Ephesian Ventures, LLC, purchased 16.01 acres from the Chapter 7 bankruptcy Trustee on July 7, 2008 and that the 16.01 acres is directly adjacent to property owned by the members of the Plaintiff Association. The remaining allegations of said paragraph are hereby denied.

9. Answering paragraph 8, Defendant admits that beginning October 2008, Defendant and Plaintiffs engaged in discussions relating to future use of the property owned by the Defendant. All remaining allegations of paragraph 8 are hereby denied.

10. The allegations of paragraph 9 are hereby denied.

11. The allegations of paragraph 10 are hereby admitted.

12. Defendant lacks sufficient information with which to respond to the allegations of paragraph 11 and therefore denies the same and demands strict proof thereof.

13. The allegations of paragraph 12 are hereby denied insofar as said paragraph mischaracterizes the chronology of events that it attempts to depict. Defendant admits that Plaintiff Association's pool permit initially received design review approval from the Town after a merits hearing in April 2010 for which the Defendant received no notice. It is further admitted that Ephesian issued a letter to the Town through its attorney dated April 28, 2010 opposing the issuance of a development Permit for a tabby walk project and that ultimately the Town rescinded the design approval for the pool. The remaining allegations of paragraph 12 are hereby denied.

14. The allegations of paragraph 13 are admitted insofar as said paragraph alleges that during the same time period in or about April 2010, the Plaintiffs constructed a tabby walk path on the 7.64 acre parcel. It is further admitted that a representative from Ephesian notified the appropriate Town of Hilton Head Island officials of the construction of the path and that the officials then notified Plaintiffs' agent that the Town believed that the construction of such a path required a formal Permit. All remaining allegations of paragraph 13 are hereby denied.

15. The Defendant lacks sufficient information with which to respond to the allegations contained within paragraph 14 that the property manager for the Plaintiffs applied for a formal Permit for the tabby walk which was initially issued by the Town as XDPR10013. The remaining allegations of paragraph 14 are admitted.

16. The allegations of paragraph 15 are admitted only insofar as said paragraph alleges that the Town rescinded the tabby walk Permit by letter dated April 30, 2010 and that the same letter voided the design approval for the swimming pool. All remaining allegations of paragraph 15 are hereby denied.

17. The allegations of paragraph 16 are hereby denied.

18. The allegations of paragraph 17 are denied insofar that the use of the word "suggested' mischaracterizes the Town's position when in fact the Town has made it clear that it cannot approve a pool development Permit until the issues regarding the restrictive covenants at Edgewater are resolved.

19. Responding to the allegations of paragraph 18, Defendant admits that its objections to the further development of amenities or structures on the Phase I property in part rely on the language of Section 6(b)(9) of the Master Deed, as well as other authority not referred to in the Plaintiffs' Complaint.

20. The allegations of paragraphs 19 and 20 are hereby denied.

21. The allegations of paragraph 21 are admitted with the exception of the allegation that the plan for preliminary development submitted by Defendant referred to therein included any reference to an interval ownership development and allocation of density.

22. Answering paragraph 22 of Plaintiffs' Complaint, Defendant repeats and realleges the allegations contained in paragraphs 1 through 16 of its Answer and Counter-Claim hereinabove as fully as if repeated verbatim herein.

23. The allegations of paragraph 23 state conclusions of law and therefore require no response. To the extent that a response is required, they are hereby denied.

24. Paragraph 24 of the Plaintiffs' Complaint includes quoted language from the South Carolina Declaratory Judgment Act. Defendant craves reference to that statute in its entirety and denies any allegation or implications of paragraph 24 that are inconsistent therewith.

25. The allegations of paragraph 25 of Plaintiffs' Complaint are hereby denied.

26. The allegations of paragraph 26 of Plaintiffs' Complaint are hereby denied.

27. The allegations of paragraph 27 are hereby denied.

28. To the extent that paragraph 28 and any of its subparts require a response from Defendant, they are hereby denied.

29. The allegations of paragraph 29 are hereby denied.

30. The allegations of paragraph 30 are hereby denied.

31. The allegations of paragraph 31 are hereby admitted with the exception of the allegation that Defendant's activities with regard to the extension of its building permit for the structure referenced therein was without notice to the Plaintiffs.

32. The allegations of paragraphs 32, 33, 34 and 35 are denied.

FOR A SECOND DEFENSE
AND BY WAY OF A MOTION TO DISMISS
FOR LACK OF STANDING /
IMPROPER PARTY AS TO COUNSEL OF CO-OWNERS

33. Defendant repeats and realleges the allegations contained in paragraphs 1 through 32 of its Answer and Counter-Claim hereinabove as fully as if repeated verbatim herein.

34. Upon information and belief, the parties who have brought this action purportedly in the name of the Edgewater on Broad Creek Owners Association, Inc. and the Council of Co-owners of the Edgewater on Broad Creek Horizontal Property Regime Phase I have not complied with the governing documents of those organizations with regard to filing suit in their name and therefore lack standing to prosecute this action. Therefore, Defendant moves for an Order dismissing the Plaintiff's claims.

35. Upon information and belief, there is no such entity as the Council of Co-owners of the Edgewater on Broad Creek Horizontal Property Regime Phase I and therefore, that

non-entity is not a proper party to this action and all claims brought by it should be dismissed.

FURTHER ANSWERING THE PLAINTIFF'S COMPLAINT AND BY WAY OF COUNTER-CLAIM

36. Counter-Claimant Ephesian repeats and realleges its responses to the allegations of the Plaintiff's Complaint as well as its Motions to Dismiss and Affirmative Defenses asserted thereto and incorporates the same herein for purposes of its counter-claims.

37. This Court has jurisdiction to hear the matters set forth below.

FACTUAL ALLEGATIONS

38. Broad Creek Edgewater, LP ("Broad Creek") was the owner of the property that is the subject of this action as of August 2000.

39. In or around August 2000, Broad Creek submitted to the Town of Hilton Head Island a proposed Plan of Development for the 23 acres that it owned wherein it sought approval for the construction of several multi-family structures thereon.

40. The Town approved Broad Creek's Development Plan in accordance with the applicable zoning guidelines. By right of the property status under the applicable zoning laws, Broad Creek was authorized to develop up to twelve (12) multi-family units per acre of the property. The location and configuration of those units within its 23 acres were left to the discretion of Broad Creek as the Developer.

41. Broad Creek's development rights were freely assignable.

42. In 2002, Broad Creek created the Edgewater on Broad Creek Horizontal Property Regime ("Regime") by filing the Master Deed establishing the Edgewater on Broad Creek Horizontal Property Regime (Phase I) ("Master Deed").

43. Broad Creek is described in the Master Deed as the Declarant.

44. The Property as defined in the Master Deed consists of 7.64 acres as depicted on Exhibits A, B and C of the Master Deed and an enjoining tract referred to in the Master Deed as "Additional Property" consisting of 16.01 acres on an adjacent tract and set forth on Exhibit A-1 to the Master Deed.

45. The Master Deed contemplates that Phase I of the Regime will consist of a single multi-family building. The Master Deed further contemplates that additional phases may be constructed in the future at the Declarant's discretion. Paragraph 6 of the Master Deed reads, in part:

> (a) Land. The lands which **may** be made subject to this Master Deed are those certain tracts or parcels described in Exhibits "A," "A-1," and B attached hereto and consisting of approximately 23.65 acres, which are owned by Declarant in fee simple subject to certain liens, encumbrances, rights-of-way, easement, covenants, and restrictions (emphasis added).
>
> Hereafter, at one time, or from time to time, Declarant has constructed or **may**, in the future, construct roadways ("Roadways") providing ingress and egress to and from the Property. Declarant shall not be obliged to convey to the Association these Roadways as a Common Element (but **may** do so at Declarant's sole discretion). However, Declarant herewith conveys to each Owner of a Unit and to every permitted occupant of that Unit, a non-exclusive, temporary easement over, upon, and across such Roadways which are not included in the description of the Property at Exhibit "A," **if** any, for ingress and egress to and from Marshland Road. These non-exclusive easements are temporary and shall automatically terminate and become null and void immediately upon merger by incorporation of any part of the Roadways into another Horizontal Property Regime, the Master Deed of which establishes or conveys a permanent, non-exclusive, unrestricted easement for passage over that portion of the Roadways by Owners of Units created by this Master Deed. Declarant reserves the right, in its sole discretion, to relocate these areas and the temporary easements over them without notice to any Owner or occupant of a Unit. In such event, Declarant shall and is hereby especially empowered to prepare and record in the ROD Office for Beaufort County, South Carolina, an Amendment to this Master Deed, amending Exhibit "A" hereto, to show the areas and revised areas of these non-exclusive easements, without notice to or consent by Owners or occupants of Units. Such Amendment to be effective upon recordation of

same in the ROD Office for Beaufort County, South Carolina (emphasis added).

(b) Incorporation of Additional Property. Hereafter, at one time or from time to time, Declarant, its successors and assigns hereby expressly reserves the right to be exercised in its sole discretion to submit one or more parcels of Additional Property to the provisions of the Act by incorporating them within this Master Deed. Additional Property shall be submitted to the Act subject to all recorded utility easements and other easements discussed in this Master Deed and any Amendments hereto. The maximum extent of additional land that the Declarant **may** submit to the provisions of this Master Deed is that property containing approximately 16.01 acres of land, as described on Exhibit "A-1," attached hereto and incorporated herein by reference (emphasis added).

A general description of the plan of development follows:

(1) The maximum number of Units in each proposed stage of development. There are six (6) proposed stages ("Phases") of development. Phase I consists of twenty-three (23) units; subsequent Phases ("Future Phases"), **if** developed, will have together no more than one hundred twenty-four (124) additional Units.

(2) The dates by which the Owner submitting such property to Condominium ownership will elect whether or not he will proceed with Phase. For all proposed Phases, the election whether or not each Phase will proceed shall be made by December 31, 2010.

(3) A general description of the nature and proposed use of any additional Common Elements, which the Owner submitting Property to Condominium ownership proposes to annex to the Property described in the Master Deed, such Common Elements might substantially increase the proportionate amount of the Common Expenses payable by the existing Unit Owners. There are no such additional Common Elements contemplated in the plan of development, which, reasonably considered, might substantially increase the proportionate amount of the Common Expenses payable by existing Unit Owners. At present, it is contemplated that Future Phases **may** include a large waterfront pool and a community observation pier on Broad Creek (emphasis added).

* * *

(5) Declarant, its successors and assigns **may**, in its sole discretion, incorporate one or more Future Phases into the Regime (emphasis added).

(6) Declarant **may**, in its sole discretion, vary the order of inclusion of any and all Future Phases, such that a Phase may be included out of numerical order (emphasis added).

(7) Declarant **may**, in its sole discretion, vary the design of each Phase and the design of Units within each Phase that **may** be incorporated or submitted to this Master Deed (emphasis added).

* * *

(9) Any additional amenities or recreational facilities, which **may or may not** be in the additional Phases are solely at the option of Declarant. The description in any sales or promotion literature of the Declarant of any potential additional amenities or recreational facilities shall not, of itself, oblige the Declarant to construct such or to convey them to the Regime as Common Elements (emphasis added).

(10) **If** Declarant shall elect to incorporate one or more Future Phases into the Regime or to submit Additional Property to the Regime, such shall be accomplished by recordation of an Amendment, which shall include the revised Percentage Interest which each Owner owns, to this Master Deed in ROD Office for Beaufort County, South Carolina, and such election shall be effective on the date of recordation (emphasis added).

(11) The Units which **may** be included in Additional Property, which **may** later be added to this Regime, include the Types A, B, and C Units herein described. Notwithstanding the foregoing, the Declarant reserves the right to include other types of Units in the Future Phases (emphasis added).

46. Broad Creek did complete Phase I of the Edgewater condominiums. In addition, it constructed a pool on the Additional Property. However, the pool was never submitted to the Master Deed, nor was it required to do so, and therefore has never been under the ownership or control of the Regime.

47. On or about May 9, 2007, Broad Creek was placed in involuntary bankruptcy. The Regime was a party to the bankruptcy as a purported creditor of Broad Creek . On May

28, 2008, the Bankruptcy Court presiding over the Broad Creek bankruptcy issued an Order, attached hereto as Exhibit 1, stating in part as follows.

> **ORDER APPROVING SALE**
>
> * * *
>
> ORDERED, ADJUDGED and DECREED that the Trustee is authorized to sell and to convey the above-described property free and clear of all liens, judgments and encumbrances pursuant to 11 U.S.C. §363(f), on the terms and conditions recited herein and to sign any and all documents necessary to effectuate the transfer.

48. Pursuant to the Order, the bankruptcy Trustee issued a Bill of Sale for the property attached hereto as Exhibit 2. The buyer of the property was Counter-Claimant Ephesian Ventures, LLC. The Bill of Sale states in part:

(emphasis added)

49. Additionally, the Trustee issued a Quit Claim Deed to Ephesian Ventures, LLC, attached hereto as Exhibit 3 which states in part:

QUIT CLAIM DEED

d. all rights and obligations as the Declarant... under the Master Deed, and any other rights affecting the Property and all of Seller's interest in any roadways, bridges, access ways, easements, covenants, restrictions, or right affecting the Property ... (emphasis added)

50. Subsequent to Ephesian taking possession of the 16.01 acre parcel, Plaintiff Regime entered into a contract with Ephesian attached as Exhibit 4 pertaining to the Association's continued use of the pool constructed by Broad Creek on the 16.01 acre parcel. This contract constitutes the Regime's acknowledgement of both Ephesian's ownership and control of the pool located on its 16.01 acre parcel.

51. The Association made some payments under the contract in exchange for use of the pool but abruptly stopped, citing a lack of funds.

52. Ephesian permitted the Association to continue to use the pool for a period of time despite the Association's non-payment.

53. Ephesian eventually revoked the Association's access to the pool. Ephesian has never been paid the money owed under the pool use contract for those months that the Association failed to make its scheduled payments.

54. Prior to filing bankruptcy, Broad Creek received Permits for the construction of a new multi-family building on the 16.01 acre parcel. Broad Creek began but never completed construction of that building. In 2010, the South Carolina General Assembly

passed the Permit Extension Joint Resolution of 2010 which extended the validity of any existing construction permits such as those issued to Broad Creek in order to provide relief to developers affected by the economic downturn. On August 30, 2010, Ephesian, as the successor to Broad Creek for purposes of permits DPR000052 and DPR000027 to construct a five-story multi-family building on the 16.01 acre parcel and received written confirmation from the Town of Hilton Head Island by letter dated August 9, 2007, attached hereto as Exhibit 5 stating as follows.

> This letter is in reference to your request for a written confirmation that you do not need to file for an application for extension for the approvals of DPR000052 & DPR000027, Edgewater on Broad Creek.
>
> According to the Permit Extension Joint Resolution of 2010 (H.B. 4445), the period for development approvals and any vested right is suspended during the period beginning January 1, 2008 and ending December 31, 2012. Therefore, the clock does not start ticking again for the above referenced project until January 1, 2013. The one year extension you applied for in August of 2009 will be given back to you and on January 1, 2013 you will have five, one year extensions you may apply for before the application will be considered expired.
>
> Should you have any further questions regarding this issue, please contact me at 341-4686.

FURTHER ANSWERING THE PLAINTIFF'S COMPLAINT AND BY WAY OF COUNTER-CLAIM FOR A FIRST CAUSE OF ACTION: DECLARATORY JUDGMENT

55. Counter-Claimant Ephesian repeats and realleges its responses to the allegations of the Plaintiff's Complaint as well as its Motions to Dismiss and Affirmative Defenses asserted thereto and incorporates the same herein for purposes of its counter-claims.

56. The developer rights for the combined 23.65 acres of property granted to Broad Creek Edgewater, LP by the Town of Hilton Head Island predate the formation of the

Regime and are therefore separate and distinct from any rights or obligations of the Declarant under the Master Deed of the Regime.

57. No developer rights were ever conveyed by Broad Creek Edgewater, LP or its bankruptcy Trustee to the Regime or to any of its individual members.

58. All developer rights and any Declarant rights held by Broad Creek Edgewater, LP were conveyed by Broad Creek Edgewater, LP's bankruptcy Trustee to Ephesian.

59. Along with the developer rights conveyed to Ephesian, it received density rights to the entire 23.65 acres previously owned by Broad Creek.

60. Additionally, by right of Ephesian's extension of time to recommence construction of the multi-family building begun by Broad Creek Edgewater, LP in 2006 until January 1, 2013, Ephesian's Declarant rights to submit the building to the Master Deed must be extended along with all other Declarant rights enumerated in the Master Deed to December 31, 2014.

61. Further, Plaintiffs have attempted to circumvent Ephesian's rights as the approved developer of the entire 23.65 acres and, as the Declarant under the Master Deed, by applying to the Town of Hilton Head for permission to construction a pool and a tabby walkway on the 7.64 acre parcel, as more fully described in the Plaintiffs' Complaint.

62. In both instances, Plaintiffs have failed to provide Ephesian with notice of its applications to the Town nor has Ephesian's permission been sought for either project.

63. Ephesian has objected to both Applications and the town has responded in Ephesian's favor by withdrawing its initial approval of the pool construction and declining approval for the construction of the path.

64. In both instances, Ephesian's objections were founded upon its assertion that its approval was required as the holder of all development rights to the 7.64 acre parcel and as the Declarant under the Master Deed.

65. Therefore, Ephesian prays for a declaratory judgment from this Honorable Court finding:

a) that Ephesian has all density rights to the 23.65 acres previously owned by Broad Creek, less the number of units already constructed and independent of any rights or obligations set forth in the Master Deed;

b) that Ephesian's Declarant rights under the Master Deed shall be extended beyond the December 31, 2010 deadline set forth in the Master Deed to December 31, 2014.

c) that because of Ephesian's ongoing rights as Developer and/or Declarant, all proposed construction or placement of common elements on the 7.64 acre parcel, including but not limited to the currently proposed pool and tabby walkway, are subject to its express approval before any application may be made to the Town for the same; and

d) that the Plaintiffs have no rights to access or use the existing swimming pool located on Ephesian's property or to otherwise enter onto Ephesian's property without express permission for any reason.

FURTHER ANSWERING THE PLAINTIFF'S COMPLAINT AND BY WAY OF COUNTER-CLAIM FOR A SECOND CAUSE OF ACTION: BREACH OF CONTRACT

66. Counter-Claimant Ephesian repeats and realleges its responses to the allegations of the Plaintiff's Complaint as well as its Motions to Dismiss and Affirmative Defenses asserted thereto and incorporates the same herein for purposes of its counter-claims.

67. As described above, the Plaintiffs failed to make required monthly payments for the use and enjoyment of Ephesian's pool thereby breaching the license agreement described above.

68. As a result of Plaintiffs' breach, Ephesian is entitled to any and all appropriate damages permitted under the law.

FURTHER ANSWERING THE PLAINTIFF'S COMPLAINT AND BY WAY OF COUNTER-CLAIM FOR A THIRD CAUSE OF ACTION: TRESPASS / NUISANCE

69. Counter-Claimant Ephesian repeats and realleges its responses to the allegations of the Plaintiff's Complaint as well as its Motions to Dismiss and Affirmative Defenses asserted thereto and incorporates the same herein for purposes of its counter-claims.

70. Plaintiffs have illegally trespassed onto Ephesian's property, including but not limited to planting trees and other landscaping across the property line, thereby intruding upon Ephesian's right to quiet enjoyment of its property.

71. Ephesian is therefore entitled to any and all damages that it has suffered as a result of Plaintiff's encroachment as well injunctive relief from the Court ordering Plaintiffs to remove any and all encroachments immediately and at their own expense.

WHEREFORE, having fully answered the Complaint of the Plaintiff, the Defendant prays that the same be dismissed with attorneys' fees and costs and for such

other relief as the Court deems just and proper. Defendant further prays that it be awarded a judgment on its Counter-Claims for declaratory judgment, injunctive relief, actual statutory, actual and consequential damages and that it be awarded interest, costs, and attorneys' fees and for such other and further relief as this Honorable Court deems just and proper.

IN THE UNITED STATES BANKRUPTCY COURT

FOR THE DISTRICT OF SOUTH CAROLINA

IN RE:	
BROAD CREEK EDGEWATER, LP	B/K Case No. 07-02546-DD Chapter 7
Debtor.	**ORDER APPROVING SALE**

THIS MATTER comes before the Court upon the application of Kevin Campbell, the duly appointed and acting Chapter 7 Trustee for the above Debtor (hereinafter referred to as the "Trustee") for authority to sell the property of the estate identified on the attached Exhibit "A" (hereinafter referred to as the "Edgewater Property") free and clear of all liens, judgments and encumbrances pursuant to 11 U.S.C. §363(f). There were no objections to the application.

The Trustee proposes to sell the Edgewater Property to Bear Properties, LLC, a Georgia Limited Liability Company, or its assigns (the "Buyer"). The Buyer is a good faith purchaser for value under §363(m) and does not have any known adverse interest in this case or any parties involved in this case, including the Debtor, its counsel and the U.S. Trustee's office. EPHESIAN VENTURES, LLC,	IN THE COURT OF COMMON PLEAS FOURTEENTH JUDICIAL CIRCUIT CIVIL ACTION NO. 2011-CP-07-2994 PLAINTIFF'S MEMORANDUM OF POINTS AND AUTHORITIES IN SUPPORT OF MOTION FOR PARTIAL SUMMARY JUDGMENT

2015 SEP 21 PM 1:21
JERRI ANN BRENEAU
BEAUFORT COUNTY, S.C.
CLERK OF COURT

COMES NOW the Plaintiff, The Edgewater on Broad Creek Owners Association, Inc. (hereinafter "Plaintiff" or "Association"), by counsel, and for its Memorandum of Points and Authorities in Support of Its Motion for Partial Summary Judgment, states the following.

I. STATEMENT OF MATERIAL FACTS

Plaintiff is a South Carolina non-profit corporation created by recordation with the S.C. Secretary of State on September 16, 2002 of Articles of Incorporation.[1] Plaintiff is the business entity established to be the incorporated "council of co-owners"[2] of Edgewater on Broad Creek Horizontal Property Regime (hereinafter "Regime"). The "declarant" of the Regime was Broad Creek Edgewater, L.P., a South Carolina limited partnership (erroneously referenced at times as "Broad Creek Edgewater, LLC"). The Regime came into existence by recordation of a Master Deed dated December 19, 2002 which, with exhibits, was recorded on December 31, 2002, in the Office of the Beaufort County Register of Deeds in Book 1689 at Page 0574.[3]

Phase I of the Regime consists of 7.64 acres as described in Exhibit A to Exhibit 2 herewith. That translated into construction of 23 units in addition to common elements associated therewith. Exhibit A-1 of Exhibit 2 herewith indicates that an additional 16.01 acres were designated to *possibly* be added to the Regime. As initially contemplated, the Regime, were it to have included all Additional Land, would have had a maximum of 147 units, plus

[1] Attached hereto as Exhibit 1 is a certified copy of Plaintiff's Articles of Incorporation.
[2] *See*, S.C. Code § 27-31-20(e) (1976 as amended); also, *Infra.*, Exhibit 2, Section 4(l).
[3] A certified copy of the Master Deed, with exhibits, is attached hereto and incorporated herein as Exhibit 2. A copy of a plat of the site is attached hereto as Exhibit 2A. *See, also*, S.C. Code § 27-31-30 (1976 as amended).

multiple amenities. (*See*, Exhibit 2, Section 6(b)(1)) Pursuant to Section 6(b)(2) of the Master Deed, the declarant had until December 31, 2010 to submit additional land to the Regime. Neither the declarant, nor its successor Ephesian Ventures, LLC, so acted within the time allotted in the Master Deed by which they are governed.[4] By October 2006, all units of Phase I of the Regime, which together with common elements constituted the entire Regime to that date, had been conveyed to *bona fide* purchasers for value.[5] Moreover, notwithstanding powers residing with declarant Broad Creek Edgewater, L.P. in the Master Deed and the Horizontal Property Act (S.C. Code §§ 27-31-10, *et seq.*, hereinafter the "Act"), a court of competent jurisdiction on or about October 31, 2006, ruled, without limit, that a board of directors had been elected to, with its appointed officers, operate Plaintiff Association to the extent of the 7.64 acres then constituting the Regime.[6]

Creditors caused filing of an Involuntary Petition putting declarant Broad Creek Edgewater, L.P. into Chapter 7 bankruptcy on or about May 9, 2007 in the United States Bankruptcy Court, District of South Carolina. That Court, by Order entered May 28, 2008, approved the Chapter 7 Trustee's proposal to sell the 16.01 acres ("Edgewater Property") owned by the debtor to "Bear Properties, LLC, a Georgia Limited Liability Company, or its assigns (the Buyer)."[7] Subsequently, the Chapter 7 Trustee entered with others into a "Bill of Sale and Instrument of Assignment and Assumption."[8] According to the recitals of the Bill of Sale and Instrument of Assignment and Assumption, Bear Properties, LLC entered into an Agreement of Purchase and Sale of Real Property dated May 6, 2008 and assigned all rights and interests in the Agreement to Appian Visions, LLC, a Georgia limited liability company. Appian Visions, LLC, according to the referenced recitals, assigned all of its rights and interests in the Agreement to the Defendant in this case, Ephesian Ventures, LLC, a Nevada limited liability company. (*See*, Exhibit 6, Page 1) The Chapter 7 Trustee subsequently executed a Quit Claim Deed to Ephesian

Ventures, LLC.[9] In addition to the 16.01 acres of property adjacent to, but never added to the Regime, the Bill of Sale and the Quit Claim Deed purported to transfer to Defendant Ephesian Ventures, LLC certain declarant rights formerly held by declarant Broad Creek Edgewater, L.P.

As described in paragraphs 6 through 9 of Plaintiff's Complaint, a swimming pool had been constructed entirely upon part of the 16.01 acres to which Defendant Ephesian Ventures, LLC had become owner. Most important to the issues raised in Plaintiff's Motion is the tone set by Ephesian Ventures, LLC's actions. After there being an understanding in which the Regime occupants could use the pool and waterfront, Defendant abruptly cut off the use of the swimming pool on July 1, 2009. Defendant Ephesian Ventures, LLC then began exercising an extremely "heavy hand" to frustrate Plaintiff in virtually all of its efforts to obtain for its 23 unit owners accessible amenities on the 7.64 acres constituting the Regime.

In rough chronological order, Plaintiff, Defendant Ephesian Ventures, LLC and the Town of Hilton Head Island played out, without limit, the following events.

- March 2010 – Plaintiff sought a pool permit to construct on Regime (7.64 acres) common elements a swimming pool, and the Design Review Board for the Town of Hilton Head Island approved the proposal after an April 2010 merits hearing.[10]

- Plaintiff began constructing a tabby walk without permit and was stopped by the Town of Hilton Head Island.

- April 12, 2010 – Plaintiff submitted an XDPR permit application for tabby walk.[11]

- April 15, 2010 – The Town of Hilton Head Island issued a Notice of Action (approval) for sidewalk (tabby walk).[12]

- April 15, 2010 – Letter of Defendant Ephesian Ventures, LLC, by counsel, informed Nicole Dixon of the Town of Hilton Head Island that in addition to specific records relating to the Plaintiff, that Defendant desired "receiving copies of any applications submitted by the Edgewater HOA [Plaintiff] with respect to the sidewalk or other pathway installation which is underway last week, which we understand has been stopped by the Town."[13]

[10] A true copy of Plaintiff's pool permit application is attached hereto and incorporated herein as Exhibit 8.
[11] A true copy of Plaintiff's XDPR application for the tabby walk is attached hereto and incorporated herein as Exhibit 9.

[13] A true copy of the April 15, 2010 letter of Defendant's counsel is attached hereto and incorporated herein as Exhibit 11.

• April 20, 2010 – E-mail from Nicole Dixon to counsel for Ephesian Ventures, LLC informing that an applicant for the Plaintiff came in and got an XDPR for the tabby walk last week and it was approved and work completed. Ms. Dixon also said that when Plaintiff came in for the "DPR" for the pool, she would let Defendant's counsel know.[14]

• April 28, 2010 – Ephesian Ventures, LLC, by letter of its counsel demanded that the Notice of Action issued for the tabby walk be rescinded, and upon best information, in so doing omitted a material portion of a South Carolina Code provision referenced, as well as seeking, without hearing, a rescission based upon Plaintiff allegedly having misrepresented itself concerning restrictive covenants in a manner violating the S.C. Code § 6-29-1145(B)(3) (1976 as amended)[15]

• April 30, 2010 – Town of Hilton Head Island notified the Plaintiff its Notice of Action for the tabby walk was rescinded.[16]

• May 17, 2010 – Plaintiff appealed the rescission of the Notice of Action by the Town of Hilton Head Island.[17]

• June 25, 2010 – The Town of Hilton Head Island issued a letter which stated that granting Ephesian Ventures, LLC its requested relief of rescission of Plaintiff's Notice of Action had been error, since making a finding of a misrepresentation about a restrictive covenant required a public hearing to make such a finding. The Town determined to hold the April 30, 2010 Notice of Action in abeyance until the covenant issue was resolved.[18]

• July 8, 2010 – Ephesian Ventures, LLC wrote a letter to Town of Hilton Head Island official Teri B. Lewis informing her it was her duty to rescind Plaintiff's Notice of Action.[19]

• July 9, 2010 – Ephesian Ventures, LLC filed an appeal to the Planning Commission.

• July 26, 2010 – Teri B. Lewis of the Town of Hilton Head Island, by letter, informed Ephesian Ventures, LLC that she would not grant relief it requested without resolution of the covenant issue.

• August 9, 2010 – Ephesian Ventures, LLC appealed to the Board of Zoning Appeals and the Planning Commission.[20]

• August 19, 2010 – Teri B. Lewis decided that the Planning Commission was not the correct body to hear the Ephesian Ventures, LLC appeal.[21]

• September 7, 2010 – Ephesian Ventures, LLC appealed the latest ruling of Teri B. Lewis to the Board of Zoning Appeals and the Planning Commission for the Town of Hilton Head Island.

• September 8, 2010 – Teri B. Lewis decided that the Planning Commission was not the correct body to hear the Ephesian Ventures, LLC appeal.

• March 24, 2011 – Town of Hilton Head Island, by counsel, opined to the Board of Zoning Appeals that rescission by a Town official of Plaintiff's XDPR prior to resolution of the covenants issue would be error.[22]

• Present – There are four separate pending appeals by Ephesian Ventures, LLC with the Town of Hilton Head Island opposing a shell walkway and a small swimming pool proposed for the 7.64 acres owned by Plaintiff. Given the four referenced pending appeals at the Town of Hilton Head Island, the parties came to be before this Court now because of tolling on hearing the appeals at the Town of Hilton Head Island until this Court had made a determination on the existence and applicability of restrictive covenants being referenced.

In appeals by Defendant Ephesian Ventures, LLC to the Town of Hilton Head Island Board of Zoning Appeals, and the Planning Commission, the Defendant engaged in obfuscation as to actual injuries, and circular reasoning about the presence of alleged "misrepresentation" by the Plaintiff on an XDPR application. First, obfuscation: The Defendant's Appeal 100007 filed August 9, 2010 (*See,* Exhibit 18) repeatedly mentions Defendant possessing as to the 7.64-acre Regime, purported "covenants and easements and other rights," "numerous reserved easements and other interests," and "the Declarant Rights." In no instance of which Plaintiff is aware, did Defendant articulate specifically how the Plaintiff's added sidewalk and/or Notice of Action for same, tangibly conflict with a right or easement held by the Defendant.[23] The Defendant does not assert that its easements or rights over the 7.64-acre Regime are exclusive. Moreover, having an easement or right does not mean any and all acts relating to an easement or right conflict with that easement or right. Only when actions conflict with the purpose of the easement is there conflict or encroachment.

[21] A true copy of a Teri B. Lewis letter to Defendant's counsel dated August 19, 2010 is attached hereto and incorporated herein as Exhibit 19.

[22] A true copy of the Town of Hilton Head Island (counsel) March 24, 2011 letter to the Board of Zoning Appeals opining that covenant issue needed resolution is attached hereto and incorporated herein as Exhibit 20.

[23] Attached hereto and incorporated herein as Exhibit 21 is the Affidavit of William Eisenman.

With respect to circular reasoning, one only need follow the "fact" recitation of the Defendant in its August 9, 2010 appeal. Defendant's reasoning is that, by its counsel, it delivered a letter dated April 28, 2010 seeking rescission of the Plaintiff's then-obtained XDPR. Teri B. Lewis of the Town of Hilton Head Island acceded to this request, and wrote an August 30, 2010 letter substantially parroting the reasons given by Defendant's counsel for rescinding the XDPR. Having gotten Ms. Lewis of the Town of Hilton Head Island to put into a letter what Defendant asserted was actionable error by the Plaintiff, the Defendant now uses Ms. Lewis's correspondence of August 30, 2010 as evidence of the merit of Defendant's assertion – which Defendant started. It is similar to starting a rumor, and after it has circulated among others, relying upon the second-hand comments of others to establish the rumor's validity. (*See,* Exhibit 18, Pages 4, 5 and 7)

The unit owners comprising Plaintiff Association are not to blame for the mess made by the declarant, or the overreaching and profit-dominated conduct of declarant's assignee Ephesian Ventures, LLC. Ephesian Ventures, LLC was conveyed title to 16.01 acres and was assigned certain rights – said assignment being subject to existing vested rights of others and to the laws of the State of South Carolina. No one waived their rights simply because Defendant was assigned rights. A review of the Master Deed of the Regime will show that: (a) the Regime is a horizontal property regime consisting of 7.64 acres in which there are 23 condominium units and common elements appurtenant thereto which were part of the conveyancing of the fee simple title to the units; (b) the common elements within the 7.64 acre Regime is owned *pro rata* as tenancy in common by the unit owners; (c) the time for a declarant or the Defendant as assignee to declarant rights to add land to the Regime thereby potentially diluting the interest of unit owners in common elements expired on December 31, 2010, and no such power remains for the declarant or the Defendant; (d) easements held by the declarant and/or Defendant are not held for exclusive use; and (e) some provisions of the Master Deed violate public policy.

II. ARGUMENT

A. Plaintiff sets forth facts entitling it to summary judgment under appropriate standards.

Plaintiff Association has made its Motion for Summary Judgment pursuant to Rule 56, South Carolina Rules of Civil Procedure, and other applicable law. Rule 56 states in

relevant part as follows:

> **(c) Motions and Proceedings Thereon. ...** The judgment sought shall be rendered forthwith *if the pleadings, depositions, answers to interrogatories, and admissions on file, together with the affidavits, if any, show that there is no genuine issue as to any material fact and that the moving party is entitled to a judgment as a matter of law.* A summary judgment, interlocutory in character, may be rendered on the issue of liability alone although there is a genuine issue as to the amount of damages.
>
> * * *
>
> **(e) Form of Affidavits; Further Testimony; Defense Required.** Supporting and *opposing affidavits shall be made on personal knowledge, shall set forth such facts as would be admissible in evidence*, and shall show affirmatively that the affiant is competent to testify to the matters stated therein. Sworn or certified copies of all papers or parts thereof referred to in an affidavit shall be attached thereto or served therewith. ... When a motion for summary judgment is made and supported as provided in this rule, an adverse party may not rest upon the mere allegations or denials of his pleading, but his response, *by affidavits or as otherwise provided in this rule, must set forth specific facts showing that there is a genuine issue for trial.* If he does not so respond, summary judgment, if appropriate, shall be entered against him. Rule 56(c) and (e), SCRCP (2014).
>
> (emphasis added)

In applying Rule 56, SCRCP, the Court must view the facts and inferences there from in the light most favorable to the nonmoving party. However, a party opposing a properly supported motion for summary judgment may not rest on the mere allegations or denials of his pleading. "'When determining if any triable issues of fact exist, the evidence and all reasonable inferences must be viewed in the light most favorable to the non-moving party." Turner v. Milliman, 392 S.C. 116, 122, 708 S.E.2d 766, 769 (2011), *quoting*, Fleming v. Rose, 350 S.C. 488, 493, 567 S.E.2d 857, 860 (2002). "In order to withstand a motion for summary judgment in cases applying the preponderance of the evidence burden of proof, the non-moving party is only required to submit a mere scintilla of evidence. ... In cases requiring a heightened burden of proof, the non-moving party must submit more than a mere scintilla of evidence to withstand a motion for summary judgment." Id., *citing*, Hancock v. Mid-South Management Co., Inc., 381 S.C. 326, 330-331, 673 S.E.2d 801, 803 (2009).

B. Plaintiff has standing to seek a declaratory judgment from this Court.

Plaintiff has sought the approval of Town of Hilton Head Island authorities to build a swimming pool on a common element portion of the 7.64-acre Regime, and with a Notice of Action to an XDPR application that was briefly rescinded, to also build a tabby walk, again on common elements of the 7.64-acre Regime. Defendant has administratively opposed each. (Exhibits 11, 13, 18 and 21) Now, among other things, Defendant argues in defenses an alleged lack of standing of Plaintiff. (*See,* Paragraph 34 of Defendant's Answer and Counterclaims)

Upon best information, Defendant references Article VII, Section 15 of the Regime Bylaws, which are Exhibit D to the Master Deed attached herewith as Exhibit 2 as support for its position that the Plaintiff lacks standing to maintain this action without prior approval of its owners. As Plaintiff has previously stated and Defendant chooses to ignore, by Court Order of October 31, 2006, the viability of a unit owner-constituted Board of Directors was recognized for administering Plaintiff Association. Second, Exhibit 21 hereto, the Affidavit of William Eisenman, makes clear that the Article VII, Section 15 member approval requirement was revoked after January 1, 2010 by the Board of Directors, as permitted. Notwithstanding the Board's revocation, the purported limitation of the Plaintiff's right to exercise its legal rights until expiration of a statute of limitation or later period is against public policy and is void. To the extent of alleged lack of standing it should have been pursued preliminarily. In any event, for the reasons stated, the standing argument of Defendant has no merit.

C. There is no legal or equitable basis for post-development assignment of "development rights" to Defendant Ephesian Ventures, LLC to enable retroactive modification of development decisions and actions previously undertaken by the then-developer/declarant Broad Creek Edgewater, L.P. prior to assignment.

As a *developer* on December 31, 2002, Broad Creek Edgewater, L.P. took *development action* of creating The Edgewater at Broad Creek Horizontal Property Regime by causing at that time the recording in the Office of the Beaufort County Register of Deeds a Master Deed prepared for the most part in accordance with the Act. Broad Creek Edgewater, L.P. was thus a developer and declarant. That Master Deed dedicated 7.64 acres at that time to the Act. Before Defendant ever received an instrument assigning it property, rights or easements, the units together with appurtenant common elements of the 7.64 acres submitted to the Act had been conveyed for value to *bona fide* purchasers.

In paragraph 56 of its Answer and Counterclaim, Defendant claims not only to be assignee of separate and distinct developer rights versus declarant rights, but seems to imply that since development rights preceded declarant rights, that Defendant possesses some power that purportedly *relates back* to pre-condominium days; despite the fact that no such reservation of rights existed at the time of submission of the 7.64 acres to the Act, and the conveyance of units to *bona fide* purchasers.

An assignee generally can obtain no more than that held by the assignor. "Whether Washington's role in the present litigation is that of assignee or equitable subrogee is, we think, relatively unimportant. In either event Washington stands in the shoes of the receiver, who in turn stood in the shoes of Hamlet. If Washington be regarded as an assignee, it can, by virtue of code section 10-706, have no higher right against Kirkland than did Hamlet." W.M. Kirkland, Inc. v. Providence Washington Insurance Co., 264 S.C. 573, 579, 216 S.E.2d 518, 520-521 (1975). "An assignee of a chose in action can claim no higher rights than his assignor had at the time of the assignment." Singletary v. Aetna Casualty & Surety Co., 316 S.C. 199, 202, 447 S.E.2d 869, 870 (Ct.App. 1994).

In looking at an assignment of development rights, the appellate court in Cullen v. McNeal, 390 S.C. 470, 702 S.E.2d 378 (Ct.App. 2010) was guided largely by the applicable "Declarations," i.e., equivalent to our Master Deed. The court approvingly noted the ruling of the circuit court, stating in part, "§ 1.12 of the Declarations provides for a successor-in-title or successor-in-interest to the Developer of Wright's Point. ... In June 2007, Anthony Porter and Jimmy Porter assigned their development rights in Wright's Point to McNeal Partnership, L.P. ... The circuit court noted the conveyance met the requirements of § 1.12 by expressly identifying Anthony Porter and Jimmy Porter 'collectively as developer.'" Id. at 486, 702 S.E.2d at 386.

Unlike the Cullen case, *supra.*, in this case the "Phase I" referenced is Phase I of a horizontal property regime, a creature of statute unlike the Cullen phased development (Wright's Point). "The term *condominium* refers to *a form of ownership* in which a buyer owns a *unit* with an additional ownership interest in the development 'common property'. (In common parlance, however, ... a condominium is a 'thing' that is sold to individuals.) This unit may be an air space or a platted lot." Wayne S. Hyatt, Condominium and Homeowner Association Practice: Community Association Law, 3rd Edition, § 1.06(a)(1), pp. 13-14 (2000).

Accordingly, any assigned developer interest of Ephesian Ventures, LLC in Phase I property is subject to the Master Deed and the Act. Cullen. Any interest claimed by Ephesian Ventures, LLC in the Phase I property, regardless of origin, must have been reserved prior to submission of the 7.64 acres to the Act, and conveyance to individual owners. While under the Master Deed at Section 6(b)(2), certain additional land could be added to the Regime, those rights expired on December 31, 2010. Whatever its assigned rights, Defendant acquired them in May 2008, and took no action thereafter, to submit any additional land to the Regime.

D. Defendant claims rights and easements in the Regime which it shares with Plaintiff. Defendant's rights are not exclusive, and do not constitute veto power. If Defendant claims a right or easement it possesses has been violated by the Plaintiff, it must show with particularity the encroachment or injury to its rights. Defendant merely having rights and easements in the Regime does not make acts of Plaintiff presumptively injurious to Defendant.

The Master Deed, the Quit Claim Deed to the Defendant of 16.01 acres plus other identified rights, the Bill of Sale and Instrument of Assignment and Assumption of which Defendant is a party, and the U.S. Bankruptcy Court Order entered May 28, 2008 all contain reference to reservations, rights and easements pertaining to Broad Creek Edgewater, L.P., as well as the development rights of Broad Creek Edgewater, L.P. The reservations, rights and easements as referenced in the Master Deed are the following:

Master Deed, Exhibit A, pp. 38-39

1. The right of ingress and egress unto the Declarant herein, its successors, assigns, and Grantees.

2. The right of ingress and egress over and across all roads and walkways within the said Phase I Property shown on the above-described plat of Edgewater on Broad Creek.

Said reservation being unto the Declarant herein, its successors and assigns and Grantees; said reserved easement expressly for, but not limited to, the purpose of construction and all construction related activities on the Phase I Property and on the Additional Property described at Exhibit "A-1".

3, [Further save and except from the above described property] title to the ownership of all water and sewer lines located on said Parcels or hereafter installed thereon, together with all pipes, pumps, pumping stations, or other

equipment or facilities located thereon, together with an easement to such lines, equipment or facilities to allow for the maintenance repair or replacement of such lines, facilities or equipment or for the purpose of installing additional lines, equipment or facilities thereon from time to time.

4. The Declarant expressly reserves the right to improve the aforementioned property by clearing, tree pruning, constructing additional parking and common facilities, including, but not necessarily limited to recreational facilities, lagoons, and the like, pertaining to The Edgewater on Broad Creek Horizontal Property Regime.

5. Declarant expressly reserves the right to install lines, equipment and facilities for utility and drainage purposes and to grant easements over the property for the installation of additional lines, equipment or facilities for utility and drainage purposes from time to time.

Additionally, the declarant reserved the right to "Phase In" additional property as subsequent phases described in Exhibit A-1 to the Master Deed; however, such rights expressly expired on December 31, 2010. (*See*, Master Deed, Section 6(b))

Furthermore, the reservation for the declarant to utilize the Phase I Clubhouse as a sales office has expired as a consequence of Phase In.

Plaintiff has sought in its motion the right to engage in certain activities on its own land: to-wit

a) Plaintiff may construct a swimming pool and other common or recreational amenities on its land, subject only to the land use requirements imposed by the Town of Hilton Head Island Land Management Ordinance;

b) Plaintiff has the right to construct improvements on the unimproved portions of Phase I property, to wit, subject only to the land use requirements imposed by the Town of Hilton Head Island Land Management Ordinance free from interference, supervision or veto by the Defendant;

c) The Defendant's claim as successor to the Declarant of rights to use the existing Clubhouse as a sales office has extinguished;

d) The Defendant's claim as successor to the Declarant of the right to relocate the Association's ingress and egress is extinguished; and

e) The Defendant's right of ingress and egress through and across Plaintiff's property as reserved in the Master Deed is extinguished except to the extent that the Court determines that no other ingress and egress exists for the Defendant.

With the exception of one paragraph of the Regime Master Deed misconstrued by the Defendant, the Plaintiff is unable to identify an irreconcilable conflict between its objectives and the reservations, rights and easements assigned to the Defendant. Defendant asserts the following provision of the Master Deed as the basis of its exclusive improvement veto power:

> **"(9) Any additional amenities or recreational facilities, which may or may not be in the additional Phases, are solely at the option of Declarant. The description in any sales or promotion literature of Declarant of any potential additional amenities or recreational facilities shall not, of itself, oblige the Declarant to construct such or to convey them to the Regime as Common Elements." Master Deed, § 6(b)(9). (Emphasis added)**

In the above-quoted provision, the Declarant reserved its discretion as to what, if any, additional amenities might be built by it. The declarant essentially left itself a way out of any amenity shown in any promotional literature, by disclaiming any obligation to so construct such an amenity. Furthermore, nothing in this provision provides the declarant the exclusive right to construct amenities in Phase I. In fact, the Bylaws at Article IV, § 3 and Article VII, §7 expressly charge the Board of Directors of the Plaintiff Association to be responsible for repairs, additions, improvements to or alterations of Regime common elements.

Moreover, Master Deed § 6(b)(9) refers to the additional Phases. It does not mention Phase I, and its plain meaning would not include Phase I. That is the declarant right assigned to the Defendant. Since the quoted passage does not apply to Phase I, the Defendant must identify with particularity that which Plaintiff seeks to do to the common elements of the Regime which constitutes outright encroachments or violations to Defendant's assigned easements, rights or reservations. Such an encroachment or violation does not exist.

"'Restrictive covenants are contractual in nature,' so that the paramount rule of construction is to ascertain and give effect to the intent of the parties as determined from the whole document." Taylor v. Lindsey, 332 S.C. 1, 4, 498 S.E.2d 862, 863 (1998), *quoting* Palmetto Dunes Resort v. Brown, 287 S.C. 1, 336 S.E.2d 15 (1985). "Restrictive covenants are to be construed most strictly against the grantor and persons seeking of enforce them, and liberally in favor of the grantee, all doubts being resolved in favor of a free use of property and

against restrictions." Sprouse v. Winston, 212 S.C. 176, 184, 46 S.E.2d 874, 878 (1948) *citing* C.J.S. Deeds § 163. *See also*, Sea Pines Plantation Co. v. Wells, 294 S.C. 266, 270, 363 S.E. 2d 891, 893-894 (1987).

Also, in objecting to Plaintiff's actions, the Defendant has before the Town of Hilton Head Island, asserted an incorrect application to S.C. Code § 6-29-1145(B)(3) (1976 as amended). Defendant did this to advance the proposition that Plaintiff purportedly wrongfully failed to disclose its proposed acts being allegedly in conflict *with a restrictive covenant*, and that *notice of the restrictive covenant* from the Defendant should result in rejection or rescission of permits sought by Plaintiff. (*See*, Exhibits 13 and 18) First and foremost there is no restrictive covenant prohibiting the Plaintiff's proposed swimming pool. Defendant cloaked its objection in an inapplicable statutory provision. The remainder of that provision, herein below, does not support the objection about which it was raised. It additionally states,

> "(C) As used in this Section: ... (2) "permit" does not mean an authorization to build or place a structure on a tract or parcel of land; and (3) "restrictive covenant" does not mean a restriction concerning a type of structure that may be built or placed on a tract or parcel of land." S.C. Code § 6-29-1145(C)(2) and (C)(3) (1976 as amended).

The definitions set forth in S.C. Code § 6-29-1145(C)(2) and (C)(3) appear to *exclude* from their description the type *permit* being sought by the Plaintiff, and the *building of structures* for which the Plaintiff was seeking permission. Therefore, there was no requirement of notice to the Town of Hilton Head Island of "restrictive covenant" as it is defined by statute, and no act by Plaintiff meriting rescission by the Town of Hilton Head Island of Plaintiff's permission to erect structures.

E. Defendant's expansive assertion of purported rights contravene the Horizontal Property Act and violate public policy.

"The general rule, well established in South Carolina, is that courts will not enforce a contract when the subject matter of the contract or an act required for performance violates public policy as expressed in constitutional provisions, statutory law, or judicial decisions." White v. J.M. Brown Amusement Co., Inc., 360 S.C. 366, 371, 601 S.E.2d 342, 345 (2004). Particularly relevant to the Regime Master Deed are S.C. Code §§ 27-31-100 and 27-31-150.

> "The master deed or lease creating and establishing the horizontal property regime shall be executed by the owner or owners of the real property making up the regime and shall be recorded with the register of mesne conveyance or clerk of court of the county where such property is located. The master deed or lease shall express the following particulars: ... (f) A description of the full legal rights and obligations, both currently existing and which may occur, of the apartment owner, the co-owners, and the person establishing the regime. The master deed of any horizontal property regime developed under the provisions of this chapter that contains any submerged land shall contain a notice of restriction stating that all activities on or over and all uses of the submerged land or other critical areas are subject to the jurisdiction of the South Carolina Department of Health and Environmental Control, including, but not limited to, the requirement that any activity or use must be authorized by the South Carolina Department of Health and Environmental Control. The notice shall further state that any owner is liable to the extent of his ownership for any damages to, any inappropriate or unpermitted uses of, and any duties or responsibilities concerning any submerged land, coastal waters, or any other critical area.
> (g) In the event the owner of property submitting it for establishment of a horizontal property regime proposes to develop the property as a single regime but in two or more states or proposes to annex additional property to the property described in the master deed, the master deed shall also contain a general description of the plan of development, including: (1) The maximum number of units in each proposed stage of development; (2) The dates by which the owner submitting such property to condominium ownership will elect whether or not he will proceed with each stage of development; (3) A general description of the nature and proposed use of any additional common elements which the owner submitting property to condominium ownership proposes to annex to the property described in the master deed, if such common elements might substantially increase the proportionate amount of the common expenses payable by existing unit owners ... ." S.C. Code § 27-31-100 (1976 as amended).

> "The administration of the property constituted into horizontal property, whether incorporated or unincorporated, shall be governed by bylaws which shall be inserted in or appended to and recorded with the master deed or lease." S.C. Code § 27-31-150 (1976 as amended).

The Plaintiff has a Board of Directors that prepares a budget, levies assessments consistent therewith, and which tries to fulfill the Board's obligations to operate the Regime. Potentially having to honor and bear the expense of indeterminate improvements to its common elements by Defendant, Defendant initiated ingress and egress, and tree pruning and planting on the Regime common elements makes it virtually impossible for Plaintiff's Board to plan, budget and operate in an informed manner. (Exhibit 21) In light of Defendant's actual and potential interference with Plaintiff's legal rights and obligations, a number of the provisions the

Defendant would enforce as assignee of the declarant are against public policy. In the list of reservations, *supra., pages 10 and 11*, Exception numbers 2, 4 and 5 contravene S.C. Code § 27-31-150, and are in conflict with Bylaws, Article IV, Section 3. Under the Bylaws the law prevails over the Master Deed and the Master Deed prevails over the Bylaws in those instances where they conflict.

Reservation 4, *supra. Page 10* also violates public policy for further reasons. None of the actions allowed of the Declarant result in one-time cost to the Plaintiff; therefore, it makes Plaintiff keeping a budget and administering to the common elements, as its Board of Directors is tasked to do, impossible with Defendant interference. It also contravenes S.C. Code §§ 27-31-100 and 27-31-150, Master Deed Section 5.09, and Article IV, Sections 3 of the Bylaws.

Reservation 5 violates public policy. It contravenes S.C. Code § 27-31-150 and Bylaws, Article IV, Section 3(j).

One additional provision potentially affecting the Regime is against public policy. Section 15, Subparagraph 15.14 essentially cites to judicially-established standards for interpreting restrictive covenants (*see, supra., p. 12*), and then states that the intent of interpreting this Master Deed is to apply methods contrary to those judicially-accepted. The Subparagraph is against public policy cited about covenants on page 12 of this memorandum, and is contrary to White v. J.M. Brown Amusement Co., Inc. cited on page 13.

F. The above-referenced provisions of the Master Deed, without limit, are unconscionable.

In South Carolina, unconscionability is defined as the absence of meaningful choice on the part of one party due to one-sided contract provisions, together with terms that are so oppressive that no reasonable person would make them and no fair and honest person would accept them. Carolina Care Plan, Inc. v. United HealthCare Servs., Inc., 361 S.C. 544, 606 S.E.2d 752, 757 (2004). If a court as a matter of law finds any clause of a contract to have been unconscionable at the time it was made, the court may refuse to enforce the unconscionable clause, or so limit its application so as to avoid any unconscionable result. Simpson v. MSA of Myrtle Beach, Inc., 373 S.C. 14, 644 S.E.2d 663 (2007). In this instance, purchasers for value acquired from the initial declarant condominium units with appurtenant common elements relying upon a scheme of development that they rightly expected was an upscale condominium

development. Despite the contents of the Master Deed, there was no notice to purchasers of units at the Regime of the type of eventualities that have occurred. To indiscriminately subject the owners of the 7.64 acres of the Regime to all of the veto and exclusive powers Defendant claims to have been assigned from the Chapter 7 bankruptcy trustee reflects absence of meaningful choice and fundamental fairness for the Plaintiff and its constituent members. That is a basis for finding some reservations of rights of the Master Deed unconscionable and unenforceable.

III. Conclusion

Unit owners at the Regime were led to believe that they were buying, in good faith, luxury condominiums in a prime location. The declarant did not complete the condominium described because of its lack of solvency, and the intervention of its creditors and the U.S. Bankruptcy Court in a Chapter 7 case. None of the circumstances leading up to, or resulting from the bankruptcy, were the fault or responsibility of the Plaintiff's unit owners.

Since acquiring the 16.01 acres of additional land, and certain rights, easements and reservations pertaining to the 7.64-acre Regime, the Defendant has gone out of its way to apply pressure to the Regime and its owners. Efforts by the unit owners to lawfully maintain and improve the common elements in their 7.64-acre Regime have been repeatedly objected to by the Defendant. The ultimate objective of the Defendant appears to be to hound the Plaintiff into submission to enable Defendant's use of its 16.01 acres for much higher density interval ownership. As stated above, the assignee's rights in the 7.64 acre parcel are not exclusive or a veto. Plaintiff has not acted or proposed to act in a way that is contrary to easements, reservations or rights of the Defendant. Accordingly, Plaintiff's motion for partial summary judgment should be granted.

Respectfully submitted,

(b) Except in the event of an emergency situation, in the event that the Association determines that any Owner has failed or refused to discharge

properly his obligations with respect to the maintenance cleaning, repair, or replacement of items for which he is responsible under this Master Deed, then the Association shall give such Owner written notice of the Association's intent to provide such necessary maintenance, cleaning, repair, or replacement, at such Owner's sole cost and expense, and setting forth with reasonable particularity the maintenance, cleaning, repair, or replacement deemed necessary. In the event of emergency situations or the failure of any Owner to comply with the provisions hereof after such notice, the Association may provide any such maintenance, cleaning, repair, or replacement at such Owner's sole cost and expense, and said cost shall be added to an become a part of the Assessment to which such Owner and his Unit are subject and shall become a lien against such Unit as provided herein.

5.07 USES OF UNITS.

(a) Each Unit is restricted as to use by the Owner or Owners thereof, their lessees and invitees, it being the intent of the Declarant that the Building be used for residential purposes only which are consistent with and appropriate to the design of the Building.

(b) The Declarant herein subjects the Regime to the further limitation and restriction that it shall be used and occupied for whole-time residential dwelling Units only. Reference is made to Section 14 infra regarding prohibition of time-sharing plans and reservation of rights regarding multiple ownership plans.

(c) No Unit Owner shall do, suffer, or permit to be done, anything in his Unit which would impair the soundness or safety of the Regime, or which would be noxious or offensive or an interference with the peaceful possession and proper use of other Units, or which would require any alteration of or addition to any of the Common Elements to be in compliance with any applicable law or regulation, or which would otherwise be in violation of law.

(d) In case of any emergency originating in or threatening any Unit, regardless of whether the Owner or his tenant, if any, is present at the time of

such emergency, the Association's Board of Directors and all managerial personnel shall have the right to enter such Unit for the purpose of remedying or abating the cause of such emergency, and such right of entry shall be immediate. (h) The Declarant hereby declares and affirms that the use restrictions described herein shall be deemed restrictive covenants running with the land and are imposed as a limitation and burden upon each Unit and upon the Declarant and upon all future Owners of Units.

5.08 DEEDS TO UNITS.

On the transfer of a Unit, a deed effecting that transfer conveys all the seller's interests in that Unit to the purchaser, including the seller's interest in the real and personal property of the Association, any reserve accounts applicable to that Unit, and in any cause of action or chose in action either of the Association or arising out of his ownership of that Unit, whether or not those interests are expressly described in the deed.

5.09 ASSESSMENTS FOR COMMON EXPENSES; RESPONSIBILITIES FOR MAINTENANCE.

The obligations of all Unit Owners with regard to assessments for Common Expenses and the maintenance and repair of the individual Units shall

be as provided in the By-Laws of the Association which are attached hereto as **Exhibit "D"**.

5.10 SUBDIVISION AND RELOCATION OF BOUNDARIES BETWEEN UNITS.

(a) Declarant intends to provide a flexible and certain method consistent with the Act in the best interest of the Association and all of its members by which individual Units may be subdivided into two or more Condominium Units (i.e. Units). Subject to the provisions of this Master Deed and other provisions of law, a Unit Owner may apply to subdivide a Unit subject to the conditions and procedures described below in Section 5.10 (b) et seq.

(b) The Owner of a Unit or Owners of adjoining Units may, at any time, deliver a letter to the President of the Association requesting approval from the Board to subdivide or relocate the boundaries between their Units, together with a plan of their Units which conforms with Sections 27-31-100, 27-31-110 and 27-31-120 of the Act, showing the proposed relocated boundaries of those Units. In such case, with respect to every proposed Unit which will result from the proposed subdivision or relocation:

(1) each Unit to be created must contain at least 950 square feet of Unit space as herein defined for a Type A Unit, 1050 square feet for a Type B Unit and 1150 square feet for a Type C Unit; and

(2) at least one boundary of each Unit to be created must be coterminous with a partitions wall, extending in one plane for at least 6 feet, which divides the Unit from a hallway constituting a Common Element in the Building; and

(3) each Unit must comply with all applicable laws, rules, regulations, codes and/or ordinances, including, but not limited to, those relating to health, fire, safety, and parking, and adequate provision must be made for any required fire and emergency exits, mechanical and support systems of the Building, utilities, as well as assurance that there is no impairment of the structural integrity of the Unit and/or Building or that there is no increase in any Owner's insurance costs; and

(4) the subdivision shall not result in an increase in the number of Units allocated or otherwise permitted to exist on the Property

under the existing permits, covenants of record, or applicable zoning ordinances; and

(5) all expenses of the Association, including legal fees, architectural, surveying and consultant's fees, shall be borne by the requesting Unit Owner(s).

(c) The President shall submit the above request for subdivision to the Board members upon receipt. If said subdivision is approved by a majority vote of the Board, either at a meeting thereof or by written consent and by the Declarant during the period the Declarant has reserved to add Future Phases to the Regime, the President shall:

(1) cause an Amendment to the Master Deed to be prepared which conforms to this Master Deed and the Act, together with a certified Amendment to the plans, which conforms to the requirements of the Act. The Amendment to the Master Deed shall reallocate the assigned appurtenant interests among all the Units resulting from the subdivisions or relocation of boundaries in proportion to the relative sizes of those Units, but shall not affect in any manner the percentage of interest appertaining to the other Units not otherwise redefined. The Amendment to Master Deed shall to the extent necessitated by the subdivision, take into consideration potential redefinition of boundaries of the newly constituted Unit(s) as compared to the definition above in Section 5.05. In the event that the subdivision of a Unit results in the creation of what would normally be a Common Element within the Building so subdivided (e.g. the roof, foundation, structural elements, mechanical systems, exterior walls) such Common Elements shall be a Limited Common Element to those resulting Units within said subdivided Unit; provided, in no event shall the Owner(s) of the other Units be responsible for the costs of operation, maintenance, repair or replacement of any such Limited Common Element appurtenant to such a subdivided Unit; and

(2) upon payment by the affected Unit owners of all permit, recording, legal, architectural, and other fees incurred by the Association, the President of the Association shall execute the Amendment to the Master Deed and record same, including the plats and plans subdividing or relocating the Unit(s) and showing the altered boundaries of the Units and their dimensions and identifying numbers.

(d) The Amendments to the Master Deed and plans to reallocate Units are only effective when executed in the manner required by this Section 5.10 and recorded. The consents to the Amendment by the mortgagees of the affected Units shall also be recorded.

(e) In the event of a subdivision per Section 5.10(b) above, and to further Declarant's intent of providing a flexible and certain method consistent with the Act and the best interests of the Association and all its members, by which the boundaries of or between Units may be adjusted to meet the needs of individual Unit owners, subject to the conditions and procedures described in Section 5.10(b), Unit Owners are entitled to relocate the boundaries between adjoining Units and reallocate the assigned appurtenant interests of those Units accordingly.

5.11 ALTERATIONS IN UNITS.

(a) A Unit Owner may make any improvements or alterations to his Unit that do not impair the structural integrity or mechanical systems, or lessen the support of, any portion of any other Unit.

(b) Subsequent to a subdivision of a Unit pursuant to Section 5.10 or in the situation where a Unit Owner already owns adjoining Units, after giving notice to the Association, a Unit Owner may alter a partition wall between such adjoining Units owned by him to create an opening in the wall. Such an alteration does not constitute a relocation of boundaries between Units as defined in Section 5.10 above.

(c) Any Unit Owner altering a Unit pursuant to this Section or Section 5.11 shall: (1) provide for waivers of all mechanics lien rights which may arise as a result of the alteration; (2) provide certificates of insurance insuring against all losses commonly insured against, arising out of the work naming the Association as an additional insured; (3) indemnify and hold the Association and other Unit Owners harmless from the effect of the work and the acts or omissions of anyone under such Unit Owner's direction or control; (4) minimize the disturbances of other Unit Owners and their business activities during the work; and (5) reimburse the Association for any expenses incurred by the Association, including but not limited to legal and other consulting fees.

(d) Any Owner, including Declarant, may remove all or a portion of any non-load bearing wall located within the perimeter walls bounding the Unit, provided the Owner obtains the advance written approval of the Association to

do so, which approval shall be given to the Owner upon the Association's satisfaction that the wall is in fact non-load bearing and non-structural and that its removal shall not cause any harm or damage to the Owner's Unit, the Building(s), or other Units contained in the Building(s), and upon the Owner agreeing to be solely responsible for all losses, costs, and liabilities which may arise on account of or in connection with the removal of the wall. The Association may impose reasonable conditions upon such approval, including, but not limited to the requirement for liability and/or property damage insurance, insuring the Association or other Owners. The removal of all or a portion of any wall shall not have the effect of changing the type of the Unit, the statutory value attributable to the Unit, or the Percentage Interest in the Common Elements and Limited Common Elements, attributable to the Unit.

(e) When any alterations approved by the Association are completed, the affected Unit Owners shall deliver to the Association a copy of the 'as built' plans and specifications certified to by an architect licensed to practice in South Carolina.

6. AREAS COMPRISING PROPERTY.

(a) Land. The lands which may be made subject to this Master Deed are those certain tracts or parcels described in **Exhibits "A," "A-1," and "B"** attached hereto and consisting of approximately 23.65 acres, which are owned by Declarant in fee simple subject to certain liens, encumbrances, rights-of-way, easements, covenants, and restrictions.

Hereafter, at one time, or from time to time, Declarant has constructed or may, in the future, construct roadways ("Roadways") providing ingress and egress to and from the Property. Declarant shall not be obliged to convey to the Association these Roadways as a Common Element (but may do so at Declarant's sole discretion). However, Declarant herewith conveys to each Owner of a Unit and to every permitted occupant of that Unit, a non-exclusive, temporary easement over, upon, and across such Roadways which are not included in the description of the Property at **Exhibit "A"**, if any, for ingress and egress to and from Marshland Road. These non-exclusive easements are temporary and shall automatically terminate and become null and void immediately upon merger by incorporation of any part of the Roadways into another Horizontal Property Regime, the Master Deed of which establishes or conveys a permanent, non-exclusive, unrestricted easement for passage over that portion of the Roadways by Owners of Units created by this Master Deed. Declarant reserves the right, in its sole discretion, to relocate these areas and the

temporary easements over them without notice to any Owner or occupant of a Unit. In such event, Declarant shall and is hereby especially empowered to prepare and record in the ROD Office for Beaufort County, South Carolina, an Amendment to this Master Deed, amending **Exhibit "A"** hereto, to show the areas and revised areas of these non-exclusive easements, without notice to or consent by Owners or occupants of Units. Such Amendment to be effective upon recordation of same in the ROD Office for Beaufort County, South Carolina.

(b) Incorporation of Additional Property. Hereafter, at one time or from time to time, Declarant, its successors and assigns hereby expressly reserves the right to be exercised in its sole discretion to submit one or more parcels of Additional Property to the provisions of the Act by incorporating them within this Master Deed. Additional Property shall be submitted to the Act subject to all recorded utility easements and other easements discussed in this Master Deed and any Amendments hereto. The maximum extent of additional land that the Declarant may submit to the provisions of this Master Deed is that property containing approximately 16.01acres of land, as described on **Exhibit "A-1,"** attached hereto and incorporated herein by reference.

A general description of the plan of development follows:

(1) The maximum number of Units in each proposed stage of development. There are six (6) proposed stages ("Phases") of development. Phase I consists of twenty-three (23) Units; subsequent Phases ("Future Phases"), if developed, will have together no more than one hundred twenty-four (124) additional Units.

(2) The dates by which the Owner submitting such property to Condominium ownership will elect whether or not he will proceed with Phase. For all proposed Phases, the election whether or not each Phase will proceed shall be made by December 31, 2010.

(3) A general description of the nature and proposed use of any additional Common Elements, which the Owner submitting Property to Condominium ownership proposes to annex to the Property described in the Master Deed, if such Common Elements might substantially increase the proportionate amount of the Common Expenses payable by the existing Unit Owners. There are no such additional Common Elements contemplated in the plan of development, which, reasonably considered, might substantially increase the proportionate amount of the

Common Expenses payable by existing Unit Owners. At present, it is contemplated that Future Phases may include a large waterfront pool and a community observation pier on Broad Creek.

(4) In Section 9.04 herein is a chart showing the Percentage Interest in the Common Elements of each original Unit Owner at each stage of development, if the Owner submitting property to Condominium ownership elected to proceed with all contemplated stages of development.

(5) Declarant, its successors and assigns may, in its sole discretion, incorporate one or more Future Phases into the Regime.

(6) Declarant may, in its sole discretion, vary the order of inclusion of any and all Future Phases, such that a Phase may be included out of numerical order.

(7) Declarant may, in its sole discretion, vary the design of each Phase and the design of Units within each Phase that may be incorporated or submitted to this Master Deed.

(8) If Declarant exercises its rights to incorporate any one or Future Phases, the ownership of Common Elements of the Association and voting rights attributable to any particular Unit shall be determined by the ratio of the statutory value of that particular Unit to the statutory value of all the Units in the Regime from time to time. It is understood that if and as Additional Property is brought into the Regime by Amendment of the Master Deed, the relative Percentage Interest of the Owners will change.

(9) Any additional amenities or recreational facilities, which may or may not be in the additional Phases, are solely at the option of Declarant. The description in any sales or promotion literature of the Declarant of any potential additional amenities or recreational facilities shall not, of itself, oblige the Declarant to construct such or to convey them to the Regime as Common Elements.

(10) If Declarant shall elect to incorporate one or more Future Phases into the Regime or to submit Additional Property to the Regime, such shall be accomplished by recordation of an Amendment, which shall include the revised Percentage Interest which each Owner owns, to

this Master Deed in ROD Office for Beaufort County, South Carolina, and such election shall be effective on the date of recordation.

(11) The Units which may be included in Additional Property, which may later be added to this Regime, include the Types A, B, and C Units herein described. Notwithstanding the foregoing, the Declarant reserves the right to include other types of Units in the Future Phases.

Each Unit will be assigned one (1) parking space.

(e) All other areas depicted as Limited Common Elements to the Units on the floor plans attached as **Exhibit "C-1"**.

8. REVOCATION AND AMENDMENT.

The dedication of the Property to the Regime herein shall not be revoked, nor the Property removed from the Regime, nor any of the provisions herein materially amended unless all of the Co-Owners and the mortgagees of all the mortgages covering the Units unanimously agree to such revocation, or Amendment, or removal of the Property from the Regime by duly recorded instrument; provided, however, that without the consent of the Unit Owners or mortgagees, the Declarant, or its successors, or assigns in title to all or any portion of the Future Phase Property, may at any time prior to the termination of the reservation of rights period specified in Section 6 herein, amend the Master Deed and the Bylaws, if required, (i) in the manner set forth in Section 5.10(c) as it relates to subdivision and relocations of boundaries between units; (ii) so as to subject the Future Phases to the provisions of this Master Deed and the Act so

as to make the Future Phases Property or any part thereof an integral part of the Regime; and (iii) to correct any scriveners error, to correct conflicts between this document and the Act, to address any issues of probable concern to the Regime which may not be adequately herein addressed, to effect compliance with any requirements of any governmental law or ordinance, insurer, guarantor or purchaser of mortgage loans, and/or to enable any reputable title insurance company to issue title insurance coverage with respect to the Units. Notwithstanding any provision herein in this Section 8, the Association may amend the provisions of the By-Laws attached hereto as **Exhibit "D"** as provided for therein in Article XIII or elsewhere in said By-Laws. Any such Amendment shall, when read in concert with the Master Deed, contain all of the particulars required by said Act as the same is now constituted or may hereafter be amended and from and after the recording of such Amendment the Regime shall include all of said applicable Future Phases Property. The Future Phases Units are to be as described in Section 6 hereof and this Section 8. The designation of each Unit in the Future Phases by Unit type and its proportionate interest in the Common Elements is set forth in Section 9 herein.

If Declarant elects to make all or any portion of the Future Phases Property a party of this Regime as herein provided, Declarant shall cause to be prepared and made a part of the Amendments by which each Phase is incorporated into the Regime a schedule designating Unit types reflecting each Unit's proportionate interest in the Common Elements, which schedule shall be similar in content and format to the Schedule set forth in Section 9 hereof, prepared using the requirements and guidelines set forth in Section 6 hereof and this Section 8. Upon the recordation of the Amendments to make the applicable Phase of Future Phases Property a part of the Regime, the provisions regarding revocation and Amendment set forth in this Section 8 shall have equal application thereto. The Declarant shall not be required to obtain the consent of the Unit Owners or mortgagees for any amendments to this Master Deed for the purpose of adding the Future Phases.

9. PERCENTAGE INTEREST OF UNITS.

9.01 STATUTORY PERCENTAGE INTEREST.

The percentage of title and interest appurtenant to each Unit and the Unit Owner's title and interest in the Common Elements (both General and Limited) of the Property and the proportionate share in the profits and common monthly expenses, as well as the proportionate representation for voting purposes in the meeting of the Association is

based on the proportionate statutory value of each Unit to the statutory value of the total Property set forth below.

For purposes of the Act and pursuant to the terms of the Master Deed, the Percentage Interest appurtenant to each Unit of the Regime shall be established in accordance with the following formula:

$$\frac{V}{A} = P$$

"P" - Percentage Interest of each Unit.

"V" - Valuation of the respective Units as set forth in Section 9.03 and in the Amendments to Master Deed for Phase I - VI.

9.04 FUTURE PHASES.

In the event Declarant elects to expand the Regime as provided herein, all Units added to the Regime shall have the same statutory valuations as set forth above provided, however, that Declarant does reserve the right to modify floor plans for Future Phase Units, and in such event the statutory valuation may vary.

The following chart demonstrates the adjustment in the Percentage Interest assuming that Phase II-VI are added to the Regime comprising a total of one hundred twenty-four (124) Units in such Phases and assuming the same average statutory valuation of Units as Phase I. There are eighteen (18) A Units; eight (8) B Units; two (2) C Units contemplated in Phase II. The anticipated mix of Units for each Phase is slightly different and is subject to modification by Declarant. However, the exact adjustment of Percentage Interest is not subject to calculation until the exact number and size of all Units to be added to the Regime is established. There may be a fewer number of Units. In the event that addition of Units to the Regime results in a calculation of Percentage Interest in accordance with the above formula which does not

total one hundred (100%) percent, the amount necessary to bring such total to one hundred (100%) percent shall be allocated by the Board of Directors or its designated Management Agent.

Assigned Percentage Interests Future Phases II - VI

Unit Type	Estimated # of Units	Statutory Valuation	Phase I Percent	Projected Phase I-VI (147 Units) Percent

9.05 TOTAL VALUE.

The total statutory value of the Property in Phase I is Ten Million Forty Seven Thousand Seven Hundred and NO/100 ($10,047,700.00) Dollars. The total statutory value projected for Phase I through Phase VI combined is Sixty Three Million Seven Hundred Two Thousand Three Hundred Ninety Four and NO/100 ($63,702,394.00) Dollars. Subject to the overall limitations described in Section 6 of the Master Deed, Declarant will not exceed these estimated numbers for the Future Phase.

NOTE: THESE VALUATIONS ARE FOR PURPOSES OF THE SOUTH CAROLINA HORIZONTAL PROPERTY ACT.

9.06 NO ALTERATION.

The proportionate representation for voting purpose and the percentage of the undivided interest in the Common Elements (both General and Limited) provided in this Section 9 shall not be altered without the acquiescence of the Co-Owner representing all of the Units expressed in an Amendment to this Master Deed duly recorded as required by Section 8 hereof or except as provided in Sections 6, 8, and 9 with regard to the Amendment of the Master Deed to admit the Future Phases Units.

10. ADMINISTRATION AND BY-LAWS.

10.01 ASSOCIATION; BY-LAWS.

As noted in Section 2 hereof, Declarant has caused to be incorporated under the laws of the State of South Carolina a corporation known as The Edgewater on Broad Creek Owners' Association, Inc., which shall be an incorporated Council of Co-Owners to serve as the body by which the Unit Owners will manage the affairs of the Regime. Each Unit Owner shall have voting rights in said Association in the same percentage as the percentage of interest his Unit has in the Common Elements. The administration of the Regime, and consequently of the Association, consisting as aforesaid of the Property described above shall be in accordance with the provisions of the By-Laws which are incorporated herein, made a part hereof and are attached hereto as **Exhibit "D"**.

10.02 AUTOMATIC MEMBERSHIP IN ASSOCIATION.

Each Unit Owner shall automatically become and be a member of the Association so long as he continues to be a Unit Owner and shall exercise such percentage of vote in all matters as shown in Section 10 hereof. In the event that a Unit is owned by more than one Person, the Person entitled to cast the vote for the Unit shall be designated by a certificate signed by all the record Owners of the said Unit and filed with the Secretary of the Association. Further, should such Unit Owner be a corporation, the Person entitled to cast the vote for the Unit shall be designated by a certificate signed by the President or Vice President of the corporation and attested by the Secretary or Assistant Secretary of the corporation and filed with the Secretary of the Association. All such certificates shall be valid until revoked, superseded by a subsequent certificate, or until there has been a change in ownership of the Unit concerned.

11. HORIZONTAL PROPERTY REGIME CONSTITUTED.

As appears above, a Horizontal Property Regime is hereby constituted under and subject to the provisions of the Horizontal Property Act of the State of South Carolina, so that the Units may be conveyed and recorded as individual properties capable of independent use and each having its own exit to the Common Elements of the Property, and each Unit Co-Owner having an

exclusive and particular right over his respective Unit and, in addition, the specified undivided interest in the Common Elements of the Property.

12. DECLARANT SUBJECT TO MASTER DEED; DECLARANT USE.

12.01 DECLARANT USE; GENERAL.

So long as the Declarant owns one or more of the Units, it shall be subject to the provisions of this Master Deed and the Exhibits attached hereto and the Declarant covenants to take no action which will adversely affect the rights of the Regime with respect to the assurances against latent defects in the Property or other rights assigned to the Regime by reason of the establishment of said Regime; provided, however, that Declarant as in the case with any other Unit Owner, shall have the absolute right and privilege of leasing any or all of the Units owned by it on a short or long term basis for the uses permitted by this Master Deed , and that Declarant's lessees, invitees, guest, etc., shall be entitled to all of the privileges and rights, and be subject to the requirements hereunder, of a Co-Owner with respect to the use of the Property excluding voting rights which shall remain with the Declarant.

12.02 DECLARANT USE AS SALES MODEL.

Provided further, that Declarant, and its successors and assigns, shall be entitled to use one or more of the Units and/or the Clubhouse for purposes of a sales model and/or office until the entire project, to include the Future Phases have been sold, it being the intent of Declarant that said reserved rights do not conflict with the residential use restriction described herein above. The Declarant may reserve portions of the Clubhouse designated by the Declarant for use as a sales office and as an office for the Management Agent.

13. TIME-SHARING/INTERVAL AND FRACTIONAL OWNERSHIP.

The Declarant herein subjects the Phase I Property of the Regime to the further limitation and restriction that it shall be used and occupied for whole-time residential dwelling Units in the same manner as other Condominium Units constructed as such within the multi-family residential areas of Hilton Head

Island, and such dwelling Units shall not be utilized for purposes of time-sharing or interval ownership, time-sharing or interval licenses, time-sharing or interval leases, fractional interest or similar plans as those items are currently generally utilized in the real estate industry or as those or similar terms are expresses or defined in Chapter 32, Code of Laws of South Carolina, 1976, as amended, i.e. the South Carolina Vacation Time Sharing Act and the South Carolina Multiple Ownership Act.

14. PROVISIONS AND COVENANTS APPLICABLE TO UNITS.

Each Co-Owner shall comply with the provisions of this Master Deed and authorized Amendments thereto. Failure to comply with such provisions, decisions, or resolutions shall be grounds for an action to recover sums due for damages or for injunctive relief. The Units shall also be conveyed subject to the recorded plat and plans of the Property and Amendments thereto and those certain covenants, restrictions, easements and other matters of title as more particularly described at **Exhibit "A"** hereto.

15. GENERAL CONDITIONS/MISCELLANEOUS MATTERS.

15.01 COMMON ELEMENTS NOT PARTITIONED.

Except as provided herein, the Common Elements shall remain undivided and no Co-Owner shall bring any action for partitioning and/or division.

15.02 COMMON ELEMENTS NOT SEVERABLE FROM UNITS.

The undivided interest in the Common Elements shall not be separated from the Unit to which it appertains and shall be deemed conveyed or encumbered with the Unit even though such interest is not expressly mentioned or described in the conveyance or other instrument.

15.03 NONUSE NOT EXEMPTION OF LIABILITY FOR COMMON EXPENSES.

No Co-Owner of a Unit may exempt himself from liability for his contribution toward the Common Expenses by waiver of the use or

enjoyment of any of the Common Elements or by the abandonment of his Unit.

15.04 ALL USERS OF PROPERTY SUBJECT TO MASTER DEED.

All present or future Co-Owners, tenants, future tenants, or any other person that might use the facilities of the Property in any manner, including those who may lease from the Declarant, are subject to the provisions of this Master Deed and any authorized Amendments thereto, and that the mere acquisition or rental of any of the Units shall signify that the provisions of this Master Deed and any authorized Amendment thereto are accepted and ratified.

15.05 ASSESSMENTS SUBORDINATE TO MORTGAGEE TAKING TITLE.

All Co-Owners shall be obligated to pay the periodic assessments imposed by the Association to meet all Association Common Expenses, which shall include, among other things, liability insurance policy premiums and an insurance policy premium to cover repair and reconstruction work in case of hurricane, fire, earthquake, and other hazards (hereinafter sometimes referred to as "Common Charges," "Common Expenses," and "assessments"). The Common Expenses may also include such amounts as the Board may deem proper for the operation and maintenance of the Property and any authorized additions thereto. Such may include without limitation, any amount for general working capital, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the Common Expenses for any prior year. No less than thirty (30) days prior to the Annual Meeting, the Board shall furnish all Unit Owners with a copy of the budget for the next fiscal year and shall likewise advise them of the amount of the Common Charges payable by each of them respectively, as determined by the Board as aforesaid. Declarant will be liable for the amount of any assessment against completed Units dedicated to the Regime which have

not been sold and Declarant shall have all voting rights attendant to the ownership of said Unit until said Units are sold. Until all Future Phases are dedicated to the Regime by Declarant, Declarant may elect to pay the Common Expense Assessments on the Units it owns or in the alternative, fund any deficit in the annual budget approved by the Board of Directors in an amount equal to the difference between the approved budget and the revenues collected from the Co-owners other than the Declarant. The Declarant shall not be obligated to fund capital reserve budget allocations for Units owned by the Declarant whichever option it selects. Payment of the periodic assessments shall be in equal monthly or quarterly (as determined by the Board) installments on or before the first day of each month or quarter, as appropriate, or in such other reasonable manner as the Board shall designate.

The transfer of ownership of an individual Unit within the Association shall carry with it the proportionate equity of that Unit's ownership in the Association operating escrow, working capital or reserve accounts set aside to provide a contingency fund for the maintenance and repair of the Association Property. Transfer of ownership and resignation or termination of a Co-Owner of the Association shall not relieve the Co-Owner from any obligations the Co-Owner may have to the Association as a result of obligations incurred or commitments made before resignation or termination.

Section 2. ASSESSMENTS TO REMAIN IN EFFECT UNTIL NEW ASSESSMENTS MADE. The omission by the Board of Directors before the expiration of any year, to fix the assessments hereunder for that or the next year, shall not be deemed a waiver or modification in any respect of the provisions of the Master Deed and By-Laws or a release of any Owner from the obligation to pay the assessments, or an installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed by the Board at a duly held Board meeting. Amendments to this paragraph shall be effective upon unanimous written consent of the Owners and their mortgagees. No Owner may exempt himself from liability for his contribution towards the Common Expenses by waiver of the use or enjoyment of any of the General or Limited Common Elements or by abandonment of his Unit.

Section 3. RECORDS. The Management Agent or Board of Directors shall keep detailed records of the receipts and expenditures affecting the General and Limited Common Elements and any other expenses incurred. Records and vouchers authorizing the payments involved shall be available for examination by the Owner during reasonable business hours.

Section 4. DEFAULT IN PAYMENT OF COMMON CHARGES. The Board shall take prompt action to collect any common charge due from any Unit Owner which remains unpaid for more than thirty (30) days from the due date for payment thereof. In the event of default by any Unit Owner in paying to the Board the common charges as determined by the Board, such Unit Owner shall be obligated to pay a late charge of one and one-half (1½%) percent of the delinquent amount per month on such unpaid Common Charge from the due date thereof, together with all expenses, including attorney's fees, incurred by the Board in any proceeding brought to collect such unpaid Common Charges. The Board shall have the right and duty to attempt to recover such Common Charges, together with interest thereon, and the expenses of the proceeding, including attorney's fees in action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit granted by Section 27-31-210, Code of Laws of South Carolina, 1976. With regard to the subordinate nature of such liens as it relates to mortgages recorded prior to the recording of any evidence of such lien, the provisions of Section 27-31-210, Code of Laws of South Carolina, 1976, as amended, shall be controlling. In addition to the foregoing, during the period a Unit Owner remains in default, the Board may suspend said Owner from use of amenities to include the tennis courts, clubhouse and swimming pool.

Section 5. STATEMENT OF COMMON CHARGES. The Board shall, for a reasonable fee, promptly provide any purchaser, Unit Owner, mortgagee or prospective mortgagee of a Unit so requesting the same in writing, with a written statement of all unpaid Common Charges due from the Owner of that Unit and the purchaser's liability therefor shall be limited to the amount as set forth in the statement. Any mortgagee holding a lien on a Unit may pay any unpaid Common Charges payable with respect to such Unit and upon such payment such mortgagee shall have a lien on such Unit for the amounts paid of the same rank as the lien of his encumbrance. Any mortgagee holding mortgages on more than five (5) Units within the Association shall be entitled, upon request, to receive a statement of account on the Units securing all of said mortgages once each calendar year without any fee or charge.

Section 6. STATEMENT UPON RESALE. Any Unit may be conveyed by an Owner free of any restrictions except for those set forth herein, except that no Owner shall convey, sell, or lease his Unit unless and until all unpaid Association expenses assessed against the Unit shall have been paid as directed by the Board of Directors. Such unpaid Association expenses, however, may be paid out of the proceeds from the sale of a Unit or by the

grantee. Upon the written request of an Owner or Owner' s prospective buyer, the Board or the Management Agent shall furnish a written statement of the unpaid charges due form such Owner which shall be conclusive evidence of the payment of amount assessed prior to the date of the statement, but unlisted thereon. Further, the Association shall undertake to provide copies of these By-Laws or other materials described by the Association upon the written request of a Co-Owner in connection with the sale or lease of their Unit. A reasonable charge may be made by the Board for the issuance of statements and other materials.

The provisions of this Section shall not apply to the acquisition of a Unit by a mortgagee who shall acquire title to such Unit by foreclosure or by deed in lieu of foreclosure. In such event, the unpaid assessments against the Unit which were assessed and became due prior to the acquisition of title to such Unit by such mortgagee shall be deemed waived by the Association and shall be charge to all other Co-Owners of the Association as a Common Expense. Such a provision shall not however apply to any assessments which are assessed and become due after the acquisition of title to such Unit by the mortgagee and to any purchaser to such mortgagee.

Section 7. MAINTENANCE AND REPAIR

(a) Each Co-Owner must perform work within his own Unit, which, if omitted, would affect the Property in its entirety or in a part belonging to another Co-Owner, being expressly responsible for the damages and liabilities that his failure to do so may engender.

(b) All the repairs of the Units and of those items described in Section 5.06 of the Master Deed, and of all other accessories and Limited Common Elements appertaining or belonging to the Unit shall be at the expense of the Co-Owner.

(c) All maintenance, repair and replacement to the Common Elements as defined in the Master Deed, unless otherwise provided in the Master Deed, shall be made by the Board or its agent and shall be charged to all the Unit Owners as a Common Expense, excepting to the extent that the same may be necessitated by the negligence, misuse or neglect of the Unit Owner, in which such case the expense shall be charged to such Unit Owner.

In approving such applications, the Board of Directors, its Management Agent, or its designated Committee shall have the power to require such specific forms of placement of the device as it deems appropriate in order to effectuate the intent of this Section 8(c) that such devices be as inoffensive as possible to other Owners and Residents. All installations must comply with local zoning requirements and building codes, of applicable. Any Owner requesting such a device may be required to pay a reasonable charge to the

Association for the reviewing of such Application by the board, its Management Agent, or its designated Committee. Further, the Owner shall be required to pay the installation costs for installing such device and to pay all bills associated with such Owner's use of the device.

The Board may approve the use of such devices to serve the Common Elements and the Board shall pay all costs of installation and bills for use of such devices in such portions of the Common Elements as a Common Expense.

If any changes as described herein are approved by the Board, the Co-Owner requesting such change shall be totally financially responsible for the cost of such change and the incurred costs, if applicable, of the maintenance and repair of such change. The Board, through its agent, may include this additional maintenance cost in the periodic assessment for the Unit in question.

Section 10. USE OF COMMON ELEMENTS. Except as authorized by Section 9(b) a Co-Owner shall not place or cause to be placed in the passages, parking areas, roads, or other common areas any furniture, packages or obstructions of any kind. (b) A Co-Owner shall permit other Co-Owners, or their representatives, when so required, to enter his Unit for the purpose of performing installations, alterations, or repairs to the mechanical or electrical services, provided that such requests for entry are made in advance and that such entry is at a time convenient to the Co-Owner. In case of emergency, the right of entry shall be immediate.

The Board of Directors shall be required to obtain and maintain, as set forth below, in forms and amounts as hereinafter prescribed and which are also satisfactory to any mortgagee holding mortgages on five or more Units, the following insurance, without prejudice of the right of the Co-Owner to obtain additional individual insurance at his own expense:

Section 1. HAZARD INSURANCE. The Board of Directors shall insure the Property, as it may be constituted from time to time, against loss or damage due to fire, windstorm, lightning, and flood, with extended coverage, in an amount not less than the maximum insurable replacement value of the Property as determined by the Board upon recommendation made by the Regime's insurer, it being understood that the Board, at its discretion may have an appraisal made of the Property for this purpose, or in the amount reasonably obtainable as it relates to the flood coverage. The Board of Directors shall have the Authority also to insure against other hazards and risks as it may deem desirable for protection of the Property. All hazard insurance shall cover the entire Property, exclusive only of the contents and furnishings of the individual Units.

(a) All hazard insurance policies obtained by the Board of Directors shall designate the Board of Directors as the named insured as Insurance Trustee for the benefit of all the Owners and their mortgagees collectively, as their respective interests may appear. In the event of loss or damage, all insurance proceeds shall be paid jointly to the Board of Directors as Insurance Trustee under the provisions of this Master Deed and to any mortgagee holding mortgages on five or more Units, it being understood and acknowledged that the distribution of such proceeds shall be controlled by the Horizontal Property Act and the provisions of this Master Deed.

(b) All hazard insurance policies obtained by the Board of Directors shall provide for the issuance of Certificates of Insurance to each Unit Owner. Each Certificate shall evidence the issuance of the Master Policy and shall indicate the amount of insurance covering the

building within which the respective Unit is located. If a Unit is mortgaged, a Certificate of Insurance shall be issued to the mortgagee bearing a standard mortgagee endorsement, if requested.

(c) If obtainable, all hazard insurance policies upon the Property shall include provisions waiving (i) any rights of the insurer to subrogation against the Association, its agents and employees, and against the individual Owners and their servants, agents, and guests; and (ii) any rights of the insurer to contribution from hazard insurance purchased by the Unit Owner upon the contents and furnishings of their Units.

(d) Each mortgagee of which the Board has notice as herein provided shall be entitled to receive upon request, a statement of the replacement value as determined herein this Section 1. If any such mortgagee disagrees with the values assigned to the Property by such determination and presents an appraisal prepared at such mortgagee's expense showing higher values which has been performed by a qualified appraiser, then the Board shall either adopt the higher value or shall cause a reappraisal to be made by a qualified appraiser approved by the Board and by the appraisers who conducted the prior appraisals and the findings of the third appraiser shall be conclusive to determining such value for insurance purposes.

(e) Each hazard insurance policy shall contain a loss payee provision designating the interest of the various mortgagees as to the various Units within the Regime which are covered by the Master Policy. Such policies shall also provide that they shall not be cancelled without giving thirty (30) days prior written notice to all such mortgagees about which the insurer has been given written notice.

Section 2. PUBLIC LIABILITY INSURANCE. The Board of Directors shall obtain comprehensive public liability insurance with limits and provisions as it deems desirable and as may be obtainable. All such policies shall contain severability of interest clauses or endorsements extending coverage to liabilities of the Association to an individual Unit Owner and to liabilities of one Unit Owner to another Unit Owner.

Section 3. WORKMEN'S COMPENSATION INSURANCE. The Board of Directors, as necessary, shall obtain Workmen's Compensation Insurance to meet the requirements of law.

Section 4. PREMIUMS. All premiums upon insurance policies purchased by the Board of Directors shall be assessed as Common Expenses to be paid by the Unit Owners through periodic assessment as herein provided.

Section 5. ADJUSTMENT. Each Unit Owner shall be deemed to have delegated to the Board of Directors his right to adjust with insurance companies all losses under policies purchased by the Association, subject to the rights of mortgagees of such Unit Owners.

Section 6. INSURANCE BY UNIT OWNERS. Each Unit Owner shall be responsible for obtaining, at his sole expense, insurance covering the personal property, wall coverings, decorations, and furnishings within his own Unit and the additions and improvements made by him to the Unit. Each Unit shall be responsible for obtaining, at his sole expense, insurance covering the personal property, wall coverings, decorations, and furnishings within his own Unit and the additions and improvements made by him to the Unit. Each Unit Owner shall also be responsible for obtaining at his own expense, insurance covering his liability for the safety of the premises within his Unit. All such insurance policies shall included, however, provisions waiving (i) any right of the insurer to subrogation claims against the Association and against individual Unit Owners, as well as their agents, servants, employees, and guests; and (ii) any right of the insurer to contribution or proration because of the master hazard policy.

As set forth in Section 5.06 of the Master Deed, the Co-Owner is responsible for any damage to his Unit or another Unit caused by his negligent action or inaction. If a claim is made against the Association's policy as a result of such negligence by a Co-Owner, then the Board may make a determination to assess any non-reimbursable expenses, such as the deductible, attorney's fees, and the like, against the negligent Co-Owner, and such assessment shall be collectible just as any other assessment described in Section 1 of Article VII.

Section 7. DISTINCTION ON OWNER'S COVERAGE AND REGIME COVERAGE. As reflected above, both the Association and the Co-Owner have certain insurers' responsibilities. The Board, acting through the Management Agent, shall have the discretion to balance competing interests of

said insurers, should such an occasion arise. Each Co-Owner shall, upon request, provide to the Management Agent, the name and address of his insurer.

Section 8. SUBSTITUTION OF INSURANCE TRUSTEE. The Board of Directors, in its discretion, may decline to serve as Insurance Trustee and may appoint in its place any financial institution which is qualified and willing to act as Trustee and which also has offices in Beaufort County, South Carolina. Any substitute Insurance Trustee appointed by the Board of Directors shall succeed to all of the powers and responsibilities vested in the Board as Insurance Trustee under the terms of this Master Deed.

ARTICLE IX

RECONSTRUCTION AND REPAIR

In the event of casualty loss or damage to the Property, the Board of Directors shall be responsible for applying the proceeds of all casualty insurance to the repair or reconstruction of the Property in accordance with the provisions of this ARTICLE IX. Reconstruction or repair shall be mandatory unless otherwise provided in the Act, as amended from time to time, or unless seventy-five (75%) percent or more of the Unit Owners vote, at a duly authorized meeting, not to reconstruct. In situations where reconstruction or repair is not to be undertaken, the insurance indemnity received by the Board of Directors shall be distributed pro-rate to the Unit Owners and their mortgagees jointly in proportion to their respective statutory interests. The remaining portion of the Property shall be subject to an action for partition at the suit of any Unit Owner or lien or as if owned in common. In the event of suit for partition, the net proceeds of sale, together with the net proceeds of insurance policies, shall be considered one fund and distributed pro-rate among all Unit Owners and their mortgagees jointly in proportion to their respective statutory interests. In the situation where reconstruction or repair is undertaken, then such Property shall be repaired in the following manner:

(1) Any reconstruction or repair must follow substantially the original plans and specifications of the Property (attached as Exhibit "C-1" to the Master Deed) unless the Unit Owners holding seventy-five percent (75%) or more of the total interest in Common Elements and their mortgagees, if any, vote to adopt different plans and specifications and all Owners whose Units are being reconstructed or repaired unanimously consent to the adoption of such different plans and specifications. The approval of such plans by Declarant as provided

by the covenants set forth in Section 16 of the Master Deed shall likewise be required.

(2) The Board of Directors shall promptly obtain estimates of the cost required to restore the damaged property to its condition before the casualty occurred. Such costs may include such professional fees and premiums for bids as the Board of Directors deems necessary.

(3) If the insurance proceeds paid to the Board are insufficient to cover the cost of reconstruction , the Association may use funds out of its reserve or replacement accounts, and, if still not sufficient, the Association shall levy and collect an assessment against all Owners in an Amount which shall provide the funds required to pay for the repair, replacement or reconstruction.

(4) The insurance proceeds received by the Board of Directors and the mortgagees, and any special assessments collected to cover a deficiency in insurance shall constitute a construction fund from which the Board of Director and the mortgagees, shall disburse payment of the costs of reconstruction and repair. The first disbursements from the construction fund shall be insurance proceeds; and if there is a balance in the fund after payment of all costs of reconstruction and repair, it shall be distributed to the Unit Owners who paid special assessments in proportion to their payments. Any balance remaining after such distribution shall be retained by the Association.

ARTICLE X

INSURANCE TRUST

In the event of casualty loss to the Property, all insurance proceeds indemnifying the loss or damage shall be paid jointly to the Board of Directors as Insurance Trustee and to any mortgagee holding mortgages on five or more Units. The Board of Directors, acting as Insurance Trustee, shall receive and hold all insurance proceeds in trust for the purposes stated in this ARTICLE X and the benefit of the Association, the Unit Owners, and their respective mortgagees in the following share:

(1) Insurance proceeds paid on account of loss or damage to the Common Elements only shall be held in the same proportion as the undivided interests in the Common Elements which are appurtenant to each of the Units.

(2) Insurance proceeds paid on account of loss or damage to less than all of the Units, when the damage is to be restored, shall be held for the benefit of Unit Owners of the damaged Units and their respective mortgagees in proportion to the costs of repairing each damaged Unit.

(3) Insurance proceeds paid when the Property is not to be restored shall be held for the benefit of all Owners, and their respective mortgagees the share of each being equal to the undivided share or interest in Common Elements appurtenant to the applicable Unit.

(4) In the event a Certificate of Insurance has been issued to a Unit Owner bearing a mortgagee endorsement, the share of the Unit Owner shall be held in trust for the mortgagee and the Unit Owner as their interests may appear; provided, however, that no mortgage shall have any right to determine or participate in the determination as to whether any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except for insurance proceeds required by the loan documents to be paid jointly to the Unit Owners and their respective mortgagees pursuant to the provisions of the Master Deed.

ARTICLE XI

MORTGAGES

Section 1. NOTICE TO BOARD. A Co-Owner who mortgages his Unit shall notify the Board through the Management Agent, if any, or the President if there is no Management Agent, of the name and address of his Mortgagee; and the Association shall maintain such information in a book entitled "Mortgages on Units" or in the individual Unit file.

Section 2. NOTICE TO MORTGAGEE. The Board shall give reasonable advance written notice of the following events to all mortgagees from which it receives a written request (the term "mortgagee" to include the holder, insurer or guarantor with respect to any such mortgage). Such written request must identify the name and address of the holder, insurer or guarantor and the Unit number and address:

(a) Any change in the Condominium documents;

(b) Any unpaid assessments due the Association for over ninety (90) days from the Co-Owner(s) (mortgagor(s)) of the Unit;

(c) Any default by the Co-Owner (mortgagor) of a Unit in the performance of such Co-Owners' obligations under the Master Deed and associated Condominium documents when such default is not cured within sixty (60) days.

(d) Any notice of special or annual meetings of the Association.

(e) Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a first mortgage held, insured, or guaranteed by such eligible mortgage holder or eligible insurer or guarantor, as applicable;

(f) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(g) Any proposed action which would require the consent of a specified percentage of eligible mortgage holders as specified in these By-Laws or in the Master Deed.

(h) Any proposed change from professional management of the Property to self management of the Property by the Association.

Section 3. STATEMENTS TO MORTGAGEE. Upon written request to the Association from any Mortgagee of which it has notice as herein provided, the Board, Manager or Management Agent shall supply such Mortgagee with a reasonably current financial statement of the Association within a reasonable time of such request. Moreover, if no audited current financial statements are available, the holders of fifty-one (51%) percent or more of first mortgages shall be entitled to have such an audited statement prepared at their expense.

ARTICLE XII

RESTRICTIONS UPON LEASES OF UNITS

Section 1. LEASES. No Unit Owner may lease his Unit or any interest therein except by complying with the provisions of Section 2 of this Article.

Section 2. PROVISIONS IN LEASE. Any lease of any Unit within the Association shall be for a use consistent with the use provisions of these By-Laws and shall provide that the terms and conditions of the Master Deed and all exhibits shall be complied with by the tenant and that the Association shall have the power to terminate such lease, and bring summary proceedings to evict the tenant in the name of the landlord thereunder in the event of default by the tenant in the performance of said lease, or failure by the tenant to perform an obligation in the Master Deed, By-Laws, or Rules and Regulations.

ARTICLE XIII

Notwithstanding the foregoing, so long as the Declarant remains the Owner of more than one Unit in this Regime, these By-Laws shall not be amended so as to adversely affect the Declarant without the Declarant's consent.

Section 2. MATERIALITY OF AMENDMENTS; MORTGAGEE APPROVAL PROCEDURE.

An addition or Amendment to the By-Laws or Master Deed shall not be considered material if it is for the purpose of correcting technical errors, or for clarification only. Amendment to the By Laws for Edgewater on Broad Creek Horizontal Property Regime

Article XII, Restrictions on Leases

Whereas, the Master Deed and By Laws for the Edgewater on Broad Creek Horizontal Property Regime were recorded on December 31, 2002 in Deed Book 1689 at Page 574 in the Register of Deeds for Beaufort County; and

Whereas, the Property Owners' Association for Edgewater on Broad Creek was formed by the co-owners in October, 2006 and further recognized and confirmed by Order of the Honorable Curtis L. Coltrane, Master in Equity and Special Circuit Judge for Beaufort County dated and entered October 31, 2006, with consent of the former developer, Broad Creek Edgewater, L.P. as noted in said Order; and

Whereas, at a duly noticed annual meeting of the co-owners of the Edgewater on Broad Creek Horizontal Property Regime on March 8, 2008, the co-owners discussed in an open forum different proposals addressing a minimum lease term for the purpose of amending these By Laws to reflect same; and

Whereas, the owners present and by proxy did vote for the following amendment which passed, by more than sixty seven (67%%) of the co-owners as required by Article XIII of the By-Laws. The amendment below providing a minimum lease term of twelve (12) months passed by a vote of seventeen (17) for and six (6) against. The amendment below vesting discretion in the Board of Directors to approve a shorter lease term not less than six (6) months passed by a vote of nineteen (19) for and four (4) against; and

Whereas, prior to the recording of this Amendment, more than fifty-one (51%) of the mortgagees of record as of the date of the annual meeting will have received written notice of the amendment that the co-owners approved and as established by the attestation attached hereto, said mortgagees have not delivered a negative response relating to the approval of this proposed amendment; therefore,

NOW, BE IT RESOLVED, that Article XII of the By Laws, entitled Restrictions on Leases, is amended by adding a Section 3, Section 4, Section 5, and Section 6 which shall state as set forth below:

Section 3.
Except as provided in Section 4 herein, no Unit may be leased to a person or person(s), or to an entity, other than to a person whom is an immediate family member of the Unit Owner, for a period of less than twelve (12) calendar months.

Section 4.
Upon the application of an Owner, prior to the commencement of a lease term for any new tenant, and using the forms and procedures designated by the Board, the Board may, in its discretion, approve a lease term of less than twelve months, but not less than six months, for the

specific tenant stated in the application at the specific Unit stated in the application, for the time period applied for. Said approval shall be manifest by an affirmative vote of not less than three Board members. Failure to obtain approval by at least three Board members prior to the commencement of the proposed shortened leasehold term set forth in the application shall be deemed a denial of the application. The Board's approval or denial of any particular application shall not be considered legally binding precedent on any future application; and further, said approval or denial shall only be applicable to the specific tenant and unit applied for in the application.

Section 5.
The limitations on lease terms established in Section 4 and Section 5 above shall not apply to the short term extension of the lease term of a tenant already residing in a Unit subject to a lease which is authorized by these By Laws.

Section 6.
In addition to the remedies established in these By Laws and the Master Deed, the Board may, upon receipt of information that an Owner or leasehold is non compliant with this Section, and after reasonable notice to the impacted Owner to abate the violation, said notice to be not less than fifteen (15) days, implement one or more of the following remedies:
a. commence and prosecute an eviction proceeding to remove the tenant subject to the non conforming leasehold, at the expense of the Owner of the Unit;
b. assess a fine against the Owner of the Unit based on the schedule of fines set forth in the Rules and Regulations for the Association which are then in force.

Phase I as described in the Master Deed and exhibits thereto, incorporates all of the real property presently conveyed and deeded into the within The Edgewater on Broad Creek Horizontal Property Regime.

2. At the meeting on October 30, 2006, the twenty two co-owners present in person or by proxy unanimously voted to establish a Board of Directors empowered to manage the Association pursuant to its By Laws and the aforementioned Master Deed. The co-owners further elected five co-owner members to serve as initial Directors of the Association. These Directors are noted in the minutes of the Association.

Association, and assume representation on the Board and input as to its affairs. As between these parties, the Memorandum of Understanding shall supercede the terms of this Consent Order. As the specific terms of the contemplated Memorandum of Understanding are not yet finalized, the parties agree that this Court shall retain jurisdiction over the matter and shall be available to decide upon the terms of said Memorandum of Understanding in the event that the parties are not be able to reach final agreement on its terms. If Distinct Development II, LLC fails to tender a Memorandum of Understanding for review by the Association on or before the close of business on November 3, 2006, then the Association's obligation to enter into a Memorandum of Understanding is null and void, and the remaining terms of this Order shall be controlling upon the affairs of the Association.

Project Narrative for Edgewater Swimming Pool Addition

The existing Edgewater community is located on Marshland Road and backs up onto Broad Creek. Edgewater is divided into two parcels, consisting of 7.6 acres (including the clubhouse & tennis facility) owned by the property owner's regime and approximately 16 acres (including the existing pool) that has recently been foreclosed by the bank. The property owners do not have access to the existing pool and are requesting approval to add a new swimming pool and deck behind their existing clubhouse and tennis facility.

The existing clubhouse and tennis facility is located near the Marshland Road entrance and is surrounded by wooded edges and a solid fenced perimeter. The proposed swimming pool location is adjacent to the existing clubhouse, well within the existing property boundary and will have the tennis courts to the north with existing parking to the south side, and a buffer at the rear that backs up to an existing solid wood fence. The proposed pool area is currently covered with lawn on half the site and small trees on the remaining portion (see photos and plans). An existing landscape planter surrounding a large existing pine tree will remain and become integral to the pool landscaping. There are no wetlands within the proposed pool area and existing utilities/storm drainage will service the new facility.

The proposed pool is approximately 1,151square feet, with 3,190 square feet of sunning deck. The pool will have a tiled perimeter edge with coping and concrete sunning deck with a stucco/synthetic cool surface finish treatment. The pool planter wall will match existing planter walls around the clubhouse and pavement grades will meet flush with the exiting clubhouse walkways. The perimeter of the pool will include native/naturalized landscaping and a 4' high black ornamental metal barrier fence (to match entrance gate and surround bollard lights). The pool will include underwater accent lighting and low level landscape lighting.

The property owner's regime will own and maintain the new swimming pool facility.

RE: Edgewater on Broad Creek - Edgewater HOA Swimming Pool Applications – Our File Nos. 015005-001 and 01505-004

Dear Nicole:

Following-up regarding the above matter, we understand the Town's Design Review Board has approved the aesthetics of the proposed site plan for the swimming pool proposed by the Edgewater HOA.

As we understand our last discussion with you regarding the proposed HOA swimming pool on this past Tuesday morning, the Edgewater HOA will be required by the Town to obtain development plan review approval before they are able to apply for and obtain a building permit for their proposed pool. We are reviewing those issues on behalf of our client, Ephesian Ventures, LLC, the owner of the substantial portion of the Edgewater property that is the subject of permits issued by the Town.

You have advised us that you will provide us with a copy of any development plan review applications submitted by the Edgewater HOA for their proposed pool. We trust this will include any proposals to amend any existing permits, and we would also appreciate receiving copies of any other permit applications that the Edgewater HOA may submit in connection with its proposed pool.

In addition, we would appreciate receiving copies of any applications submitted by the Edgewater HOA with respect to the sidewalk or other pathway installation which is underway last week, which we understand has been stopped by the Town.

LAW OFFICE OF
CHESTER C. WILLIAMS, LLC

Thanking you for your consideration regarding this matter, we are

Very truly yours,

Chet,
I also forgot to mention that the other applicant for Edgewater did come in and get an XDPR for the tabby sidewalk last week and it was approved and I believe they have completed that work. Let me know if you have any questions about that. When they come in for the DPR for the pool, I will let you know and you can stop by and take a look at their plans.

HAND DELIVERED

RE: Edgewater on Broad Creek; Tabby Pathway; Expedited Development Plan Review Application No. XDPR100013 – Our File No. 01505-005

Dear Teri:

We represent Ephesian Ventures, LLC ("Ephesian"), which owns a 16.01 acre tract adjacent to the Edgewater on Broad Creek Horizontal Property Regime (the "Regime"). The Regime was established by the Master Deed (the "Master Deed") recorded on December 31, 2002 in the Office of the Register of Deeds for Beaufort County, SC in Record Book 1689 at Page 574. A copy of the Master Deed is enclosed herewith.

The Master Deed submitted 7.64 acres of the Edgewater on Broad Creek property to the provisions of the South Carolina Horizontal Property Act, Section 27-31-10, *et. seq.* of the Code of Laws of South Carolina (1976), as amended (the "Act"). Ephesian is the owner of property at Edgewater on Broad Creek not submitted to the provisions of the Act by the Master Deed.

Ephesian is also the holder of the rights of the Declarant under the Master Deed by way of that certain Quitclaim Deed from the Trustee in Bankruptcy for Broad Creek Edgewater, LP, recorded on July 7, 2008 in Beaufort County Record Book 2742 at Page 2049 (the "Quitclaim Deed"). A copy of the Quitclaim Deed is enclosed herewith.

It has come to Ephesian's attention that Edgewater on Broad Creek Owners' Association, Inc. (the "Edgewater HOA") filed the above-referenced application for Expedited Development Plan Review (the "XDPR Application") on April 12, 2010 in connection with the construction of a tabby pathway and related recreational amenities on the Regime property. A Notice of Action on the XDPR Application was issued on April 15, 2010.

LAW OFFICE OF
CHESTER C. WILLIAMS, LLC

By way of our letter of April 15, 2010 to Nicole Dixon, we had asked that Nicole advise of us the filing of the XDPR Application, specifically for the purpose of reviewing the XDPR Application for compliance with applicable restrictive covenants. A copy of our April 15, 2010 letter to Nicole is enclosed. However, despite our written request, we were not advised by Nicole of the filing of the XDPR Application until we received her email of April 20, 2010, in which Nicole also advised us of the issuance of the Notice of Action on the XDPR Application. We obtained a copy of the XDPR Application on April 26, 2010 when we reviewed the Town's file on the XDPR Application.

Among the rights reserved under the Master Deed to the Declarant, as defined in the Master Deed, and held by Ephesian pursuant to the Quitclaim Deed, are the right to improve the Regime by clearing, tree pruning, constructing additional parking and common facilities, including, but not necessarily limited to recreational facilities, drainage facilities, lagoons, and the like. In addition, Ephesian holds rights of ingress and egress across the Regime property, the rights to install utility and drainage lines, equipment and facilities over the Regime property, and the right to grant easements over the Regime property. Further, Ephesian owns all water and sewer lines, pipes, pumps, pumping stations, and other equipment and facilities on the Regime property. We refer you to Exhibit A to the Master Deed.

Our review of the Town's file on the XDPR Application clearly indicates that the XDPR Application was incomplete when filed and when the Notice of Action was issued. The XDPR Application also represents that there are no recorded private covenants and/or restrictions that are contrary to, conflict with, or prohibit the proposed request. As you can readily ascertain from this letter, Ephesian believes this representation is clearly false, as the Edgewater HOA's tabby pathway and related recreational amenities are in conflict with, and prohibited by, the provisions of the Master Deed.

Section 6-29-1145(B)(3) of the Code of Laws of South Carolina (1976), as amended provides, in part,

> (B) If a local planning agency has actual notice of a restrictive covenant on a tract or parcel of land that is contrary to, conflicts with, or prohibits the permitted activity:
>
> (3) from any other source including, but not limited to, other property holders, the local planning agency must not issue the permit unless the local planning agency receives confirmation from the applicant that the restrictive covenant has been released for the tract or parcel of land by action of the appropriate authority or property holders or by court order.

LAW OFFICE OF
CHESTER C. WILLIAMS, LLC

Ephesian does not intend to relinquish any rights reserved to the Declarant under the Master Deed and the Quitclaim Deed, and is opposed to the project contemplated by the XDPR Application. Accordingly this letter provides the Town of Hilton Head Island with actual notice of a restrictive covenant on the Regime property that is contrary to, conflicts with, or prohibits the permitted activity.

We trust that the Town will take the appropriate action by rescinding the Notice of Action on the XDPR Application, and by not issuing any permit or other Notice of Action in connection with the XDPR Application until the XDPR Application is complete, and there is full compliance with the provisions of Section 1145(B)(3) of the South Carolina Code.

With best regards, we are

RE: Edgewater on Broad Creek, tabby walkway
XDPR10013

April 30, 2010

Dear Mr. Bucko:

Town Staff has rescinded the Notice of Action issued to Edgewater on Broad Creek to construct a tabby walkway and brick areas at 50 Verbena Lane (Expedited Development Plan Review (XDPR10013). The Notice of Action has been rescinded and the project denied based on discovery that misinformation was provided by you as part of the application. After further review by the Town's attorney, the proposed project is in violation of the Master Deed Establishing the Edgewater on Broad Creek Horizontal Property Regime (Phase 1). According to information contained in the deed, Ephesian retains all rights that went with the property transfer as part of the bankruptcy. South Carolina Code of Laws (Section 6-29-1145(B)(3)) prohibits the issuance of permits and approvals if they are contrary to the restrictive covenants. Therefore, prior to the review of any subsequent applications, you must receive written approval from Ephesian based on requirements in the recorded covenants and submit it as part of your application.

Please be aware that per Town Land Management Ordinance (LMO) Section 16-3-309 should you disagree with the denial of XDPR100013 you may appeal to the Town's Planning Commission.

Additionally, the approval to install a new pool, Design Review Board application DR100017 has been voided by Town Staff for the reasons as described in the first paragraph above.

Please contact me if you have any additional questions concerning this matter.

Sincerely,

TLewis

Re: Edgewater on Broad Creek, tabby walk permit application
XDPR10013

Appeal Explanation

Appellant Edgewater on Broad Creek Owners Association disputes and appeals the decision of the Town of Hilton Head Island Community Development Department that cites the existence of restrictive covenant(s) which would prohibit the issuance of a permit and/or approval for the subject tabby walk construction and permit under South Carolina Code of Laws Section 6-29-1145(B)(3) for the reasons set forth in the attached explanation of history and circumstances.

Appellant respectfully requests that the Board of Zoning Appeals reverse the decision of the Community Development Department, and re-instate the approval of the tabby walk permit application.

Re: Edgewater on Broad Creek, tabby walkway
XDPR10013

This document is filed on behalf of Edgewater on Broad Creek Property Owners Association and Edgewater on Broad Creek Horizontal Property Regime ("Owners Association" or "Phase I"), and appends and attaches to the Appeal form filed on this date in the above matter. Phase I appeals the decisions set forth in the Town's letter of April 30 2010 which was sent to IMC Resort Services, Inc., the property manager for Phase I.

For the Board of Zoning Appeals' consideration, Phase I consists of twenty three apartment unit owners whom purchased their property subject to the Master Deed, attached hereto, which dedicated Phase I into a separate horizontal property regime on December 31, 2002. These owners purchased their property upon the representation that the pool and amenities on the remaining, "Declarant" parcel would be available for their use, and indeed, they were permitted to use the facilities uninterrupted until Ephesian acquired the Declarant interests and adjacent property in August, 2008. Currently, Ephesian has denied the Phase I owners access to its pool, dock or waterfront under any terms. "Ephesian" is upon and belief a Nevada corporation composed of one or more shareholders and principals, the identity of which has been expressly withheld from the Owners Association despite repeated requests.

1. The Owners' Association disputes the conclusion set forth in the Town's letter of April 30 that the Master Deed currently vests any unique rights in "Ephesian", as successor in interest to the Declarant, to approve or veto the Owners' Association's construction of a tabby walk on the Association's common property. Thus the Owners' Association appeals the Town's determination that written approval from Ephesian is a pre-requisite for construction of the permitted tabby walk. Even a reading of the attached Master Deed in a light most favorable to the objecting party, Ephesian Ventures, LLC, would not define the tabby walk path in question as an amenity over which Ephesian, as successor to the Declarant, has any standing to object to construction or placement of. Further, the Owners' Association disputes that the Master Deed creates a restrictive covenant in this respect.

2. Ephesian Ventures has abandoned its responsibilities under the subject Master Deed with respect to the Phase I property. It does not currently maintain any of the Phase I property, nor maintain the portion of its property that is adjacent to Phase I. To wit, Ephesian has not removed an abandoned building on its adjacent property despite instruction from the Town to do so. Ephesian Ventures does not presently contribute to the ongoing and substantial carrying costs associated with the shared security gate, ingress and egress, landscaping, water station, security fence and other shared amenities. Ephesian Ventures has wilfully cut off and denied the Phase I property owners all access to the remainder of the Edgewater on Broad Creek development and all amenities associated therewith, including the dock, pool, and waterfront. In sum, through its conduct, it has waived any remaining property rights vested within it with respect to Phase I.

3. Ephesian has not "phased in" its property into the Edgewater on Broad Creek Horizontal Property Regime as of April 30, 2010.

4. The tabby walk, which was constructed based on the Town's prior approval, provides a useful safety benefit, facilitating ingress and egress for Phase I owners and guests to their clubhouse and front property amenities without having to walk in a road way, and provides a firm surface for wheelchairs and handicapped persons. It does not impact or alter any proposed use by Ephesian Ventures, LLC on its property. Phase I's Board of Directors is fully vested to control the public safety aspects of its property, by virtue of the Master Deed and Court order.

RE: Edgewater on Broad Creek, tabby walkway
XDPR100013

Dear Mr. Bucko:

This letter is in reference to the revocation of the Notice of Action issued for XDPR100013. On April 30, 2010, I sent you a letter stating that Town Staff was rescinding the Notice of Action issued for XDPR100013 due to discovery that misinformation was provided as part of the application. It is apparent that a neighboring property owner (Ephesian) claims certain covenant rights and controls which are disputed by Edgewater. It would appear that this is a civil dispute between two property owners which needs to be resolved by a court.

In addition, during a recent review of the Town's Land Management Ordinance (LMO) and discussions with legal staff, Town Staff realized that we revoked the Notice of Action without following the proper procedure listed in the LMO for revoking a permit. LMO Section 16-3-310.C states the following:

> A vested right to a site specific development plan or phased development plan is subject to revocation by the local governing body upon its determination, after notice and public hearing, that there was a material misrepresentation by the landowner or substantial noncompliance with the terms and conditions of the original or amended approval.

Based on the above section Staff should not have revoked the Notice of Action for XDPR100013 without prior notice and a public hearing.

At this time staff is going to hold the revocation in abeyance until such time that Edgewater and Ephesian have resolved the covenant dispute. As a result of this decision, APL100004 is moot and staff is in the process of refunding the $100 application fee. Additionally the approval issued for XDPR100013 will remain in place subject to the outcome of the pending covenant dispute.

Also, in accordance with LMO Section 16-3-309 the issuance of the NOA for XDPR100013 may be appealed for a period of 30 days; the appeal period was interrupted by our letter of April 30, 2010. This above mentioned interruption results in the appeal period being tolled for 15 days and therefore any interested parties still have an additional 15 days to appeal the NOA for XDPR100013.

Please contact me if you have any additional questions concerning this matter.

HAND DELIVERED

RE: Edgewater on Broad Creek; Expedited Development Plan Review Application No. XDPR100013 for Tabby Pathway – Our File No. 01505-005

Dear Teri:

On behalf of our client Ephesian Ventures, LLC ("Ephesian"), we request that you, as the LMO Official for the Town of Hilton Head Island (the "Town"), initiate proceedings under Section 16-3-310(C) of the Town's Land Management Ordinance (the "LMO") to revoke the approval of Expedited Development Plan Review Application No. XDPR100013 (the "XDPR Application") evidenced by the April 15, 2010 Notice of Action (the "Notice of Action") of the XDPR Application on the grounds that there was a material misrepresentation by the landowner or its agent in the XDPR Application.

Ephesian owns a 16.01 acre tract adjacent to the Edgewater on Broad Creek Horizontal Property Regime (the "Regime"). The Regime was established by the Master Deed Establishing the Edgewater on Broad Creek Horizontal Property Regime (Phase I) recorded on December 31, 2002 in the Office of the Register of Deeds for Beaufort County, South Carolina in Record Book 1689 at Page 574 (the "Master Deed"). We have previously provided you with a copy of the Master Deed, and we refer you to our letter to you of April 28, 2010.

Ephesian is the holder of the rights of the Declarant under the Master Deed by way of that certain Quitclaim Deed from the Trustee in Bankruptcy for Broad Creek Edgewater, LP, recorded on July 7, 2008 in Beaufort County Record Book 2742 at Page 2049 (the "Quitclaim Deed"). We have previously

LAW OFFICE OF
CHESTER C. WILLIAMS, LLC

provided you with a copy of the Quitclaim Deed, and we again refer you to our letter to you of April 28, 2010.

We also refer you to your letter dated April 30, 2010 to IMC Resort Services, Inc., the agent for the Edgewater Regime on the XDPR Application, by which you rescinded the Notice of Action, stating:

> The Notice of Action has been rescinded and the project denied based on discovery that misinformation was provided by you as part of the application. After further review by the Town's attorney, the proposed project is in violation of the Master Deed Establishing the Edgewater on Broad Creek Horizontal Property Regime (Phase 1)." (Emphasis added.)

A copy of your April 30, 2010 letter is enclosed herewith. Clearly, that letter evidences a determination by you, as the LMO Official, and Gregory M. Alford, Esq., the Town Attorney, that the XDPR Application contains misinformation that is a material misrepresentation.

Thereafter, by way of your June 25, 2010 letter to IMC Resort Services, Inc., you advised the Edgewater Regime that your April 30, 2010 revocation of the Notice of Action did not follow the procedure set forth in LMO Section 16-3-310(C), and that revocation is now being held in abeyance.

Section 6-29-1145(B)(3) of the Code of Laws of South Carolina (1976), as amended, prohibits the Town from issuing any permit if the Town has knowledge from any source of a restrictive covenant on a tract or parcel of land that is contrary to, conflicts with, or prohibits the permitted activity. Based on the determinations made by you, as the LMO Official, and the Town Attorney as set forth in your April 30, 2010 letter, it is readily apparent that the XDPR Application would not, and could not, have been approved by the Town but for the material misrepresentation in the XDPR Application.

Under LMO Section 16-8-103(A), you, as the LMO Official and the Administrator of the LMO, have responsibility for enforcement of the LMO; and under LMO Section 16-8-103(C)(2), you have a duty to take whatever action is necessary to assure compliance with the provisions of the LMO. Based upon the specific determinations made in your April 30, 2010 letter, after review by the Town Attorney, that misinformation was provided by you as part of the XDPR Application and that the project proposed by the XDPR Application is in violation of the Master Deed, it is incumbent upon you to institute revocation proceedings regarding the XDPR Application and the Notice of Action under LMO Section 16-3-310(C), as a material misrepresentation in an application is

LAW OFFICE OF
CHESTER C. WILLIAMS, LLC

a clear basis for revocation of a permit. We submit that you and your Staff cannot sit idly by and take no action in such circumstances, particularly when you and the Town Attorney have already made determinations which are conclusive to the issues.

On behalf of Ephesian, we formally request that you immediately take appropriate steps to initiate revocation proceedings under LMO Section 16-3-310(C) regarding the Notice of Action, and suspend the effectiveness of the Notice of Action pending those proceedings.

With best regards, we are

B. Lewis, AICP, the LMO Official for the Town of Hilton Head Island (the "Town"), to the undersigned Chester C. Williams dated July 26, 2010 (the "07/26/10 Letter")[1] by which Mrs. Lewis has declined to institute revocation proceedings for the Notice of Action dated April 15, 2010 (the "Notice of Action") on Expedited Development Plan Review Application No. XDPR100013 (the "XDPR Application")[2] filed on April 12, 2010 on behalf of Edgewater on Broad Creek, HPR (the "Edgewater HOA"). The Notice of Action[3] purports to permit the construction of a tabby pathway on property which is subject to restrictive covenants and easements and other rights held by Ephesian. This Narrative is submitted to the Town as part of this Appeal, for inclusion in the record of this Appeal, and for review by the Town's Board of Zoning Appeals (the "BZA").

Ephesian owns a 16.01 acre tract adjacent to the property of Edgewater on Broad Creek Horizontal Property Regime (the "Regime"). The Regime was created by the recording of the Master Deed Establishing the Edgewater on Broad Creek Horizontal Property Regime (Phase I) on December 31, 2002 in Beaufort County Record Book 1689 at Page 574 (the "Master Deed").[4] The Master Deed submitted 7.64 acres of the Edgewater on Broad Creek property (the "Regime Property") to the provisions of the South Carolina Horizontal Property Act, Section 27-31-10, *et seq.* of the Code of Laws of South Carolina (1976), as amended (the "SC Code"). Ephesian is the owner of property at Edgewater on Broad Creek (the "16.01 Acre Tract") not included in the Regime Property.

[1] A copy of the 07/26/10 Letter is attached to this Narrative as Exhibit A.

[2] A copy of the XDPR Application is attached to this Narrative as Exhibit B.

[3] A copy of the Notice of Action is attached to this Narrative as Exhibit C.

[4] The Master Deed as recorded, including all exhibits, is 91 pages. Ephesian has previously provided copies of the Master Deed to the Town Staff. Because of the size of the document, a copy of the Master Deed is not attached to this Narrative as an exhibit; however, Ephesian will have a copy of the Master Deed available at the hearing of this Appeal, and will readily provide a copy to any member of the BZA upon request.

Ephesian acquired the 16.01 Acre Tract by way of that certain deed from the Trustee in Bankruptcy for Broad Creek Edgewater, LP recorded on July 7, 2008 in Beaufort County Record Book 2742 at Page 2049.[5] Ephesian's deed also conveys to Ephesian the rights of the Declarant under the Master Deed and numerous reserved easements and other interests in the Regime Property, as more fully discussed below.

The Regime Property is designated as Beaufort County tax parcel R510-011-000-0177-0000, and the 16.01 Acre Tract is designated as Beaufort County tax parcel R510-011-000-0004-0000.

This Appeal seeks to reverse the decision of the LMO Official to refuse to institute revocation proceedings under Section 16-63-301(C) of the Town's Land Management Ordinance (the "LMO") regarding the Notice of Action. The 07/26/10 Letter says that the administrative determination contained therein may be appealed to the BZA.

III. BACKGROUND

On or about April 9, 2010, the Edgewater HOA started site work and construction of a tabby pathway on a portion of the Regime Property, without seeking the consent of Ephesian for such work. That same day, Nicole Dixon, Planner for the Town, on behalf of the Town, ordered that such site work and construction activities cease until the proposed work was properly permitted by the Town. Ephesian believes that, as a result of the Town's stop work order, the XDPR Application was filed with the Town on April 12, 2010.

By way of a letter to Ms. Dixon on April 15, 2010, the undersigned, on behalf of Ephesian, asked that Ms. Dixon provide Ephesian with notice of the filing of the XDPR Application, specifically for the purpose of reviewing the XDPR Application for compliance with applicable restrictive covenants.[6]

[5] A copy of Ephesian's deed is attached to this Narrative as Exhibit D.

[6] A copy of the April 15, 2010 letter to Ms. Dixon is attached to this Narrative as Exhibit E.

However, Ephesian was not advised by Ms. Dixon of the filing of the XDPR Application until the undersigned received an email from Ms. Dixon on April 20, 2010,[7] in which Ms. Dixon advised the undersigned of the issuance of the Notice of Action. The undersigned and Ephesian did not receive copies of the XDPR Application and the Notice of Action until they were obtained from a review of the Town's file on the XDPR Application on April 26, 2010.

By way of a letter to Teri B. Lewis, AICP, the Town's LMO Official, on April 28, 2010, Ephesian, through the undersigned, notified the Town that the XDPR Application contained factual inaccuracies and was improperly issued.[8] That letter identified Ephesian as the holder of the rights of the Declarant (the "Declarant Rights") under the Master Deed by way of the Ephesian Deed, advised Mrs. Lewis and the Town of certain rights reserved under the Master Deed to the Declarant and held by Ephesian, further advised Mrs. Lewis and the Town of restrictive covenants contained in the Master Deed that are applicable to the Regime Tract, and informed the Town that the restrictive covenants applicable to the Regime Tract are contrary to, conflict with, or prohibit the activity permitted by the XDPR Application and the Notice of Action.

On April 30, 2010, in her letter to IMC Resort Services, Inc., the Edgewater HOA's agent on the XDPR Application,[9] Mrs. Lewis, rescinded the Notice of Action, stating:

> The Notice of Action has been rescinded and the project denied based on discovery that misinformation was provided by you as part of the application. After further review by the Town's attorney, the proposed project is in violation of the Master Deed

[7] A copy of the April 20, 2010 email from Ms. Dixon is attached to this Narrative as Exhibit F.

[8] A copy of the April 28, 2010 letter to Ms. Lewis (without the two enclosures, which are the Master Deed and Ephesian's deed) is attached to this Narrative as Exhibit G..

[9] A copy of Mrs. Lewis' April 30, 2010 letter to IMC Resort Services, Inc. is attached to this Narrative as Exhibit H.

> Establishing the Edgewater on Broad Creek Horizontal Property Regime (Phase 1). According to information contained in the deed, Ephesian retains all rights that went with the property transfer as part of the bankruptcy. South Carolina Code of Laws (Section 6-29-1145(B)(3)) prohibits the issuance of permits and approvals if they are contrary to the restrictive covenants. Therefore, prior to the review of any subsequent applications, you must receive written approval from Ephesian based on requirements in the recorded covenants and submit it as part of your applications. (Emphasis added.)

On May 19, 2010, the Edgewater HOA filed an appeal of the rescission of the Notice of Action; however, on June 25, 2010 Mrs. Lewis advised the Edgewater HOA by her letter of that date that her rescission of the Notice of Action was improper under LMO Section 16-3-310(C), and that the rescission of the Notice of Action would be held in abeyance.[10] Based on Mrs. Lewis' withdrawal of her rescission of the Notice of Action, the Edgewater HOA's appeal was rendered moot, and the Notice of Action is still effective.

By way of a letter dated July 8, 2010, the undersigned, on behalf of Ephesian, requested that Mrs. Lewis, as the LMO Official, institute revocation proceedings regarding the Notice of Action under LMO Section 16-3-301(C) on the basis that the XDPR Application contained a material misrepresentation by the landowner or its agent.[11] Thereafter, Mrs. Lewis declined to institute the requested revocation proceedings in the 07/26/10 letter.

Ephesian alleges that Mrs. Lewis, as the LMO Official, has a duty to enforce the provisions of the LMO, and that duty imposes on her an obligation to institute revocation proceedings regarding the Notice of Action if, in fact, she believes the XDPR Application contains misinformation that is a material misrepresentation by the landowner or its agent. To that end, Ephesian now

seeks an order of the BZA directing Mrs. Lewis to institute the requested revocation proceedings.

IV. APPEALS OF ADMINISTRATIVE DECISIONS

Under applicable state law, Section 6-29-340(B) of the Code of Laws of South Carolina (1976), as amended (the "SC Code"), which is part of the South Carolina Local Government Comprehensive Planning Enabling Act of 1994 (the "State Enabling Act"), charges the Planning Commission with the power and duty to, among other things, prepare and recommend for adoption to the Town Council regulations for the subdivision or development of land, and appropriate revisions thereof, and "to oversee the administration of the regulations that may be adopted [by the Town] as provided in [the State Enabling Act]". Section 6-29-800(A)(1) of the State Enabling Act grants the BZA the power "to hear and decide appeals where it is alleged there is error in an order, requirement, decision, or determination made by an administrative official in the enforcement of the [Town's] zoning ordinance"; and SC Code Section 6-29-800(B) provides that appeals to the BZA may be taken by any person aggrieved.

Notwithstanding the fact that the 07/26/10 Letter says that the administrative determination contained therein may be appealed to the BZA, Ephesian believes that the Town's Planning Commission, and not the BZA, may have jurisdiction to hear some, if not all, of the issues raised in this Appeal.

V. THE XDPR APPLICATION

A review of the Town's file on the XDPR Application clearly indicates that the XDPR Application was incomplete when filed and when the Notice of Action was issued.

More importantly, the XDPR Application represents that there are no recorded private covenants and/or restrictions that are contrary to, conflict with, or prohibit the proposed request. As noted in the April 28, 2010 letter to

Mrs. Lewis, and as confirmed in Mrs. Lewis' April 30, 2010 letter, the representation made on behalf of the Association in the XDPR Application regarding recorded private covenants and/or restrictions is clearly factually inaccurate. Specifically, Mrs. Lewis said in her letter that "... misinformation was provided by you [the Edgewater HOA's agent] as part of the application."

VI. THE NOTICE OF ACTION

As mentioned above, the XDPR Application was submitted in response to Ms. Dixon's order to cease work on the tabby walkway that was under construction by the Edgewater HOA.

Ephesian notes for the record that it has neither consented to nor approved of the filing of the XDPR Application as it relates to Ephesian's interests in the Regime Property. Ephesian also notes for the record that it categorically has not, and does not, consent to any work on the Regime Property that may have an adverse impact on its interests in the Regime Property, including the work purportedly permitted by the Notice of Action, absent specific written approval from Ephesian.

Ephesian asserts that Notice of Action was wrongfully and improperly issued by the Town to the Edgewater HOA because of, among other things, the misinformation contained in the XDPR Application.

Ephesian further asserts that if the misinformation contained in the XDPR Application is a material misrepresentation by the Edgewater HOA or its agent, then Mrs. Lewis has an obligation to seek to revoke the Notice of Action; however, Mrs. Lewis has declined to do so. Ephesian, whose rights have been violated by the work authorized by the Notice of Action, is clearly aggrieved by Mrs. Lewis' refusal to revoke the Notice of Action, and therefore has filed this Appeal to the BZA.

©2010 Chester C. Williams, LLC

VII. STANDING

Ephesian has standing to file this Appeal to the BZA because the 07/26/10 Letter says it is appealable to the BZA. In addition, because Ephesian holds easements and other rights in and to the Regime Property, including the Declarant Rights, under applicable restrictive covenants contained in the Master Deed, Ephesian has standing to file this Appeal to the BZA under Section 6-29-760(C) of the State Enabling Act; and Ephesian also has standing to file this Appeal under LMO Section 16-3-2001.[12]

VIII. NECESSARY PARTY

The Edgewater HOA, as the permittee under the Notice of Action, may be a necessary party to this Appeal. Accordingly, Ephesian asks that the Edgewater HOA receive notice of all matters and hearings associated with this Appeal.[13]

IX. GROUNDS FOR APPEAL

Ephesian alleges that Mrs. Lewis, as the LMO Administrator, has a duty and obligation to institute revocation proceedings regarding the Notice of Action under LMO Section 16-3-310(C) if she believes the XDPR Application contains a material misrepresentation by the Edgewater HOA or its agent.

---

[12] LMO Section 16-3-2001 seems to indicate that an appeal of a decision, interpretation, or determination of the LMO Administrator lies to the Board of Zoning Appeals; however, because this Appeal is centered on the Notice of Action on the XDPR Application, which is clearly part of the land development regulations of the LMO, out of an abundance of caution, Ephesian has also filed a similar appeal to the Planning Commission.

[13] See *Spanish Wells Property Owners Association, Inc. v. Board of Adjustment of the Town of Hilton Head Island*, 367 S.E.2d 160 (SC 1988), a copy of which is attached to this Narrative as Exhibit K.

X. EPHESIAN'S ARGUMENTS FOR APPEAL

A. MATERIAL MISREPRESENTATION IN THE XDPR APPLICATION

Ephesian owns property that is adjacent to the Regime Tract, and holds easements and other rights, including the Declarant Rights, over the Regime Tract pursuant to the recorded private covenants and restrictions contained in the Master Deed.

The XDPR Application represents that there are no "recorded private covenants and/or restrictions that are contrary to, conflict with, or prohibit the proposed request". Based on the covenants and restrictions contained in the Master Deed and the easements and other rights in and to the Regime Property now held by Ephesian under the Master Deed, Ephesian submits that this representation is factually inaccurate.[14]

The Town, through Mrs. Lewis, as the LMO Official, and the Town Attorney, Gregory M. Alford, Esq., is already on the record as agreeing with Ephesian that the XDPR Application contained "misinformation" regarding applicable restrictive covenants, that the project proposed by the XDPR Application "is in violation of the Master Deed", and that "Ephesian retains all rights that went with the property transfer as part of the bankruptcy." Specifically, in her April 30, 2010 letter to IMC Resort Services, Inc., the agent for the Edgewater HOA on the XDPR Application, Mrs. Lewis stated:

> The Notice of Action has been rescinded and the project denied based on discovery that misinformation was provided by you as part of the application. After further review by the Town's attorney, the proposed project is in violation of the Master Deed Establishing the Edgewater on Broad Creek Horizontal Property Regime (Phase 1)." (Emphasis added.)

[14] Ephesian has no reason to believe that this factual inaccuracy in the XDPR Application was an intentional misrepresentation by or on behalf of the Edgewater HOA; instead, Ephesian assumes this factual inaccuracy was a mistake on the part of the Edgewater HOA.

©2010 Chester C. Williams, LLC

Clearly, that letter evidences a determination by Mrs. Lewis, as the LMO Official, and Gregory M. Alford, Esq., the Town Attorney, that the XDPR Application contains misinformation that is a material misrepresentation.

Section 6-29-1145(B)(3) of the Code of Laws of South Carolina (1976), as amended, prohibits the Town from issuing any permit if the Town has knowledge from any source of a restrictive covenant on a tract or parcel of land that is contrary to, conflicts with, or prohibits the permitted activity. Based on the determinations made by Mrs. Lewis, as the LMO Official, and the Town Attorney as set forth in Mrs. Lewis' April 30, 2010 letter, it is readily apparent that the XDPR Application would not, and could not, have been approved by the Town but for the material misrepresentation in the XDPR Application.

Under LMO Section 16-8-103(A), Mrs. Lewis, as the LMO Official and the Administrator of the LMO, has responsibility for enforcement of the LMO; and under LMO Section 16-8-103(C)(2), Mrs. Lewis has a duty to take whatever action is necessary to assure compliance with the provisions of the LMO. Based upon the specific determinations made in her April 30, 2010 letter, after review by the Town Attorney, that misinformation was provided to the Town as part of the XDPR Application and that the project proposed by the XDPR Application is in violation of the Master Deed, it is incumbent upon Mrs. Lewis to institute revocation proceedings regarding the Notice of Action under LMO Section 16-3-310(C), as a material misrepresentation in an application is a clear basis for revocation of a permit.

Ephesian submits that Mrs. Lewis and her staff cannot sit idly by and take no action in such circumstances, particularly when she and the Town Attorney have already made determinations which are conclusive to the issues.

Because the XDPR Application contains a material misrepresentation by the Edgewater HOA or its agent, under LMO Sections 16-8-103(A) and 16-8-103(C)(2), Mrs. Lewis has a duty and obligation to enforce the provisions of, and to assure compliance with, the LMO, and should therefore proceed to institute revocation proceedings regarding the Notice of Action under LMO

Section 16-3-310(C), and the BZA, pursuant to its appeal jurisdiction, should order her to do so.

B. CONSTITUTIONAL ISSUES

Ephesian further believes that Mrs. Lewis' refusal to institute revocation proceedings regarding the Notice of Action under LMO Section 16-3-310(C) is wrong because the work purportedly permitted by the Notice of Action has a material detrimental effect on protected property rights and interests of Ephesian in the Regime Property, without having afforded Ephesian the right to notice and an opportunity to be heard in the XDPR Application process, in violation of the equal protection and due process clauses of the United States Constitution and South Carolina Constitution. Mrs. Lewis' refusal to properly revoke the Notice of Action is arbitrary and capricious, in derogation of Ephesian's protected property interests, and without a reasonable basis or justification in law or fact, for the reasons specified above.

XI. CONCLUSION

Because the Notice of Action is based on the incomplete and factually inaccurate XDPR Application, which contains a material misrepresentation by the Edgewater HOA or its agent, and because the Edgewater HOA did not obtain Ephesian's consent before the project permitted by the Notice of Action was undertaken, the Notice of Action should be revoked, and Mrs. Lewis should be directed to institute revocation proceedings under LMO Section 16-3-310(C). Accordingly, Ephesian asks that the BZA (a) consider the issues raised in this Appeal and the pertinent provisions of the State Enabling Act, the LMO, and other applicable law, (b) find that the Notice of Action should be revoked under LMO Section 16-3-310(C), and (c) reverse the decision of the LMO Official to refuse to institute revocation proceedings regarding the Notice of Action.

Ephesian reserves the right to submit additional materials, documents, and information to the BZA in connection with this Appeal.

Respectfully submitted on behalf of Ephesian Ventures, LLC this 9th day of August, 2010.

Dear Chet:

This letter is in reference to your correspondence dated July 8, 2010 regarding XDPR100013 [the tabby sidewalk at Edgewater on Broad Creek]. Your letter requests that I, acting in my capacity as the LMO [Land Management Ordinance] Official for the Town, revoke the Notice of Action issued for XDPR100013 on the grounds that misinformation was provided as part of the application. As I stated in my June 25, 2010 letter to Mr. Bucko [property manager for Edgewater at Broad Creek] at this time, staff is holding the revocation of the Notice of Action for XDPR100013 in abeyance until such time that Edgewater and Ephesian have resolved the covenant dispute. You were copied on this letter. Staff has not changed their position on this issue and therefore at this time I do not intend to take steps to initiate revocation proceedings under LMO Section 16-3-310(C).

Please be aware that per Town Land Management Ordinance (LMO) Section 16-3-2001 should you disagree with this administrative determination you may appeal to the Town's Board of Zoning Appeals (BZA) within 14 calendar days of the receipt of the above decision.

Sincerely,

TBLewis
