Re: Robert D'Espies v. S&A Construction and More LLC
Appellate Case NO). 2018-001477

Whom it May Concern,

Please find a copy of the attached correspondence letter dated November 1, 2018. This letter was sent to the wrong address. I have included and copy of an email from Riley, Pope & Laney, LLC stating they received the letter in error from the South Carolina Court of Appeals.

The original appeal for S&A Construction and More LLC, was based on the fact we never received proper notice. This is yet another example of not receiving proper notice to complete a task that is time sensitive.

I have received another letter dated November 20, 2018 stating the corrections from the letter dated November 1, 2018 were not made, however I called 803-734-1839 and spoke to Shelby she stated the proof of service was received and on file. She also stated there was no record of the \$50.00 check. The check # 1653 and the proof of service was mailed together on November 10, 2018.

I am enclosing another check in the amount of \$50.00. The check number is 1561. I am also enclosing the following items to ensure they are in the record.

- Letter Dated November 1,2018 from the Court of Appeals
- Letter Dated November 20, 2018 from Court of Appeals
- Email from Riley, Pope Laney LLC
- Check # 1561 in the amount of \$50.00
- Proof of Service

Please add this information into case file. If you have any questions or concerns, please give me a call.

Thanks

- The required filing fee has not been submitted. The correct filing fee is \$50.00.
- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Very truly yours,
