Re: Trey Williams v. State  
Appellate Case No. 2016-001553

Dear Mr. Williams:

This responds to your recent motion dated November 26, 2018. In response, the motion to relieve counsel was granted by this Court's order dated November 26, 2018, along with an order granting certiorari in the above case. A copy of both documents were mailed to you. However, as your address has changed, your address has been updated in our system and enclosed are additional copies of these orders.

As you can see in the order relieving counsel, the Court has "denied your motion to re-associate with the Division of Appellate Defense for the purpose of making, serving, and filing copies of your brief and any future motions", but did relax your copy requirements to one copy. Your petitioner's brief is now due to be filed by January 2, 2019. No further actions will be taken on this motion.

Very truly yours,

*V. Claire Allen, Deputy*
