RE: Benjamin Newman v. State; App. Case No.: 2018-001137

Dear Sir:

I am writing to request my third extension of thirty days for filing the Petition and Appendix in the above referenced PCR Appeal. This extension is necessary due to issues with receipt of the PCR exhibits and an issue with the printing of the Appendices. Counsel intends to sort out the issue with the Appendices within the next week and will file within the next thirty days. This extension is also necessary due to a heavy court schedule. Counsel has been in PCR court in Richland and Horry Counties on several matters over the last week. As evidenced by the below signature, the State has consented to counsel's request.

Please contact me if any additional information is needed. I appreciate your consideration and assistance with this matter.

Yours truly,  
  
Tricia A. Blanchette  
Attorney at Law

I consent,
