

I'm writing in response of the letter dated 11/27/18 notifying me my court appointed attorney has filed a no merit petition ~~for~~ for writ of Ceteratoris and I have 45 days to respond and submit a "pro se" petition. However I never received any appendix or copy of the submitted petition nor did I receive any notification from her that she was doing such a thing. I will like to know the date she submitted this petition, a copy of it along with its appendix, and the date and paperwork that shows she has provided me with a copy of these things since the court records reflect that she has done so.
