MOTION

The Respondents' initial briefs and designations are due on December 10, 2018. With the consent of the Appellants, the below-named Respondents respectfully request an extension of thirty (30) days until January 9, 2019, to serve and file their briefs and designations. The extension is needed due to conflicts in the professional and personal schedules of various counsel, the number and complexity of the issues presented, and the need to coordinate the Respondents' briefs to minimize duplication in the briefs.

Re: Dorchester County Taxpayers Association, et al -v- Dorchester County,

Appellate Case No. 2018-001262

Dear Ms. Kitchings:

Enclosed for filing please find a Motion being filed on behalf of all Respondents, with permission. This motion for extension for the Respondents would make their briefs and designations of matter due on January 9, 2019. Our check in the amount of \$50.00 is enclosed.

Please file the motion and return a file stamped copy to me via our courier. Thank you for your assistance in this matter.

**Please Note:** This is an appeal from two orders dismissing the claims made by the Appellants (plaintiffs) against some of the Respondents (defendants). The enclosed motion bears the caption established by this Court's letter of July 10, 2018. It should be noted that the following defendants technically are not respondents (though served with the notice of appeal and identified therein as respondents), because the appealed orders do not dismiss or otherwise affect the claims made against these defendants (they did not move to dismiss the claims against them): Dorchester School District Two, Dorchester School District Two Board of Trustees (including the individual Trustees in their official capacity), Dorchester County Career and Technology Center, and Dorchester County Career and Technology Center Board of Trustees. In addition, there are some questions about the current status of some of the named individuals. Upon resolving those questions, the respondents anticipate filing a consent motion with the appellants and non-respondent defendants to correct the caption.
