Dear, Mrs. Kichings

I have received a letter dated December 4 2018 from the S.C. Commission on Indigent Defense approving that office to put my appeal together and I am very Greatful. As you may know I am incarcerated and this institution is on lockdown for reasons unknewed to me, it's like no movement stoping me for using the inmate Law Library. So iam asking you and your office to PLEASE send me a motion on a appeal bond. Due to the mishanding of this hold case and trial of Indictment No. 2017-GS-42-4142, 2017-GS-42-4141. I am asking PLEASE. Ma'am please keep in mind I was working before this trial the judge revoked my bond an took me into custody the same day trial began, I have a wife and family that would be so Thankful and Greatful also Super Surprised. Please let me know the right way to go about it if this isn't right. Thank you.

Also Ma'am the indictments in these case are invalid and I have the evidence to prove it.

I really dont know what to do, because everyone I tells this turn their head and to be honest

Ma'am iam scared. On my sentencing sheet the

judge marked (2) spots Violent and Serious I

never disrespected no one before or after no

guns was in this or nothing Violent some inmates

say it's like a code to some judge's and officer's

and they will send me to the worst prison and

my appeal will be denied, all because I

went to trial. Ma'am my family is really suffering

from this and that's why I'am asking for an

appeal bond, also, so I can be in great contact

with the appointed Lawyer from the Indigent

office. I will work and do for my family.

Honest to God Ma'am so many of my rights

was viodated but all I want is to be with

my family, and get my job back if you or someone

could reach out to the judge or prosecuturial

in this and see if this is a option I would

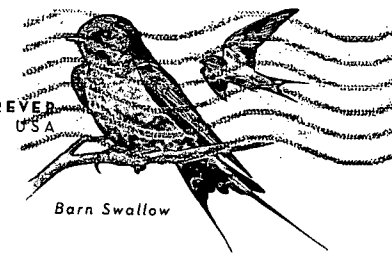

be more then greatful. Thank You.
