**MOTION TO CONSOLIDATE**

---

Respondent South Carolina Electric & Gas Company (“SCE&G”), pursuant to Rule 214, SCACR, moves this Court to consolidate the above-referenced appeals. Both matters seek this Court’s review of similar questions regarding the same orders issued by the Public Service Commission of South Carolina (“Commission”). In addition, both appeals are from the same underlying regulatory proceedings conducted by the Commission pursuant to S.C. Code Ann. §§ 58-27-865 and 58-39-140 (2015) on an annual review of the fuel purchasing practices and policies of SCE&G. Accordingly, consolidation of these matters is appropriate and warranted because it will avoid the need for duplicative briefing, thereby furthering the interests of judicial economy.

Counsel for SCE&G also has consulted with the other parties of record to these appeals and is advised that the South Carolina Coastal Conservation League, Southern Alliance for Clean Energy, South Carolina Solar Business Alliance, LLC, Southern Current, LLC, the South Carolina Energy Users Committee, and the South Carolina Office of Regulatory Staff consent to the consolidation of these matters. CMC Steel South Carolina also has advised that they take no position on the consolidation of these matters.

WHEREFORE, having fully set forth its motion, SCE&G moves the Court to issue an order consolidating Appellate Case Nos. 2018-001165 and 2018-002117. SCE&G further moves the Court to grant such other and further relief as may be just and proper.
