

THE STATE OF SOUTH CAROLINA

In The Court of Appeals

APPEAL FROM CHARLESTON COUNTY

COUR OF COMMON PLEAS

THE HONORABLE J. C. NICHOLSON, CIRCUIT COURT JUDGE

Appellate Case No. 2017-002621

RECEIVED

DEC 17 2018

SC Court of Appeals

John Gilbert Singletary,

Appellant,

v.

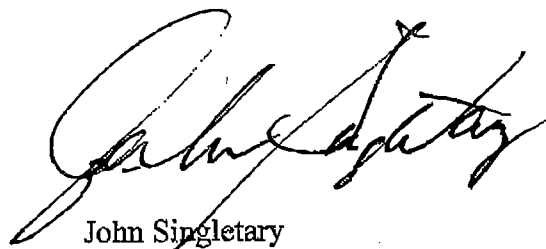

The State,

Respondent

REQUEST FOR EXTENSION OF TIME

The Appellant to this appeal requests a continuance on the December 17, 2018 deadline to file and serve the Record on Appeal. Appellant includes the response to the motion to dismiss. The Receiver's office was unable to retrieve a complete set of documents from my attorney of record who is presently on suspension. The case was place in abeyance. Since that time the Receiver's office did forward additional documents, but still no complete file existed. The Circuit Court file is void of the Motion/Appeal and the exhibits submitted by Attorney Mayer. The same exhibits the accompanied the motion for new trial at the municipal level and the subsequent motion for reconsideration that was submitted. While all other items are shown on the Circuit Court docket sheet the Motion/Appeal document is missing eventhough it was in fact submitted by Attorney Mayor. This item is also missing from the Receiver's file. But listed on the Designation of Matters. Due to this unforeseen issue Appellant needs additional time to research computers and emails to find the document. Appellant request an additional 30 days to find documents and submit Record on Appeal.

December 15, 2018
