SC Court of Appeals

Dear Supreme Court of S.C.:

I wrote the S.C. Court of Appeals about informing me who is the State Attorney General in this case on appeal because I do not know or where to contact them because I have gotten a plethora of Attorney Generals since the PCR hearing. I also requested that the courts send a letter and contact this institution to let them know that I am my own attorney and I will need copies to be made because the institution offer does not run copies timely, waiting weeks and not at all as that loose your documents and legal materials, the court of appeals denied indigent copies from appellate defense. I also request that whoever the Attorney General is in this case request a continuance until at least Feb because I will not be able to get my lawyer for my brief until late March early April so I need extensions to be made on both parties. *Very sorry*
