RE: Appellate case No. 2016-001553

I Trey Alexander Williams need to know who the State Attorney is in the Record on Appeal and how many diverse Attorney Generals have been on this case since PCR hearing commenced. I also need a letter for this institution I am at stating that I am my own Attorney in my case and that timely copies will need to be made for my court filings in this case because many motions are being prepared for the S.C. Supreme Court to hear about the legality, merits, misconduct and prejudice I am suffering in this case. This institution says they are under staffed, and weeks and often copies are neglected and legal paperwork and documents are lost as my files were misplaced recently when I was transferred to this institution on 11-19-18. I will be requesting all the S.C. Supreme Court records of my previous letters, filings and documents that are on file with proof of indigent form. Since I am denied access to indigent defense that Supreme Court granted me, I will need this court to ensure that this institution makes me a copy for each filing... *W. Williams*
