

The South Carolina Court of Appeals

QBE Insurance Corporation as Assignee of P.V. INC.
D/B/A Harbor Inn, Appellant,

v.

William Fincher, Harrison Fincher & Associates, LLC,
and Harrison, Fincher & Associates, Inc., Respondents.

Appellate Case No. 2012-213192

ORDER

Respondents have filed a motion to dismiss this appeal as premature because a motion for reconsideration was pending before the circuit court. Because this Court has now received the Amended Notice of Appeal wherein Appellant appealed the order denying reconsideration, Respondents' motion to dismiss is denied.

Appellant has filed a motion for an extension to order the transcript due to settlement negotiations between the parties. Respondents did not file a return. Accordingly, the motion for an extension is granted. Appellant shall copy this Court on correspondence showing the transcript has been ordered by January 21, 2013.
