Re: Breakfield, as Attorney-in-Fact v. Woods
2016-002016

Dear Ms. Kitchings:

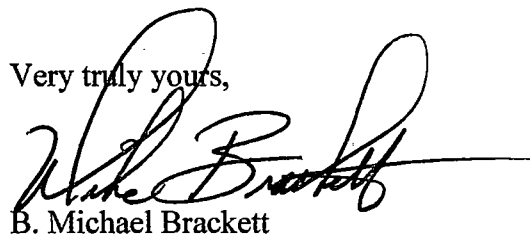

I represent the Respondent. I have just received in today's mail a copy of Appellant's Motion to Dismiss Appeal dated, and purportedly served, on December 15. As usual, Appellant's mail to me from Lancaster takes an uncommon length of time, in this case using up five of the allowed ten days for a Return to the motion.

Accordingly, I respectfully request an extension of time to serve and file Respondent's Return to Appellant's motion. The normal ten-day period would expire on December 25, and the customary ten-day extension would expire on January 4. I have a family vacation scheduled for the entire week of December 31, **and for that reason I request that the extension be granted through and include Monday, January 14, 2019.**

The motion fee is enclosed.

Thank you for your attention to this matter.

Very truly yours,

B. Michael Brackett
