RE: The State v. Daemon M. Crim
Appellate Case No. 2018-001915

November 5, 2018

Dear Deputy Clerk Allen,

I write in response to your letter dated October 30, 2018, requesting a copy of the order denying the motion to reconsider the sentence in the above captioned case.

On October 19, 2018, I spoke with Karen Mizell, General Sessions Clerk at the Dorchester County Clerk of Court. She indicated that there was no written order denying the motion to reconsider the sentence, and that one would not be forthcoming.

On the same date, I attempted to contact Assistant Solicitor Don Sorenson, and his staff informed me that any questions about orders should be directed to the clerk of court's office.

It is my understanding that when no written order is in place, the transcript of the hearing will serve as the final notice of judgment. Please note that I ordered the transcript from the court reporter on October 16, 2018.

Should you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Erin E. Bailey
