Motion

Case Number:
2018-001934

The above mentioned defendant, Michael Poore (MLP) hereby files a Motion in the SC Court of Appeals; He requests that the Order for dismissal of November 28, 2018 be set aside & be nullified. Substantial grounds exist to justify this Motion including the fact that MLP had Statement & Notification of Appeal prepared in accordance with the Court's directive of November 26, 2018. He was preparing to have those papers served on Jean P Cobb in a timely manner when the Order disrupted it. Thusly, that Order should be set aside.
